Mr and Mrs Delbert Haw have returned from a week's honeymoon tour of Ontario by auto, looking well.

Mr George Haw came very close to losing his buildings by fire one day last week. He had broken the axle of his waggon. To get the wood out of the iron, he had to put it in the stove. After sufficient burning, he put it in water to cool off, then picked it up and carried it to the barn. The wood fell out of the arm; he picked it up and laid it carefully on the wood prepared for the threshing, ca. then went away from home. Shortly after Mrs Haw noticed smoke, and called for help which was near by. Much water was carried to put it out. farm was in danger.
