In Queen's Park

BY THE WATCHMAN

Toronto, Nov. 6. With a Liberal Government in office at Ottawa, officials of the Ontario Department of Agriculture are looking forward in anticipation of close co-operation between the two departments in all matters affecting farming.

One of the most important problems to be discussed by the two Ministers is the Farm Loan situation. Ontario stopped farm loans some months ago, due to several circumstances over which the province had no control.

Ontario has all the necessary machinery for the lending of money to farmers, and officials of the department see no reason why all this machinery and the services of a competent and experienced staff should remain idle while the Dominion Government does the job.

Attempts made by the Hepburn Government to create a close relationship with the Bennett Government in all matters pertaining to Agriculture were almost entirely unsuccessful.

The situation now however is entirely different. Officials at Queen's Park admit freely that much can be done in the future to aid the agricultural industry, now that a Liberal regime has begun at Ottawa.

"There will be greater co-operation all along the line," one official declared. "We can look forward to getting things done during the next year that could not even have been considered before."

Rev. W. H. Smith Addresses Women's Institute

The regular meeting of Durham Women's Institute was held Thursday afternoon in the home of Mrs. John Lloyd with a large attendance, the president presiding. Roll call was answered by the care of house plants during the winter months.

This was followed by a very interesting talk by Rev. W. H. Smith, on 'Reading.' He stressed the fact, of teaching boys and girls to read in the schools. It is an education in itself. Secondary education, in a library, serves for the rest of life after finishing school.

Miss Blyth gave a number of recipes of salads, which were demonstrated at the training class. The lunch was served by Group No. 4, with Mrs. C. Kinnee as convener.

"Synchroizing with the action of Premier Hepburn and Liquor Commissioner Odette, after a consultation with the Moderation League, to allow booze to be sold in the beverage rooms of Ontario on Thanksgiving Day, and thus a day set apart for Thanks to the Almighty for his goodness, is to become a nightmare to many wives and children for profit for the liquor interests and the government, the authorities in Walkerton doubtless realizing that the sidewalks wouldn't be wide enough after the holiday's debauch took time by the forelock and inaugurated the ringing of the curfew at 9 p.m. as the zero hour when all children under 16 are to be off the streets and out of the road of the staggering brigade. — Walkerton Herald-Times.

HAMPDEN

An event of unusual interest took place on Tuesday, Nov. 5th, when Mr. and Mrs. Henry Fritz, Sr., celebrated their golden wedding with their family of nine children, grandchildren and great grandchildren in attendance.

The worthy couple who have been residents of this community the better part of their lives, spent the afternoon exchanging social chat with friends and neighbors until the tea hour when some 80 partook of refreshments including a three story cake decorated by one of the grandsons. The table decorations were in keeping with the occasion, while large bouquets of white chrysanthemums graced the buffet with the gold candles, and the streamers were of purple and gold.

As a sportsman tries to obtain what he aims at, so will nations if they prepare for war, most likely have war. The singular thing about human nature is the fact that they may prepare for the worst, they may prepare for the best; What folly? What a lack of faith?

As one of the listeners, we feel wholly incapable of expressing a mere fringe of the sermon, which for eloquence and knowledge could not be surpassed. The thought occurred to me that if every pastor throughout this great nation of ours could present the fact as fully and inspiringly as did the Rev. gentleman, a very long stride would be accomplished toward "Peace on earth, goodwill to men."

The members of the family together with their families who were present were: Mrs. W. Cooney (Clara), of Durham; Mrs. Matt. Tone (Anie), of Galt; Alfred of Chesley; Reuben and Norman of Hanover; William and Henry; Mrs. Albert Kraft (Lydia); Mrs. John Becker (Pauline) all of Hampden. Two daughters predeceased some years ago; Mrs. Wm. Nuhn (Emma) and Mrs. Henry Wagner (Minnie). Altogether there were thirty-four grandchildren and eight great-grandchildren present, also a brother and wife, Mr. and Mrs. John Heuhn of Warton.

AMONG THE CHURCHES PRESBYTERIAN W.M.S. HOLD THANKOFFERING

The thankoffering service of the Presbyterian W.M.S. was held in the schoolroom of the church on Thursday evening. The members of the Y.W.A. and friends of the missionary cause were also present.

The pastor, Rev. D. Gowdy, spoke on a message; left by St. Peter, "As every man hath received the gift, even so minister the same one to another as good stewards of the manifold grace of God." Mr. Gowdy emphasized the need of cultivation of talents and assuming responsibility in the missionary work.

On Monday evening of this week a farewell party was tendered Mr. Gordon Ford at the home of his brother Mr. Will Ford. Gordon, who has been a Westerner for a few years, was home on a visit, and leaves these parts Wednesday.

Some of the local sports were over by Ervie on Friday to have a look at the bunnies and captured a number to bring home.

The farmers have been finishing up the taking in of the turnips. Armistice Day, Nov. 11th, was very quietly spent in this locality.

Thursday evening the youth and beauty of the community were royally entertained at the home of Miss Bernice Koenig when guests from Gt. No. Durham, Varney and Knox young people listened to some very fine music provided by the Rahn Bros. and Mae Fulton.

Decision was made to hold the meetings the first and third Tuesdays of each month at 7.30 p.m. Devotional exercises opened the meeting and a social hour followed the business session. There was a good attendance.

NEW LOW LEVEL FOR CANADA'S MEANEST MAN

A new low level for Canada's meanest man has been set. A traffic solicitor for the Canadian National Telegraphs reports that he was crossing the intersection of Yonge and St. Clair, Toronto, when he saw a wallet lying on the street-car tracks. He picked it up and found negotiable bonds amounting to several hundreds of dollars and currency to more than a hundred. He had just crossed to the sidewalk when a man came dashing over and asked if that was his wallet. He accurately described the contents and the telegraph man handed it over to him.

VICKERS

Remembrance Day passed off very quietly in our burg, with many thoughts leading back to the Great War. The annual meeting of the U.F.W.O. was held at the home of Mrs. H. A. Reay on Friday, Nov. 1, with a large attendance of members and a few visitors.

The meeting opened in the usual manner by singing of solo and repeating the Creed. The roll call was answered by the members signing up for another year. A letter of thanks was received from Mr. and Mrs Ben Coult's thanking the Club for sympathy sent them in their recent bereavement. Business then followed and all the old officers were returned to office. It was decided to shower a recent bride.

The meeting then closed with singing 'God be with you till we meet again' and lunch was served by the hostess and daughter Joan, assisted by Mrs. Jos. Reay. The December meeting will be held at the home of Mrs. Jos. Brown, those to bring cake being Mrs. Wm. McCulloch, Mrs. George Alexander and Mrs. H. A. Reay. The roll call will be answered by "Suggestions for roll call for the year."

A shower was tendered Mr. and Mrs. McHugh (see Mary Hopkins) on Friday evening last when a number of the club members and families gathered to wish them much joy in their married life. An appropriate time a heavily laden basket was carried in by Misses Bernice Wise and Jean Reay, and the parcels wrapped by Mrs. George Turnbull and Miss Christine McCulloch, and presented to the bride and groom, many beautiful gifts among them being a cheque from the Club, presented by Miss Lenore Reay, with an address, which was read by Miss Christine McCulloch. Mr and Mrs McHugh fittingly replied and an enjoyable evening was spent. We join in wishing Mr and Mrs McHugh many happy years of wedded life.

Congratulations to Mr. and Mrs. George Mighton Jr. on the birth of a little daughter a couple weeks ago.
