THE ROLL CALL

BELLA LAIDLAW

The death of Miss Bella Laidlaw took place in Durham hospital last Saturday after an illness of several months there, the result of two strokes and other ailments. She was in her seventieth year and has all her life been a resident of this locality.

The deceased was born on the 2nd con., S.D.R., Bentinck near Hanover, and here resided until young womanhood. The past thirty-five years she has lived with her sisters and their families. Of a large family, only three sisters now survive, Mrs Wm. Sharp of Hampden; Mrs Chas. Bailey of Lamplash; Mrs Robt. Harrison of Sullivan tp.

She was of a kind and loving disposition and was highly respected. The remains were taken to the home of her niece, Miss Lizzie Mathew, Priceville where the funeral service was held on Monday afternoon, conducted by Revs. McDonald and Johnston of Priceville. In interment took place in Hampden cemetery.

The casket was covered with many beautiful floral tributes, which bore silent messages of love.

The pall bearers were eight nephews: Alex Sharp, Hampden; John Sharp of Durham; Geo. and Jacklin, of Chelsey; Robt. Harrison of Sullivan; Wm. Mather, Priceville; Douglas Gowatlock, Orilla, and Arthur Burgess, Port Elgin.

A number of friends from Pt. Elgin Chelsey, Elmwood, Chatsworth, Weston, Brechin, Hampden, Durham and Hanover attended the funeral.

DUNCAN McQUARRIE

One of Bentinck township's best known residents in the person of Duncan McQuarrie, passed away in Toronto General Hospital, after a summer's fight against that dread disease,—cancer.

Duncan McQuarrie lived on the farm where he was born on July 29, 1860,—the son of pioneer parents, Mr and Mrs Donald McQuarrie. With the exception of about ten years, which were spent in United States, his home and interests have been on the 2nd con. of Bentinck. He knew his township well and the neighborhood all spoke well of his neighborly qualities. In 1898, he was wedded to Eliza McCormick, who survives him with three children: Peter and Miss Isabel at home; Miss Mary, teacher at Mulock. There also survive one brother Hugh, of Stangish, Michigan, and six sisters, Mrs. Neil Livings one, Glenelg; Mrs John Poucher, Edmonton; Mrs Wm. Ferguson, Chicago; Mrs Jas. Ledingham Chicago; Mrs Annie Adams, Wisconsin; Mrs Lachlan McLean, Glenelg. A brother Angus predeceased him only last Monday in Wisconsin. Two other brothers passed away some years ago.

The funeral was held on Saturday, from his late residence to the family cemetery at Rocky Saugeen, and was one of the largest in the district. Rev. D. Gowdy, pastor, had charge of the services at house and grave.

Beautiful floral remembrances came from the family; Mr and Mrs N. Sinclair, Sault Ste. Marie; Aberdeen W.I.; Burns' church Ladies' Aid; Burns' church Young People; L. McLean.

Flower bearers were Gordon and Roy Reid, Toronto; L. A. and Campbell McLean, Albert Livingstone, R. McDonald, Hamilton.

Friends present from a distance at the funeral were Mr and Mrs Albert Reid, Mr and Mrs Gordon Reid; Mr and Mrs R. Reid, Mr and Mrs Findlay, all of Toronto; Ross McDonald, Hamilton; Donald Sinclair and Ronald Gilchrist, Chatsworth; Mr and Mrs Coll. Oldfield, Corbetton.

Pall bearers were Messrs Don McLean, Don McCormick, J. S. Davy, Albert Reid, J. Willets, L. McLean.

Durham merchants are planning a Santa Claus day, Saturday, Dec. 7th.

Trussed and made fast to a large tree in the early hours of the morning was the lot to befall a special constable in Par's, Ontario, who was out to keep an eye on Halloween pranksters. Otherwise no serious damage was reported.

Met Instant Death in Motor Crash Tuesday on Toronto-Hamilton Highway

Mr. and Mrs. Thomas Brown and son Edgar, the three victims. — Intense Sorrow Reigns Over Town.

Leaving Durham on Monday about 3 p.m. bound for Hamilton, in a happy frame of mind, Mr and Mrs Thomas Brown and son Edgar, are now sleeping in their home in Durham, meeting death suddenly in a motor collision near Bronte on Tuesday afternoon at 3.50 p.m. In Hamilton they had a most pleasant visit with Mr. Brown's two sisters, Mrs. (Rev.) J. E. Truax and Miss Maria Brown, leaving here at 3.30 p.m. on Tuesday to visit with daughter and sister Mary, Mrs George McCulloch, in Toronto.

About two miles west of Bronte, and only 20 minutes after leaving Hamilton, they collided with the five and a half ton trailer of a transport driven by John Hoover, Hagersville. The Brown car was reduced to a twisted mass of metal, but remained upright on the road while only a few dents were found on the left rear side of the trailer.

There was a nasty sleet falling, making visibility poor. An eye witness of the disaster, Mr J. W. Watson of Hamilton, describes the crash as follows: "I was following the truck by a few rods and listening to a radio broadcast. I remember having to look at the panel of my car a few seconds before the crash and noticed we were going slightly less than 35 miles an hour. At that we were gaining a little on the truck, which was beginning to slow down for the curve where the accident happened."

"About half way round the curve we saw the Brown car coming along, both it and the truck well on their own sides of the highway. Then the trailer seemed to swerve out a yard or two, probably as it was raining at the time and the road was treacherous. The corner of the trailer collided with the smaller car and lifted it several inches off the highway, knocking it backward a-15 feet.

"It all happened very quickly. The coupe left the highway but did not turn over. From the sound of the crash and the manner in which the coupe kept upright, we were surprised to see how much damage was done. The east-bound car was battered beyond recognition and I am sure death was instantaneous in every case. Mr. Brown, Sr., was half way out of the car, but his wife was in her normal position, as was the son, who had been driving."

That is one version of the sad story, but it is sufficient. The hard part of the accident is that it has robbed Durham of valuable citizens. There were no three more highly respected in the town. The son Edgar had been home but a few weeks, and in his car, they were taking advantage of his homecoming to have a combined visit with their family members in Hamilton and Toronto.

Coroner Dr. W. M. Wilkinson, of Oakville, declared the deaths were all due to fractures of the skull. An inquest will be held.

Hoover later told Traffic Officer A. R. Smith of Burlington that he did not feel any skid. The sound of the crash was his first intimation.

The spot where the accident occurred was on a sharp curve where highway improvement work is now in progress. It is one of a series of curves which twist and turn most of the way between Oakville and Burlington.

The remains were brought to their cosy little home on Elgin St. Durham on Wednesday afternoon, funeral directors Kress and McMillan conveying them here.

Mr and Mrs Brown and son are all natives of con. 18 and 19 of Egremont Township, where they resided until 16 years ago, when they moved to Durham. Mr. Brown was the son of the late Thos. Brown and is survived by a brother William, Holstein; sisters, Mrs J. E. Truax and Miss Maria Brown, Hamilton; Mrs Andrew Henry, Holstein. Mrs Brown was a daughter of the late Robert and Mrs Henry, and is survived by two brothers, John of Durham and Andrew of Holstein, and four sisters, Mrs Wm. Brown (Nellie), Holstein;

Mrs A. Dane (Agnes), Fort Lauderdale, Florida; Mrs Martin (Maggie), Spokane, Washington; and Mrs Will Clark, (Jessie), Durham. Mr and Mrs Brown were married so tragically taken, one son Allan on a farm on 22nd con., Egremont and daughter Mary, Mrs Geo. McCulloch of Toronto, survive. There are also three grandchildren. Mr and Mrs Brown were members of Knox United church and were regular in attendance. Mr. Brown was also active in Women's Institute Society, and South Grey Agricultural Society. To know the Browns was a pleasure and their home was a most hospitable one. Mr. Brown was 64 years of age and Mrs Brown was 61 years, while the son Edgar was nearing thirty years of age. He was an exemplary young man and an experienced and careful driver, having frequently driven to and from Florida. In recent years he has been at home a few months at intervals, having been employed in Florida, Detroit, Toronto and elsewhere.

Thus a happy holiday has been turned into a deep sorrow and the most tragic event that has come to Durham for many a day. Mr and Mrs Brown were pupils in old S.S. No. 12, Egremont, of both the Senior Editor of Review and Mrs Ramage, and they feel the loss keenly of two tried and true friends.

On Wednesday night the annual fowl supper of Knox church held the centre of attraction to many and the savory fowl and all its accompaniments were again tested and found to be the equal, if not an improvement on previous years. The service was equally as good as the cuisine. Owing to the tragic deaths of members of the congregation, the evening before, it was felt by some that the supper should be postponed but looking at the supper from a reasonable viewpoint with fowl, etc. all prepared for the oven, it was deemed wise to carry on and dispense with the program in the auditorium, which was done. Something over \$100 was realized.

THE ELUSIVE DEER CAUGHT IN NORMANBY TP.

A party of hunters from town, including J. C. Howell, Geo. McLaughlin, Andy Voisin, Mack Graham, and F. T. House were in northern portion of Normanby township on Monday and brought back to Durham a very fine 11 point buck and another good sized deer. While deer are considered fairly numerous in South Grey, they are also somewhat difficult to land and it takes a fairly good hunter to bag any. The prediction is that there will not be a heavy sacrifice in Grey this year. The same party went out again on Tuesday, but were not so fortunate.

HYMENEAL MUNRO-CLARK

A pretty wedding was solemnized at United church manse Paisley, on Saturday, Nov. 16, when Eula Jean, daughter of Mr and Mrs Walter Clark N. Bentinck became the bride of Hugh J. Munro, son of Mr and Mrs A. Munro, Elderslie. Rev. R. E. Morton officiated.

The bride looked lovely in midnight blue silk velvet, cut on long lines, with matching hat and shoes, and wore the gift of the groom, a diamond pendant. Miss Anne Munro sister of the groom was bridesmaid and wore a gown of brown silk lace over satin with matching hat and shoes. The groom was attended by his brother Mr. Herbert Munro.

After the ceremony the young couple and attendants returned to the home of the bride's parents where a bountiful wedding supper was served. The three storey wedding cake, work of the bride, adorned the table.

Later the young couple left on a short honeymoon, the bride traveling in a gown of rust crepe, matching hat and Hudson seal coat. On their return Mr and Mrs Munro will reside on the groom's farm near Paisley.

First Trout for Grey Hatchery

The first shipment of fish was received at the new Grey County provincial hatchery in Sullivan township, southwest of Chatsworth, on Wednesday and have been placed in one of the rearing pools by Mr John Jones, provincial fish hatchery engineer, who is in charge of the construction of the hatchery. The fish, roughly two and a half years old are splendid specimens, some of them measuring 15 inches in length. Many are of the Lake Nipigon breed, among the best to be acquired. The hatchery received 650 trout.

These fish will be sufficient to give a goodly supply of eggs for the hatchery next fall. At two to three years of age, it is estimated that a female speckled trout will deposit 500 to 600 eggs. The eggs of the young trout are found to give a greater percentage of fry than those from older fish.

Christmas is only five weeks away.
