Dressed Poultry wanted! Last buying date, January 14th at Pike's Restaurant. Highest prices paid. — Mount Forest Creamery.

Douglas Turner, son of Jas. Turner, Upper Town, broke his arm on the mill dam Monday, when he accidentally fell while skating.

### L. O. L. Annual Meeting.

Durham District L.O.L. will meet in their lodgerooms, Durham, Thurs. Jan. 9th, at 8 p.m. Be sure to keep this date in mind.

### Changes Posts

Gordon A. Sinclair, whose experiences and writings as a "foot-loose reporter" for Toronto Daily Star, have made him world-famous, has joined the staff of the MacLaren Advertising Company, Limited, Toronto and Montreal.

Bishop Farthing of Montreal, recently celebrated the fiftieth anniversary of his ordination, his first pastoral charge being Trinity church, Durham. The Presbytery of the United church at Montreal, conveyed to Bishop Farthing their official greetings, the delegation including several important ministerial brethren of the United church in that Presbytery.

Canadian Greys Chapter, I.O.D.E. held their annual Christmas dance Friday evening last, when a goodly gathering entered into the festive spirit of the time. The Walkerton orchestra supplied good music. The decorations were the proverbial holiday red and green, and refreshments served were also those of the season. About \$700.00 were the receipts.

### Durham Girl Wedded

The marriage took place in Perrysburg, Ohio, on Friday, Dec. 27th, of Miss Dorothy McFarlane, only daughter of Mrs. and the late D. B. McFarlane of Durham, to Mr. Allan Hammer of Neustadt. They spent a short honeymoon in Detroit, and at her home here on Monday, and have taken up residence in Neustadt.

### Rusty Pipe Causes Damage.

On New Year's eve, or rather about 3.00 a. m. Wednesday, while the Dr. D. B. Jamieson household were in their beds, an unwelcome sound, as of a burst pipe connection, came from the bathroom. Investigation proved this to be a fact, one of the water-pipes having been eaten through with rust. The gush of water was ankle deep in the room before the flow was checked by plumbers.

### Present Fine Play

Queen Street United choir again presented their Christmas cantata music, "Chimes of the Holy Night" on Sunday evening last. The numbers were sufficiently varied in style and rhythm to make the musical evening a pleasure to listen to. Mrs. M. Wilson, Miss Norma Gagnon and Mr. A. Stauffer had solo sections and the male chorus, "Let us now go even unto Bethlehem" was an especially good number. Miss Kathleen Milne, pianist, had a busy evening.

## Silver Wedding Anniversary

On Friday evening last, at the home of William and Mrs MacDonald about thirty friends and relatives gathered to mark the 25th anniversary of William and Mrs Moore, former residents of Durham, now of the 18th con. of Egremont.

Mrs Moore is slowly recuperating from a serious illness and the evening was spent in a quiet social manner. The honored couple were wedded in Walkerton 25 years ago, and these intervening years have been spent in Durham and North Egremont, the 15th con. being the boyhood home of the groom. Mr. Allan Bell at an appropriate time expressed the feelings of the gathering toward the Moores and the pleasure it gave them to be with them on this occasion. Kenneth MacDonald and Norman Lawrence presented them with a silver tray, cream, sugar, salt and pepper as a remembrance of the happy occasion. Mr. Moore in a short speech expressed the thanks of himself and wife for kindness extended to them.

MR. AND MRS. ROBERT RENWICK, SR., Durham whose 60th Wedding Anniversary was on December 29th. It was celebrated on New Year's Day.

## DIAMOND WEDDING RECEPTION

On New Year's Day, a steady stream of callers wended their way to extend greetings to Mr. and Mrs. Robert Renwick, Sr., at their home on Lambton St., on the occasion of having attained sixty years of married life. All who attended were delighted to see the much-esteemed couple in such a happy setting, with seven of their eight children surrounding them. The absentee was James, teacher at Westlock, Alberta, and conditions made it impossible for him to be here though present in spirit.

The home was beautifully filled with potted plants and cut flowers. The two daughters of the home saw to the comfort of the guests, the sons also assisting in entertaining. The dining room table, from which refreshments were served, was presided over by Mrs. Renwick's sister, Mrs. Geo. Cushnie, of Mount Forest, who poured tea. The table was an attractive setting of lace cloth, cen-

tered with a large bowl of bridal roses. Assisting in the dining room were Mrs. T. McIntyre, Dundalk (niece of Mrs. Renwick); Miss Jean Renwick, Penetanguishene, (grand daughter); and Mrs. John Renwick, of Toronto, (daughter-in-law).

At the noon hour of the same day, twenty-five of the immediate family sat down to a family dinner, and the good wishes and felicitations from the friends combined with the devotion of family members, will stand out as a loving tribute and memory to Mr. and Mrs. Renwick in the days to come.

The same evening, eight old friends from Dromore came to the Renwick residence, to fraternize with the parents and children gathered on this occasion. The departure of the Renwicks five years ago from Dromore, left an "aching void" that has not since been filled.

## Findlay's Dairy Won Opening Hockey Tilt

In a wide-open hockey exhibition, Findlay's Dairy team of Toronto defeated Durham's Int. O.H.A. entry here Friday night 10 to 9. Nineteen goals is a big count in any game, but both teams let loose in their forays for goals, and the defence was frequently aiding in the attack, when their opponents would break away.

Findlay's play Class A. Int. O.H.A. hockey in the Toronto Hockey League and presented a stalwart and smooth-skating octette, who exhibited some neat forward passing, and more systematic drives on the nets, than the locals. They had only two subs, four good players being unable to come. On the other hand, Durham had ample relief reserves, with an even dozen players in action, but had little condition, while the Toronto boys after a month's play, were in good form.

Much interest centred locally on the showing of the two new additions to the local squad—G. Rennie now of the Public School staff, and H. Cassidy, formerly of Oakville, now employed with the Durham Furniture Co. The general opinion is that both will fit in well with the team, playing centre and wing positions.

From a scoring standpoint, Raybould with 4 goals and 2 assists was the big noise. His stick handling was effective though Durham might have counted more, had he fed passes to his wings more frequently. Elvidge, 2, Cassidy, Rennie and Dean were the other local marksmen.

With the Toronto boys taking the only goal of first period, it appeared a tight game was on. In the 2nd, however, goals came faster, each team counting 3, making it 4-3 for the visitors. The goalies had a hot time of it in last frame, 6 pucks went past each, and they came in bunches. Findlay's took first 3, Durham 2, Findlay's 2, Durham 3, and finally 1 more each. It was a hectic session, but with lots of life and action, was a great crowd-pleaser. Martin Lauder was the referee.

Many Durham friends and quite a number from Dromore and vicinity, their old home, greeted Wallace and Hugh Findlay who came up with their team, and to whom the locals are indebted for providing a good

work-out game.  
Durham: Goal—J. Schütz; defence—McGirr, Ken Wilson; centre—Raybould; wings—Elvidge, Cassidy; alternates—Dean, Rennie, E. Schütz, R. McGirr, N. Tucker, F. Bolger.  
Findlay's: Goal—Ramsay; defence—Gerrard, Boewcoot; centre—Nevins; wings—Brown, Thompson; alternates—Doyle, O'Hara.

## Durham 10, Arthur 2 In First District Game

With a big edge in the play, Durham's O.H.A. entry gave Arthur a 10-2 trimming on their home ice Monday night, all the players showing an improved brand of hockey over Friday's exhibition here. As J. Schütz, regular Durham goalie, had his knee injured in Friday's game, Ernie McDonald, former net guardian was back in action and turned in a fine game. The score sheet tells the tale:

**FIRST PERIOD**  
Durham—Elvidge (Dean)  
Durham—Rennie  
Durham—Dean (Raybould, Elvidge)  
Durham—Raybould (Dean)  
Durham—Raybould (Dean)

**SECOND PERIOD**  
Durham—Cassidy (Moses)  
Durham—Cassidy (Rennie)  
Arthur—A. O'Neill  
Durham—Elvidge (Raybould)  
Arthur—Marshall  
Durham—Rennie (Wilson)

**THIRD PERIOD**  
Durham—Cassidy (Rennie Moses)  
Arthur—Goal, Gamble; defence, A. O'Neill and Hefferman; centre, Donald; wings, Marshall and Doyle; alternates, Driscoll, W. O'Neill, Bruce and Murphy.  
Durham—Goal, McDonald; defence McGirr and Wilson; centre, Rennie; wings, Moses and Cassidy; alternates Raybould, Dean, Elvidge and Schütz. Referee, C. Talbot of Preston.

### MILVERTON HERE FRIDAY

Durham's first home game is against Milverton at 8.15 Friday night, and the locals will have a keen contest as Milverton has a stronger team than last year. They have been unfortunate to lose twice by one-goal margins only, and will be anxious to record their first victory here. Come and see them go!

## W. A. MacDonald is Durham's New Mayor

With Mayor Kress retiring from municipal life, for the present at least, Mr. Wm. A. MacDonald, one of the four nominees Monday night, qualified Tuesday and becomes Durham's mayor for 1936 by acclamation. Reeve W. S. Hunter was also returned without opposition, and Public Utilities Com. Guy S. Kearney. The Councillors also by acclamation are the same as last year—J. B. Duffield, Bert Stoneouse, Cameron Lauder, Geo. McKechnie, W. R. McGowan, with one new man, Donald McQueen, taking W. A. MacDonald's place.

There were four Mayorality nominations—W. H. Kress, Bert Stoneouse, J. B. Duffield, W. A. MacDonald.

There were 12 nominated for council—the six above elected and Robt. Hughes, Roy Lawrence, Dan McCallum, Fred Murdock, Cliff Ritchie, W. A. MacDonald.

For School Trustees, J. S. McIlraith, R. M. Sparling and Art McGowan were elected by acclamation also. John McGowan and Alfred Sharpe were also nominated.

Nomination meeting Monday night was a very quiet affair, with no discordant note or criticism, and only sixty present.

Retiring Mayor Kress, first speaker, stated the reunion to be the major event in Durham's history, and told how the town had been improved because of it. \$2845 has been the town's share for relief since Jan. 1932, but the town has received 11,623 hours labor for this outlay.

Coun. Stoneouse said no one could find fault with present council. All knew what others had done in town business. He was not in field for Mayor.

Coun. Duffield told of the budget system introduced, and how the different Committees had kept within budget or spent a little over. He stated arrears of taxes must be cleaned up or properties would be sold, if over 3 years' arrears. Those in business who can't pay taxes should get out of business, as they are unfair competition to those who pay.

Coun. MacDonald told of improvements made to Town Hall basement and grounds surrounding. He would see later what he would do about qualifying for Council or Mayorality.

Reeve Hunter spoke of County matters. Grey is in excellent financial shape, "the second best off county in the province". Municipal Officer Cummings had stated. The County now "pays as we go", and banks in Owen Sound, Meaford and Markdale all wanted to lend money to County. Grey had now no bank loans, had wiped out a \$41,500 overdraft of 1934 but it would be two years yet before County rate could be reduced, as hold over of Gov't highway costs in 1932 and 1933 was spread over three years. He had found co-operation and harmony both at County Council and Town.

Returning, Mayor Kress said he hoped to see Council adopt some sidewalk building program next year, and while not intending to qualify, hoped to be able to serve again in future.

### JUNIOR SCHEDULE DRAFTED

## WHILE BELLS ARE RINGING

By Lalla Mitchell

Across the snow the New-year bells are ringing  
Their message of good cheer,  
And to each heart the joyful promise bringing,  
Behold another year!

Another twelvemonth for a new endeavor,  
Another season for our best intent,  
Thank God the tolling bells closed not forever  
The chance to do the things we really meant.

Across the snow the New-year bells are ringing,  
And in each note we hear  
The promise of an angel chorus singing  
A birth-song sweet and clear.

New-born ambition, hope and good intention,  
New-born resolve to help our fellow men,  
New-born the dreams, too sacred e'en to mention,  
Save as we breathe them for our God to ken.

Across the snow the New-year bells are ringing,  
Their message of good cheer,  
And somehow surcease they at last are bringing  
To griefs of the old year.

Repentance and regret last not forever,  
What was we may not hope to blot away  
With all our tears, but in a new endeavor  
We win forgiveness on this New-year's day.
