AROUND ABOUT US

A Paisley man, summoned to court at Walkerton to answer a charge of operating his car while his driver's license was under suspension, travelled to court in his car. Is that "rubbing it in"?

The hydro rates in Hanover at the present time are less than in many Canadian cities.

With a total amount of taxes to be collected for Tara for 1935, of \$6,490.28, the tax collector reported at last meeting of council that \$6,395.58 had been received. The collector also announced that he expected to have every cent collected within a few weeks.

David Forester of Paisley, clerk of the county of Bruce, has been made a King's counsel.

They must drink more beer in Arthur than in Harrison. The village of Arthur received a cheque for \$180.02, while Harrison's cheque from the Liquor Control Board was \$147.25.

Mr. Sam Bailey of Collingwood, is reported to be having a laugh on his friends who found fun in jibing at him because a customer brought back a "crooked" cent he had given him in change. Sam took it all. Now he laughs. The coin was of antique date and he sold it for an even five dollars.

Hanover town Council has two representatives of the Hanover "Post" printing office on its personnel, in Councillors, Clayton Shaus and Bert Scarborough. The "Post" this year should publish a good municipal department.

It is somewhat pathetic to think that Charles Lindberg with wife and son find it necessary to leave their native land to secure that peace and freedom they hunger for. While the world may admire Lindberg's ability to cover the heavens, there are few who want to be in his shoes to-day. The something he craves for most,—privacy, is denied him, and the haunting fear of having the second son kidnapped, is ever with them.

The Women's Institute will meet Thursday, Jan. 9th at 2.30, at the home of Miss Lizzie Mather. All ladies are invited to attend.

The fine Christmas tree erected in front of the monument, is still a source of pleasure and admiration in its beautiful shape, display of colored bulbs, surmounted by a five-pointed star, with a bright, golden centre. The tree itself was furnished by Mr. Neil McLean, and erected and trimmed by him and Mr. Chas. Aldcorn. You ought to come out and see it. This fails to do it justice.

Mrs Ramsdell of New York City, while on a short holiday visit to her brother, Mr. John Stothart, was a worshipper at St. Columba on Sunday and met with many warm salutations, and happy New Year wishes.

Mrs John McFarlane, Toronto, is a merry season's visitor at the home of her parents, Mr and Mrs C. A. McLean. Her brother Innis is also a visitor at his home.

Mr and Mrs W. W. Ramage spent a pleasant Christmas at the home of their daughter, Mrs Stanley Williams of Egremont, where a family reunion of all who could come, was held. No one any the worse at time of writing.

The skating rink has at last been flooded. The quickest way was found to be by an application of over fifty barrels of water from the river. The well will now suffice for any fresh flushing. The lighting from the rink and the Christmas tree adjoining, is a sight of wondrous beauty. Dear reader, come and have a skate!

A watch-night service is to be held jointly in the Presbyterian Church, beginning at 11 p. m. Tuesday, Dec. 31st. Rev. J. W. Johnston will deliver an address and other talent will be on hand.

The four stores in town have done a fairly good business in holiday goods, etc.

Roads are splendid for travelling, and the weather (known to everyone of course) decidedly cold.

The December meeting of St. Columba Women's Missionary Society and Women's Association was held on Dec. 17th at the home of Misses Bertha and Edith James and was well attended. Mrs Johnston was in the chair. The devotional theme was "love divine" and appropriate readings were given by Miss Weir, Mrs Meads, Mrs Ritchie and Mrs McLean. Mrs. Johnston also presided for the election of officers for the Women's Association. The officers for the coming year are President—Miss E. James; Recording Sec'y—Mrs J. Harrison; Corresponding Sec'y—Mrs Ritchie; Treas.—Miss L. Mather. Tea was afterwards served by the hostesses, assisted by Mrs Shortreed and Mrs. McKinnon.

Happy New Year to editor, staff and readers.

Christmas visitors at Mr. Hector McLean's were: Mr and Mrs. Bill Hill, Fergus; Miss Marjorie Webster, Tiverton; Mr Gilray McLean, Kitchener; Misses Annie McKinnon, Jean McLean and C. Marshall, Toronto.

Miss Dorothy Ayr, Toronto, spent a few days at Christmas with her parents, Mr and Mrs Eric Ayr.

Mrs Alex Carson returned home after spending the past week with her daughter, Mrs Art Richardson of Swinton Park.

Mr and Mrs A. L. Hincks and family attended a fowl dinner Saturday night at Mr Wm. Hay's when twenty were present.

Mr Grant Muir is spending Christmas vacation in Toronto.

Miss Almeda Hincks, Toronto, spent Christmas at her home.

On Thursday night a shower was held at the home of Mrs T. Irwin in honor of Mr and Mrs Bradey Irwin. The evening was an enjoyable one and at an appropriate time the bride and groom were asked to come forward when an address was read by Mrs I. B. Whittaker and the present-

SWINTON PARK

Happy New Year to all.

We have enjoyed a wonderful ten days of cold, clear, sunny Christmas weather; first class roads for any kind of conveyance; even good walking. Everyone I think, has enjoyed several Christmas dinners, as there has been much entertaining of friends and neighbors; also many of the absent ones home for Christmas and others away to see their distant friends. Every home its quota.

School and church concerts are over. We enjoyed the school closing concert in Hillside Academy. Mr. Dingwall had the pupils well trained all acquitting themselves splendidly. Most of the pupils are Juniors and their clean faces and bright eyes were good to see, especially when Santa Claus hurriedly stepped in to unload the tree. Over 50 children and 38 ladies were present, notwithstanding chairman Howard Watson was able to control the bunch. Of course there were about 15 quiet men present also, and at the close a splendid lunch was served. As we looked at those eager boys and girls we thought away back to 70 years ago when Jessie Spence taught in the old log school. We think that 16 of the girls and boys, in fact 8 of each are still living but going slower.

We also attended the school annual meeting. Howard Watson was elected to the chair and Robt. Ferris as secretary for the day. The different reports were read, discussed and sustained. Watt Knox was again given the caretaking at a slight advance in salary; James Hardy was the lucky bidder on the wood contract, also at an advance over last year; Bob Ferris was elected trustee in place of Andrew Wright who has served the past three years. There are good and able bachelor farmers on each line who in the coming years will be elected as trustees, thus giving them a chance to help on the education of the young.

Next Sunday Jan. 5th at 2.30 p. m. communion services will be held in the church, then will follow the annual church meeting. Will we all be ready for it?

On Black's pond last Friday there was a game of hockey, Proton Station vs. the BlackBirds. Score 4-1. There is splendid ice now, which is being enjoyed by the young folks.

IN DAYS OF YORE

15 YEARS AGO

Taken from Review file, Dec. 30/20

Howard Heard a young Swinton Park man, was kicked by a horse on Sunday. He was taken to Fergus hospital on Monday where his condition is said to be critical.

The familiar face of Jas. Lavelle, Jr. is seen on the G.T.R. passenger trains this week. He is now conductor and acting substitute for Conductor Tippett who is on vacation.

The nominations here Monday passed off quietly, with an entire absence of "fireworks" such as has marked similar meetings in some recent years. Retiring Mayor Grant was again nominated but retired, leaving Mr. Thomas Allan mayor for 1921 by acclamation. Reeve Calder was again nominated and no other name being presented he also is reeve by acclamation and same has to be said of the retiring trustees, Messrs R. Aljoe, H. Allen, J. P. Hunter, and of the Hydro Commissioner Mr. Geo. Kress who was again re-elected. For Councillors the following are elected by acclamation: John C. Adams, James Lloyd, Wm. McDonald, John McQueen, S. P. Saunders, Dr. J. L. Smith.

Mr. Theodore Leeson, Flaxcombe, Sask., is visiting Mt. Forest and Varney relatives for a few weeks. His sister, Mrs Wilder from Indiana was also a welcome visitor during vacation week.

Mr. A. W. H. Lauder displayed to us a fine new gold mounted and engraved fountain pen which he had won in a contest for writing insurance during the month of November, for his company the Great West Life.

The ratepayers have shown confidence in Bentinck Council by returning all by acclamation. Reeve McDonald and Dep. Reeve Hunt have done good work in their first year, and well earned a second term. The Councillors are: Jas. Turnbull, John Hudson and T. Shewell.

In Normanby the old Council also in by acclamation, Reeve, Chas. Holm; Dep. Reeve, Andrew Filisinger Council, Rich. Barber, W. H. Miller Wm. Owens.

Glenelg Council "stands pat" for another year. Reeve Weir and Councillors Turnbull, Livingston, J. J. Black and Malcolm Black being returned by acclamation.

What is lacking in municipal excitement in Durham and the three adjacent townships is supplied by Egremont where there is keen competition and an all-round contest. Reeve McInnes is not to be given his second term without opposition his doughty opponent of last year Mr John McArthur being again in the field. Six candidates are running for the four council positions: Alexander Allan, Neil Calder, Charles Drumm, Allan McDougald, Gilbert McEachern Robert J. Wilson.
