Won Opening Home Game 11-2 from Milverton

Before a fair crowd last Friday night, Durham and Milverton Int. O. H.A. teams, two old rivals, battled here to a 11-2 decision for Durham. It was quite a changed verdict from the games between these teams in days of yore, when they frequently met in the old Northern league semifinals.

The visitors have retained almost identically the same team that started in former years. Kelterbourne, Elora as well, is greatly strengthened Mohr, etc., and while still crafty and able players, they have lost some of their dash and effectiveness of those days.

In their third straight victory, Durham ran up a record score in Harrison Tuesday, trimming that team 17 to 4 in a stormy contest. Harrison next day threw up the sponge and defaulted, and as return game was advertised here for Friday night, the local management secured the crack Fergus team for an exhibition game.

In Harrison, Durham ran up a 7-0 lead in first period; in middle frame, Durham fell back on defence and the Bronchos scored 4 straight goals. Then Durham ran in 5, and the homers were showing their ire at the drubbing.

In this session the ill feeling broke out into a fight, when Schutz handed Foster a stiff but legitimate body check. Schutz skated away with Pritchard, but a melee broke out among other players, some spectators jumped over into it, and the other Foster took a poke at manager Dr. Burnett, which fanned the flames.

For Durham Raybould, Cassidy and Elvidge, Dean led in scoring with three goals, while Dean counted four, and all except goalie McDonald shared in the scoring points.

Crack Fergus Team Plays Here Friday

Fergus Thistles, the team to beat for the O.H.A. Int. championship this winter, will meet Durham in an exhibition in Durham rink on Friday night, January 10th, which should be a colorful contest.

Fergus team, which draws from Merryfield, Bastendorff, Schueker, with Campbell and McGregor, two of their dash and effectiveness of those days. Their centre player Miller, with Bastendorff and Mohr in the nets, were their outstanding performers.

Next District hockey game here is Arthur vs. Durham Tuesday next. Durham's star winger, I. Elvidge, was not in the game owing to an injured knee.

Chicken Thieves Active at Rob Roy

Some time in the early hours of Wednesday morning, chicken thieves with a truck (it is supposed) called at Mr Wm. Edwards' premises, four miles east of Durham and stole 27 hens, 1 rooster and 18 chickens. To make a bigger clean-up, they also stole a number of fowl from Neil McFarlane's henry just across the road. Their tracks were plainly visible and the truck or car, it is thought, went on east through Priceville. McFarlane's dog was barking furiously early in evening but no one was seen then. Provincial police are investigating.

Perhaps not since its opening day, has the Durham Hospital sheltered a patient who carries the good will and hope for his betterment, more than does John A. Graham. A little over a week ago he was admitted to the hospital, stricken with a slight paralytic stroke.

Mr and Mrs Wm. Caldwell, son Harry, and daughter Mrs Norman Kerr, and Miss Marjorie Caldwell, spent last Friday with Rev. Harry and Mrs Caldwell in Acton.
