Juniors Win from Chesley but Lose to Hanover

DURHAM, 5, CHESLEY 2

Two well-matched teams fought it out here Tuesday in a Junior Western O.H.A. fixture, when Durham won out 5 to 2 from Chesley.

The visitors were a smooth skating bunch but not effective around the nets.

Durham had a clear margin on the play in first period, scoring 3 to 0, while Greenwood hadn't a difficult shot to block.

Durham had a lucky shot from near centre, which struck Liebeck's leg and was deflected in nets.

Phillips, one of Chesley's best, scored on a pretty rush, making it 3-2, and Durham's hopes started to slip.

A change in Durham line-up was made, Bert Lawrence going on defence with R. Noble, and J. Noble moving up to left wing.

Pickard of Chesley refereed and missed considerable, especially Chesley infractions.

Durham: Goal, Greenwood, defence, R. Noble, Lawrence; centre, McGirr; wings, J. Noble, Seabrook; Subs, Saunders, Goodchild, Braithwaite and Falkingham.

Chesley: Goal, P. Graper; defence, B. and A. Phillips; centre, A. Graper; wings, Fenton, Thompson; subs—Liebeck, Murphy, Ebel, Best, Hanover Ripsaws took return Jr. Game

HANOVER 7, DURHAM 4

For three quarters of the game last Thursday night, it was a battle royal between Durham and Hanover's smart Junior Western teams, but in the final 15 minutes the visitors asserted their superiority and ran in 3 deciding goals to clinch a 7-4 verdict.

The crowd here was mostly from Hanover, that rinkless town sending 150 or more rooters with their allegiance.

The Rip-Saws are a heavier team, and playing together now for three seasons, have a decided edge in experience over Durham's newly-formed squad.

The Durhams were just as aggressive, but some of them were inclined to pay too much attention to the man rather than the puck, and graced the penalty box more frequently.

Another Rip-saw, who startled the fans was Damm on defence. A solid and heady player, he uncovered several bursts of speed and was a dangerous rusher.

Durham at times flashed some clever plays, notably Saunders goal at nets from Goodchild's pass; McGirr's nice stick work in working in to score after Seabrook's pass, 15 sec. after 2nd frame opened; and McGirr, Seabrook and R. Noble's valiant defence in holding the Hanover five scoreless while Lloyd and Lawrence were benched.

For a new to go south to find entertainment, Canada may be our 'Lady of Snows' as our late lamented friend Kipling, terms her, but who would wish her different? She has a personality all her own and nobody can give her the inferiority complex attitude.

Just wait until July comes round and watch our friend John Lodwick mop his brow in St. Petersburg!

WATCH RED FOX AT PLAY Red foxes, are becoming quite scarce in Dundalk district, but Alex McPherson of Proton township, saw an unusual sight on Tuesday morning when two were playing near his farm home.

HAS NOTHING ON CANADA

The 'John Lodwick News Service' of St. Petersburg, Florida, have sent the 'Review' (and we suppose every paper in Ontario) a detailed list of Ontarioites holidaying in that southern metropolis.

The portfolio goes on to say that 'Canada's great tourist club, one of the largest in the Sunshine City, is a mecca for Dominion residents in this summer-like resort,' and so on.

We must give credit to John Lodwick for his enterprise in broadcasting his city for the benefit of Canadians who have not visited Florida. But that is as far as it goes.

The bulletin reads this way: 'While Dominion friends at home are battling snow drifts, ice sidewalks and all the discomforts of winter time, thousands of Canadians have migrated to the great colony here from across the border where they are enjoying something of winter seasons with going on every day in the warm outdoors.'

How do you like that from John? Let us tell him that we do not have to go south to find entertainment. Canada may be our 'Lady of Snows' as our late lamented friend Kipling, terms her, but who would wish her different? She has a personality all her own and nobody can give her the inferiority complex attitude.

Just wait until July comes round and watch our friend John Lodwick mop his brow in St. Petersburg!

WATCH RED FOX AT PLAY Red foxes, are becoming quite scarce in Dundalk district, but Alex McPherson of Proton township, saw an unusual sight on Tuesday morning when two were playing near his farm home. It is a rarity of late years even to see one, though Sam Goldman, Dundalk fur buyer, purchased seven shot by G. Fisher of Rock Mills district.
