PRICEVILLE AND VICINITY

PRICEVILLE

The funeral of the late John Brown was held on Saturday afternoon. Service was held in St. Andrew's Presbyterian church and was conducted by Rev. N. MacDonald assisted by Rev. J. W. Johnston, who led in prayer. Deceased has not been enjoying good health for some time, but was able to be up and around. Wednesday he grew weaker and passed away some evening at midnight. He was of a kind and friendly disposition and was held in the highest esteem by everybody. The pallbearers were: C. A. McLean, Alex Carson, Dave Hincks, Dougal McDougall, Farquhar McKinnon, Sandy Stoussure. Interment was made in Priceville cemetery.

Mr. Murray McMillan went to Toronto, Saturday to visit friends. Miss Mary Mather is assisting in the home of Mrs. Archie McKechnie. Mr. Innis McLean returned home from Toronto. Mr. Joe Harding returned to the West after visiting friends here. Miss Marjorie McLeod R.N., returned home on Saturday night, after spending past two weeks nursing Miss Minnie Simpson and glad to report she is much improved.

Mrs. Chas. McNally isn't enjoying very good health and is under Dr. Milne's care, Miss Loretta Turnbull is assisting in the home. Mr. Angus McArthur is sporting a new car. Mr and Mrs D. L. McArthur and little daughter visited Saturday at Mr. Thos. Nichol's. Mr and Mrs. Bradley Irwin spent the weekend with Mr and Mrs J. A. MacCuaig.

A number from here went to Eugenia on Sunday to see the skiing. Messrs Edgar and Maurice McLeod of Swinton Park, visited Sunday at Mr. Henry Tucker's. Mr. Robert Stephenson spent the weekend in Markdale. Miss Margaret McArthur visited Sunday with Miss Donald Nichol. Mr and Mrs F. R. Oliver and Miss Agnes Macphail attended the funeral on Friday of the late Jack Lawson at Durham. Mr. Neilburt McKenzie visited on Sunday with Mr. Bert Irwin, 4th line.

Mr. Donald Campbell received word that his cousin Thos. L. Rawson, 94, an old timer of the West, had passed away, Monday at the home of his son, Thos. Linton, Jr., Ochre River, Man. The funeral was held Wednesday at that town. Mr. Rawson's parents, John Rawson and Esther Linton came from Yorkshire, England to Canada in 1811 and settled at Muddy York, now Toronto. Born at Clarendon, Ont., Aug. 1842, Mr. Rawson was the third youngest of a family of 12, 8 girls and 4 boys. When Mr. Rawson was still a child the family moved to Walkerton. There he spent his youth and received his education, being well known as an athlete. Married in 1870 to Mary Bull of Priceville, he took up residence in Priceville and remained there until 1892. In that year he moved with his family to Manitoba and took up a homestead in the Grand View district, where he farmed until his wife's death in 1918. Since then he has lived with his youngest son, Thomas Jr., near Ochre River. He was a Conservative in politics. Besides the son with whom he resided, he is survived by a daughter, Mrs E. Stevenson, Kelvington, Sask., and two other sons, Wm. J., Brandon, and George, Flin Flon; also 26 grandchildren and 6 great grandchildren. Many of the older residents of Priceville and vicinity will remember him.

The World's Day of Prayer will be held on Friday in St. Andrew's church. Messrs Alex and Stuart Carson visited Sunday at Swinton Park, Stuart remaining. At a managers' meeting recently it was decided for all those who could bring a load of cut wood for the church, would be greatly appreciated. Mr Bob Moore and family of Vandeleur, moved last week to the farm of Mr. John F. McDonald.

Startlingly sudden was the death of Mr. John Brown on Wednesday evening, Feb. 19th at the home of Miss Mary McEachern where he stayed during the winter months. For several years badly crippled with rheumatism, yet always a fairly regular attendant at church services. The funeral took place today, Saturday, from the undertaking establishment of Mr. W. G. Watson, to the Presbyterian church. The service was conducted by Rev. Norman McDonald, pastor of St. Andrew's. The High School pupils attending at Flesheron have during the past week, five at least, remained over there during the prevailing bad weather.

It is reported that Mr. Jno. McLean while cutting ice, got an involuntary ducking. He was promptly assisted. 'Tis hard to keep a good man down anyway. The W.I. will meet at the home of Mrs Johnston (parsonage), Thursday, March 5th at 2.30. A paper on "What our aim in life should be," will be given by Miss Belle Weir. Lunch committee, Mrs McBride and Mrs McKee. All ladies are cordially invited to attend. The hockey clubs of Dromore and Flesheron played on Friday evening here, resulting in a score of 2 to 1 in favor of the latter. Owing to bad condition of the roads, 'twas near 10 o'clock ere the arrival of the referee from Dundalk, and the start of the game, which has been termed classy throughout. The attendance at both churches yesterday was good, owing partly to the improved condition of the roads. At a recent meeting of the W.A. of St. Columba church it was decided to honor the good old St. Patrick, by having the usual celebration of the 17th of March. Further notice later. The women's day of prayer will be held in the St. Andrew's Presbyterian church on Friday Feb. 28th at 2.30 p.m. All ladies are urged to request to attend. Miss Winona Paton is a welcome visitor in our town at present, with her aunt Jimma Wright and other friends. Mr. Innis McLean is home for some three weeks from Toronto at his parents here. Miss Simpson is improving satisfactorily from her recent attack of pneumonia. Nurse M. McLeod left the first of the week. The Feb. meeting of St. Columba W.M.S. and W.A. was held on Wednesday the 19th, at the parsonage. Mrs Johnston presided. The devotional theme was "The spirit of Jesus at work". The second chapter of our study book on Africa was given by Miss B. Weir. Mrs Johnston and Mrs Harrison sang as a duet, a negro spiritual "Lord, I want to be a Christian." The Women's Association under the leadership of Miss E. James, discussed general business and made plans for future activities, first and foremost among them being an Irish supper and entertainment on March 17th. A responsible committee was appointed to make arrangements and to keep the matter foremost in the public eye, so that no one shall say it was unbeknown to them. At close of the meeting lunch was served by the hostess, assisted by Miss James and Mrs. Harrison.

IN DAYS OF YORE

15 YEARS AGO Taken from Review file, Feb. 24/21 Mild weather has marked February so far, keeping up the record of a mild winter. Yesterday a soft snow fell, refreshing the sleighing. The Men's Class being conducted Sunday afternoons in the theatre seems to be filling a want judging by the increasing interest shown week by week. Mr Smith's aim is to show that the solution of the present day social problems is to be found in the Bible and in Christianity. Meetings are entirely undenominational. All that remained mortal of the late Mrs. John Weir was laid to rest in Trinity church cemetery, Thursday last amid many tokens of love and respect. Mr. Wm. Laidlaw has been appointed issuer of car licenses for the South Riding of Grey County. Last week a deal was concluded by which the historic Hunter farm passes out of Hunter hands to that of Mr. Thos. Young of Normanby. The farm originally, 100 acres, is now some 7 of 8 acres less owing to sale from it of town lots and the residence and orchard which Mr. Hunter retains. Mayor Allan has accepted an offer from Mimico School Board to take the position of Supervisor of their school during the illness of the official now on charge. No teaching is required of him but he has the oversight of 17 teachers. Mr and Mrs Albert Keller, who have been with her parents, Mr. and Mrs. S. Patterson, 2nd con. of Glenelg, are leaving April 1st to manage the farm of his father, Mr. Julius Keller, south of Varney. Mr. Will Patterson will remain home from Sask., to assist his father on the home farm.

25 YEARS AGO Taken from Review file, Feb. 23/11 Mr. Morley of Iowa, President of the Binder Twine Co., with which Messrs James Allan, Pettigrew, J. Staples and others in their part have been employed for some years, was in town on Fair day, his son also in the business, was with him. They are guests of Mr Allan during their visit here and are favorably impressed with the country. After being almost a year without a minister, the congregations of Latona and Rocky Saugeen, with the newly-included congregation of Williamsford, met in Latona Presbyterian church, Dornoch, last Wednesday and extended a call to Rev. N. Stevenson of Rathwell, Man., to become their pastor.

SWINTON PARK The weather is very mild this Monday morning. The ladies are hoping for a thaw, as soft water is very scarce, after three months of steady cold weather. Yet we in the Park have not suffered much. We think the steady cold has been beneficial to health. In this locality we have not had any extreme frosts; about 25 below, at times; neither have we had severe blizzards. The roads have never been blocked, although not good at any time. Everyone going about their business in the usual way. We read so much in the papers about cold and storm, and now in many places, worrying about a flood. We are thankful we live where floods are unknown, and the Saugeen will carry away all the water. Mr Neil Phillips of Boothville last week received the sad news of the death of a sister up in the mining fields of Ontario. He immediately left by train to attend the funeral. We are very sorry to hear that Mrs D. Reddick (nee Mildred Porter) was very sick over the week end. Dr. Carter of Guelph was in attendance. Also Mrs George A. Black has not been enjoying very good health. We hope soon that both may be better. Mrs Hardy Sr. is at present with friends in Stratford. Mervin McCannell is working for Jack McMillan, con 14. Stewart Carson of Priceville is assisting John Lane in the bush. Mr W. O. Dingwall, teacher, intends going to Toronto Thursday and Friday of this week to write some exams. so the pupils will have a long weekend, which will be made up at a later date. Several of our young men journeyed to Eugenia on Sunday to that advertised skiing event. Surely unemployment must be over when it is necessary to take Sunday for such an event. If our Government used their brains, they would not be spending thousands of dollars ploughing roads for such purposes. We fear prosperity is yet a long way off, as we can scarcely expect it while Sunday is used only for sport. A very friendly game of hockey was played on Saturday last between the Junior Black Hawks and the Saugeen Rangers on Black's rink, the Juniors scoring most goals.

Grey and Bruce Annual Meeting The fifty-eighth annual meeting of The Grey and Bruce Mutual Fire Insurance Company was held at the Head Office on Thursday, February 20th, 1936. Mr Daniel Voelzing acted as Chairman in a very capable manner. There was a fair attendance considering the inclement weather. The Annual Report was presented by the Secretary, William Ruttle, and the Report showed two very encouraging items,—first the great reduction in losses, which is largely due to the great vigilance exercised by the Directors, and the amount of money on hand. Mr. D. McKinnon, Chesley, was re-elected President, Mr. Angus McArthur, Priceville, Vice President, and William Ruttle Secretary. The following Directors were re-elected: R. Parslow, Priceville; Henry Logie, Walkerton, R.R. 1; William Glauser, Hanover; D. J. MacDonald, Elmwood, R.R. 3. Mr. Wesley Bradley, Markdale, was the newly elected Director. A vote of thanks to the Agents for their loyal support and also to the Chairman brought the meeting to a close.
