CANADIANS AND THEIR INDUSTRIES-AND THEIR BANK

· FISHERIES ·

BILL: "Yes, Jim, but it helps me to keep goin'

when I think of the thousands of folks we're fishery concerns." JIM: "That's right-fish is important and we're

in a fine big business." BILL: "Wasn't always big, though. The Chief

was tellin' me the other day about how this company started. It seems funny, now. He and his partner figured they would do a whole lot better if they could keep their bait fresh for all-year fishin'. They went to the Bank of Montreal and borrowed on their personal securities to build a cold storage plant. Of course, they soon paid back the loan, because a lot of folks saw what a good thing this business was goin' to be and bought stock in the company. Now look at the business!

JIM: "Bill, do you ever get tired of handling fish, ... But the Chief admitted to me, confidentially, of course, that if it hadn't been for the Bank of Montreal, they couldn't have succeeded, and he said it was the same way with a lot of the other

JIM: "A good story, Bill, and I know it's true, because the Chief told me, too. I reckon he tells most everybody, because he likes to talk about his Bank. It's my Bank, too. I have a savings

BILL: "Have you, Jim? So have I."
