In writing to the Review Mr. McKinnon remarks: "We have just come through what was considered a pretty hard winter, yet we have fared pretty well and have wintered almost 2,000 head of cattle, of which number 500 head are being fed for beef and will start shipping early in April. ## THE ROLL CALL

### JOHN E. MCQUEEN

Two years and three months, after the death of his wife, John E. McQueen passed away early Sunday morning at his residence on Upper Durham Road, at the age of 75 years. Two weeks to the day previous to his death he had been bedfast, and from the first, his condition was regarded as serious.

Mr. McQueen has been a resident of Durham, coming from his native Township of Egremont. His first years in town, Mr. McQueen was a partner in an implement agency with Robert Morice, now of Saskatchewan. Later he identified himself with the late Thos. Barlay in the same line of business. During the boom years of the National Portland Cement Company, he had employment there, doing insurance work as a sideline. The fire insurance business began taking more and more of his time and eventually he put his full time to it. His wide knowledge of Proton and Egremont townships, led him to write insurance in most of these twp. homes and he turned in much new business for the Grey and Bruce Fire Insurance Company.

Forty-two years ago was he wedded to Maggie McQueen of Stayner, and since her death he has been very comfortable at his son Donald's home in town, where he received every care. Mr. McQueen possessed a kindly disposition and would go to a great length to do a kind act or favor if possible for his friends. He was loved in the home circles as well, and the family members are going to miss him. Three sons remain of the marriage union: Alex of Hamilton; Donald, present agent of the Grey and Bruce Company; Edward, of Toronto. One daughter Mary, Mrs. H. Love, Egremont, died in 1930. There also survives one sister, Mrs. Kate McCannel, Toronto and one brother, Neil Alex. McQueen of Boothville.

The funeral was held Tuesday, from his late residence, interment in Durham cemetery. Deceased's pastor, Rev. W. H. Smith of Knox United church, conducted fitting services at home and grave.

The pallbearers were Angus MacArthur, J. C. Howell, John McCannel, Donald McCannel, Findlay Clark, Neil Macfarlane.

Many beautiful floral tokens surrounded the casket, the flower bearers being John and Chas. Macfarlane, Gordon McCannel, Chas. McQueen, Herb Sills, Peter Ramage.

Among the friends from a distance attending the funeral were deceased's sister Mrs. Kate McCannel and daughter Jean and friend, Mr. Gordon Merritt of Toronto; Mr. John Macfarlane, Toronto; and Mrs. John McMillan, Flesherton; Mr. Wm. Ruttle, Hanover; and a large number of old friends from Swinton Park and Dromore.

### ROBERT H. LEDINGHAM

One more of the well-known families bearing the name Ledingham, has passed from this busy world, to answer the higher summons, in the death of Robert H. Ledingham. The final illness was brief, extending from Saturday to Thursday and this sudden break-down of the heart, at the age of 67 years, leaves the wife and family sorely bereaved.

Mr. Ledingham carried the name of his pioneer father, —Robert Ledingham, and was born on the 8th con., Bentinck, in 1869. Of a one-time family of six brothers and sisters, there now survive but one sister, Mrs. A. C. McDonald, Crawford. Three brothers, John, William and James and one sister, Nellie, Mrs. Peter Morrison, have predeceased him.

In 1897, he was wedded to Jessie Bell Boyce, daughter of another pioneer Bentinck family, who survives, with three sons and one daughter, viz: Bert, Pincher Creek, Alta.; Percy of Bentinck; John, Durham and Jessie, Mrs. Howard Lawrence of Hutton Hill.

Mr. and Mrs. Ledingham purchased the former George Meikle home on Queen St. in 1928 and have since been respected residents of Durham. We might say, that retiring to Durham, did not necessarily mean retirement from work for Mr. Ledingham. His greatest pleasure was to be kept busy and he frequently went out of his way to do a kind act for a friend or neighbor.

Many homes in town will substantiate our statement, when we say there was never a better or more conscientious workman. His work was never half done and he generally gave overtime service. He was splendid company to have in your home, and was never afraid of expressing his own views on any subject, let the chips fall where they may.

Deceased was a staunch upholder of church union and a regular attendant at Knox church. Fraternally he was an Oddfellow and an Independent Order Forester.

The funeral was held over to Sunday to allow the son Bert to travel from Alberta for the last rites. The public service was held from Knox church, which was filled to overflowing with friends and former neighbors from Welbeck. Rev. W. H. Heift, John Hodgson, Jim Crutchley, Wm. Bourne, James Ledingham and A. C. McDonald. The Independent Order of Oddfellows attended the funeral service in a body, and conducted their beautiful service at the grave, following the burial service, in Durham cemetery.

The friends from a distance were: Mr. and Mrs. Archie McDougall, Mr. and Mrs. John McDougall; Messrs. Neil and Norman McDougall, Misses Katie and Elizabeth McDougall and Walter McDonald, Walter and Helen Boyce and W. Douglas of Hamilton; Mrs. S. Oliver, Messrs P. McCollum and Geo. Ledingham of Owen Sound; Mrs. McCullum, Chatsworth; Mr. and Mrs. K. McCaslin, Tara; Mrs. L. Ferguson, Conn; Mrs. Walters, Mt. Forest; Mr. and Mrs. R. Taylor, of Brant.

The floral tributes brought their own message of sympathy and were many and beautiful.

### ANDREW DERBY

Following an illness of a few months from heart trouble, the death occurred early Tuesday morning, March 24, of Mr. Andrew Derby at his late residence, Hanover, Ont., in his 69th year.

Formerly he was a resident of Hampden, the only son of Andrew and Janet Derby of the old family home there. When he grew up to young manhood he engaged in farming for a number of years, also launching out into the drover business as well. Later he built a home in Hanover and became very interested in the affairs of the town, also an active church worker, being an elder in St. Andrews Presbyterian church for many years. A number of years ago he was forced to undergo a serious operation from which the strong robust man of former years was left a nervous wreck the remaining years of his life.

In 1894 he was married to Miss I. Hughes who survives him together with six children: John, his father's faithful attendant at home; May, Mrs. David Patterson, Dobbington; Willie at Hamilton; Helen, R.N., Mt. Vernon Hospital, Mt. Vernon, N.Y.; Douglas and Donald, Hamilton. Two sisters also survive: Mrs. Richard Ledbetter, Stamford, Con.; and Mrs. James H. Kerr, Varney.

The funeral will be held from the family residence on Thursday afternoon at 2 o'clock to the Hanover cemetery.

### Chesley Wins W.O.H.A. Title

Congratulations to Chesley's smart hockey team on capturing the Int. W.O.H.A. championship, defeating the strong Kaufman team of Kitchener in two straight games in finals last week, 7 to 4 and 5 to 2. Chesley has a home-brew team possessing speed and ability, which has lost very few games this season. We regret Walkerton Juniors lost out in Jr. W.O.H.A. finals to New Hamburg, but if Durham can land that O.H.A. Int. B title, two championships in Grey and Bruce will be a proud record for 1936.

### FOR SALE

On Bruce St., Durham, seven room brick house, complete with all necessary conveniences. For further information, apply to Mrs. John Mills, Durham.

## Int. B Hockey Finals Will Start Next Week

Durham hockey team will have nearly two weeks' respite before entering the finals against either Whitby or Niagara-on-the-Lake. Whitby carries a 1 goal lead, from the first of their goals-to-count series Monday but that determines nothing, and the second game Thursday in Niagara Falls will settle all doubts. President Dr. D. B. Jamieson and a couple of the local players saw the first game played in Oshawa and believe Durham should have good prospects against the winners.

With the mild weather ruining ice in Durham rink, the local boys realize the need of keeping in condition for the finals, and through the influence of Edwin Allen, sporting editor of the Mail & Empire and generosity of the management of Maple Leaf Gardens, Toronto, Durham team has been granted the free use of the artificial ice at the Gardens for two practices there this week. The boys went to Toronto, Wednesday morning, practising from 12 noon to 1 p.m. and will practise there the same hours on Friday also.

Dates of the final series—best 2 out of 3 games,—have not yet been set, but first will almost certainly fall on Monday, March 30th, second on Wednesday or Thursday and a third if necessary, Friday or Saturday. Durham's home game will be played in Galt rink. If Whitby wins, their game will be on Oshawa ice; and should Niagara win out, their home game will be in Niagara Falls or Hamilton.

Commenting on the 7-1 Durham victory over Acton here, the Acton Free Press says:

"Any team that battles through a five goal lead and overcomes it deserves a hand and we give it to Durham. Sure the ice was rotten and the rink isn't big and we think Acton got a couple of penalties that weren't deserved, but on the battle Durham deserved to win. It was Acton's first defeat in 21 games but that one extra goal just means that we hang up the hockey sticks in Acton and wish Durham good luck and the championship. It was the biggest hockey upset of the year. With a five goal lead, Acton went to Durham and even that team we believe felt they could not overcome it. But the way they went to work on the handicap and took the bit in their teeth deserves credit and a real share of hockey honors."

"We know we're a rotten prophet. We picked Clinton to beat Durham, and of course Acton to beat Clinton. Our guessing was terrible."

"After the game Raybould came to the Acton dressing room and told the Acton boys that the Tanners were four goals better than Durham any time. The same Durham player said he was ashamed to take the game, under the conditions of play. Real sportsmanship, anyway."

"Well, so long, Durham! We know how you feel about it. We felt that way on Tuesday, too. But today we have your Tuesday feelings. And that's no Irish, either."

## Whitby Leads in First Game, 5 to 4

The Int. B hockey race is now down to three teams, Whitby, Niagara-on-the-Lake, and Durham. The former teams are playing off this week, the winner to meet Durham in the finals for Ontario championship next week.

Whitby won the championship last year, but in the first game Monday night, in Oshawa, they defeated Niagara-on-the-Lake Hornets by 1 goal only, 5 to 4. Niagara may easily overcome that slim lead in the second game at Niagara Falls to-night, Thursday. Art Randle, a former pro scored the two winning goals for the Whitby Red Wings in the last two minutes of the game.

## New Librarian for Durham

MRS. SADIE DARGAVEL IS THE NEW CHOICE OF THE BOARD

The majority of the citizens of Durham, do not recall when the late C. C. Elvidge was appointed Librarian of the town Library. That was approximately thirty-three years ago, and in fair weather or foul, the late "C. C." or some member of his family, have been checking books as they came in or went out, in this period of time. It would be interesting to know, just how many books have been exchanged in these 33 years.

But the hand of death alters many things and in this case, Durham Library is affected. Two weeks ago, applications for the position were asked for by the Library Board and several were received by them for the vacancy. Mrs. Sadie Dargavel received the appointment.

Mrs. Dargavel has been a successful school teacher for some years, and the last two years has conducted a Business College in town, of which many young people in town have taken advantage. That she will be similarly successful in her new appointment, is the confidence the friends feel for her.

While the emoluments of office are not burdensome, it is something, especially when access is so abundant for a literary career. Durham Library is fortunate in having at the present, as in times past a splendid official board, who have made a wise selection of the best reading. Today, there are few towns of similar population in Ontario who have such a diversified selection of reading material to choose from. Congratulations are extended to Mrs. Dargavel, on her appointment.

## SHOWERS FOR BRIDE

On Thursday night last, Mr. and Mrs. J. C. McMillan opened their home to the friends of an April bride and groom, Miss Mabel Moore, R.N. and Mr. George Noble, when a shower of miscellaneous articles came their way. About forty guests were present. Little Donald and Helen Schenk brought before the nuptial couple, a wagon filled with gifts and good wishes. Miss Winnie Blyth to the strains of a wedding march, ushered the young couple in to their dias. There were a few "sells" and the groom received Maggie's rolling pin. Some fake congratulatory telegrams from prominent citizens were read to the gathering. After light refreshments were served, dancing was enjoyed for a short time.

On Saturday afternoon at her home Miss Alma Kress was another hostess who entertained for Miss Moore. About twenty young friends were present. Mrs. W. H. Kress at the piano brought in Patsy and Kenneth Kress, dressed as the King and Queen of Hearts, and deposited a basket of lovely gifts in front of the bride-to-be. Miss Marjory Noble assisted in opening the parcels. Later refreshments were served from a prettily decorated tea-table and assistants were Misses Dorothy and Mary Pickering, Isabel Jamieson and Marjory Noble.

## BORN

COLE—To Mr. and Mrs. Ted Cole, of Scotland, Ont., (nee Viole; MacDougall) a daughter.

SAMS—In Durham Hospital, March 19th, to Mr. and Mrs. Harry Sams, a daughter.

Durham was expecting to figure in the finals with Whitby, but the score in the Whitby and Niagara-on-the-Lake first game on Monday night, 5-4, for the former, makes it look as if Niagara-on-the-Lake may be the team to contend with. The return game of Whitby and Niagara takes place at the latter city this Thursday evening.

## CARD OF THANKS

The family of the late John E. McQueen wish to express their sincere thanks to their neighbors and friends for the many expressions of sympathy during their recent bereavement.
