Mark Fifty Years Of Wedded Life

MR. AND MRS. DAVID ALLEN OF DURHAM SURROUNDED ON THIS OCCASION BY FAMILY AND FRIENDS

The daily press columns tell us of wedded couples over the country, who have attained the golden wedding period. This is interesting to us only in so far as we know them personally or otherwise. But when a couple like Mr and Mrs David Allen, for 30 years residents of Durham, reach this stage in their married life,—well, a golden wedding takes on that much added interest. Mr and Mrs Allen yet enjoy fair health, and it was the great pleasure of the family as well as friends, to honor the occasion on Saturday last at their home here.

The actual date was on Armistice Day in November last, but conditions were such at that time, that it was deemed wise to postpone the event until Spring. Saturday last, May 2nd, was the day set by the family and friends all afternoon and evening called on this estimable couple to express their good wishes, coupled with the hope that they round out sixty years of married life.

Mr and Mrs Allen in this period have experienced both shadow and sunshine, but we are glad to say the sunshine rays won out and to-day, both bask in the warmth of the love and devotion of their fine family of three sons and five daughters, viz: Charles, Hamilton, James, Hanover; Johnston, Eugenia; Mabel, Mrs Wes, Lyons of Toronto; Catherine, Mrs. G. Hopkins, Tara; Vera, Mrs J. P. White; Jean, Mrs T. H. Stegman, and Ada, Mrs. L. Cadesky, all of Toronto. There are also eleven grand-children and one great-grandchild.

Mr. Allen was the son of Ireland and Matilda Allen, north of James people, their son being born on 2nd con. of Glenelg. In early manhood he spent 7 years in the lumberwoods, later going to Hopeville where he met and wedded his companion of fifty years,—Mary McEachnie, daughter of John and Catherine McEachnie natives of the Isle of Mull, Scotland. They were married in Flesherby on Rev. Ayres resident pastor at that time. The first twenty years were spent in Hopeville, where the groom was a wagon maker, moving to Durham thirty years ago. Of Mr Allen's brothers and sisters there remain Hamilton of Durham; Joseph in Austin, Man.; Mrs Margaret Hanna, Mt. Forest; Mrs W. J. McFarlane, Glenelg; Mrs Davis of Zion at 88 years of age (the eldest born in Canada), and who was present on Saturday.

Of Mrs. Allen's sisters and brothers, there remain Mrs Rowland and Miss McEachnie, Toronto; Neil of Hopeville and John of Montana. On Saturday last many telegrams, cards and flowers were received by the bridal couple. Mrs W. J. McFarlane of Glenelg, presided over the prettily decorated tea table, while daughters and sons as well as the "in-laws" present, saw to the welfare of guests who called. The 50 year bride, with her cousin, Mrs H. Allen of town, at the evening session, delighted those present with two Gaelic songs, which she implanted in youth so strongly, that it seemed quite natural to again go over the loved tongue of their parents.

The youngest son Johnston had seen much service overseas during Great War days, serving his country in 16th Highland Battalion. While on furloughs over seas, Johnston visited the birthplaces in Ireland and Scotland, of both his paternal and maternal grandparents. The youngest grandchild present on Saturday was Johnston's son Bobbie, aged two years.

Council To Present Watches To Champion Hockeyists

At Monday's May session of Town Council, Mayor Macdonald introduced the subject of the town recognizing the achievement of Durham hockey team capturing the Int. championship of Ontario. The committee which consulted with the Executive, learned that most of the boys preferred wrist watches, if favored with any presentation. On motion of Stonehouse-McKechnie, a resolution was unanimously passed that the town guarantee \$253 for wrist watches for the team and executive of Hockey Club, the mayor and reeve continuing on as committee to purchase the watches. These will be secured through jeweler Sarney, 23 of them, and will be presented to all players and officers at the banquet to be held on Friday June 19th.

DEPT. OF HIGHWAYS OFFICE MOVED TO OWEN SOUND

Official word has been received by the staff of the Highways Dept. here that the local district office is to be transferred to Owen Sound, and the change will be made during the present month. It is a matter of deep regret to the citizens of Durham that the Dept. of Public Highways has seen fit to remove the office from here, a more central location, and the headquarters for many years. The move means that six or seven good families will be leaving town shortly.

Trip through romantic Devon with a Durham Young Lady

The "Review" is pleased this week to let our readers benefit from the summer trip of Mrs J. J. Bowden, who we still term a Durham girl, though now married and living in Petrolia. Mrs Bowden is the daughter of Rev. W. H. and Mrs Smith, of Knox Manse, and following her marriage last summer, to Mr. Bowden, they spent the summer travelling in the British Isles. More especially did they concentrate their interest in Devonshire, where they delighted in traversing the historic and ancient spots of that southern country. Mrs. Bowden feels that in writing up Devon, she is writing on something that is apart from the beaten track of the tourist. And we agree with her. After reading these instalments, you will also agree that she used excellent judgement. Mrs. Bowden has the necessary background of historical knowledge and data, to be able to do full justice to a trip of this nature. Read both instalments.

Ed. Sweeney Fatally Injured in Collision Near Dornoch

When two trucks collided on Prov. Highway No. 6, seven miles north of Durham last Friday night, Edward Sweeney of Dornoch, received such critical head wounds that he never regained consciousness, and died in Durham hospital six hours later. His companion and driver, John Birr, was seriously injured and was taken to hospital, but is recuperating.

The smash occurred at 10.12 p.m., about half a mile south of Latona school. The two Dornoch men were on their way home from Fornsosa, where they had delivered a load of logs, and were almost home, when their truck collided with a big new G.M.C. truck driven by Geo. Rosenbloud, Hamilton, who was returning south from Wlarton laden with 94 bags of potatoes. With him was his helper Tudor Davis. Davis was unhurt, while Rosenbloud was stunned and suffered a strained back, head cuts and a pain at side of eye. He was taken to the home of Clarence Calder, road foreman here, where he recuperated for a day or two before going home.

Describing the accident to the Review scribe, Rosenbloud stated he saw the other truck come over grade at a good speed, and fearing a collision, he pulled over a little off the pavement onto the shoulder of highway. The Birr-driven truck, he says struck his left door with a terrific crash, tearing off the entire framework of his truck, and scattering his load of potatoes for 100 yards or so all over the Highway. The impact shot him forward, his head struck something which stunned him and Davis grabbed the wheel. When they squeezed out to view the damage they found both Birr and Sweeney had been thrown out the right door of their truck, opened by the force of the impact, and were lying on pavement in pools of blood with severe head gashes. The gruesome sight beside the wrecked trucks, brought him to more clearly, he stated, and each went a different direction on highway as best they could, to find a phone, to secure help. Rosenbloud roused Robt. Mortley, who had retired a short time previously and Drs. Burnett and Sneath were summoned. They were on hand before 11.00 p.m. and had both victims conveyed at once to hospital.

Birr was found to have all ribs on left side, broken, besides head cuts, but is recovering, and will be all right in a few weeks, unless complications should set in. Both men lost much blood, but Sweeney's skull cuts were most severe, one in back being deep and three inches long. Little hope was held out for him from the first and he passed away about 4.30 a.m. in the hospital.

Mr. Sweeney was a married man about 40 years of age and leaves a wife and one child, only a few months old. He was born in Glenelg and spent a number of years in British Columbia, returning to Dornoch five years ago. He has since been engaged in the trucking business.

Birr and Sweeney's truck is a complete wreck while Rosenbloud's is badly disabled also, and will require extensive repairs. Both were towed to Smith's garage.

Prov. Traffic Officer Orval Storey of Owen Sound was notified and was on the scene shortly after. Along with the Provincial Police, he is conducting an investigation. Coroner Dr. D. B. Jamieson summoned a jury, who viewed the scene and the remains, after which adjournment was made until 2 p.m. on Wednesday.

INQUEST ADJOURNED FOR ONE WEEK

The inquest opened here on Saturday morning last by Coroner Dr. D. B. Jamieson following the death of Edward Sweeney of Dornoch in a motor accident south of Dornoch on Friday night and which was to have been continued on Wednesday, has been further adjourned for a week till Wednesday, May 13, at 2 p.m. Mr. John Birr who was injured in the accident and who is still in the Durham hospital suffering from broken ribs and other bruises, is not well enough to give evidence, and this is the reason for the adjournment. Mr. J. F. P. Birnie, K.C. County Crown Attorney, made this announcement.

Mr. John Black of Chesley is seriously ill in the Sarnia General Hospital. Mr. Black is well known in Durham and surrounding territory and had been visiting his daughter Jessie, Mrs Glen Allen, there, when taken ill. Many friends locally will be pleased to hear of him recuperating.

RUNAWAY TEAM CAUSED DISLOCATED HIP

While Verdun Paylor, the 18 year old son of Mr and Mrs Vincent Paylor, Glenelg, was driving a team of horses attached to wagon, on the farm last Friday, the horses took fright and bolted. Before he could stop them, they came to an abrupt jolt when they ran one to each side of an apple tree, and Verdun, who was out on whiffletrees, was crushed against the tree, dislocating his hip. He was brought to Durham hospital for medical attention, where the hip was set in place. Fortunately he had no other serious wounds, and it is hoped after a few weeks, he will be as well as formerly.

I.O.O.F. Grand Chaplain Addresses Local Lodges

Grey Lodge No. 169, I.O.O.F. with Lady Grey Rebekah Lodge and visiting sisters and brethren from Hanover, Mt. Forest, Owen Sound and Thornbury, almost 100 in number, marched in a body to Knox United church Sunday evening, where they heard an inspiring sermon from the pastor, Rev. W. H. Smith, at present Grand Chaplain of the Order of Ontario.

His text was from Isaiah 41:6 "They helped everyone his neighbor, and everyone said to his brother, be of good courage." Neighbor and brother, said the speaker, were the two greatest words of Oddfellowship. In this text is found the whole service we can render one to the other. If every one was at work he wanted to do, 'twould be a different world. There is strength, success and safety in unity; there are times in human life we must all clasp hands; just steady and together was his challenge to the lodge. True neighboring means breaking the bonds of class, race and religion. The greatest man in the world is he who can put new heart into his fellowmen.

Musical numbers of the service were a duet by two Rebekahs, Miss Winnie Blythe and Mrs Mark Wilson and a male quartette by four Odd-fellows: Bert Saunders, Thomas Bell, Lawrence Whitmore and Peter Ramage.

At the lodge rooms after, several of the visiting Rebekahs and brethren expressed their appreciation of the service, and votes of thanks were tendered the Grand Chaplain, the vocalists and the visitors.
