All arrangements point to a big pleasant garden party on Friday afternoon on the school grounds in connection with St. Columba United church, good talent, humorous play, and best of all fine eats. Come!

In our occasional (but seldom) drive through the country. We see the Government has put up sign boards, noticing the fact where forest trees were planted some few years ago, now 20 feet high. We were foolish (according to neighbors) in planting trees the size of cabbage plants at that time. "We would never see them come to anything". Our cherished expectation has been fully realized.

Mr E. Shantz took a run up over the weekend from Toronto, on a visit to his wife and daughter, holidaying at his parents'.

Crops are not suffering here as bad as reported in other parts, but rain is urgently needed. It would not be amiss if our Gov. General would issue a proclamation calling for a day of prayer and supplication, he might ask too that we all try and mend our ways as a nation. How easily we could become sodomized!

The agricultural society kindly cancelled their dance to a future date to avoid conflicting with the garden party.

HOPEVILLE

Readers of the Review regret very much the passing of the Senior Editor, the late Charles Ramage, one of sterling character who with quiet manner faithfully gave of his time and talent to help along every good cause for the uplift of humanity.

sympathy is expressed to the family at the separation. In appreciation of a lifetime friendship the following lines come to mind:

But once I pass this way, And then—no more; But once, and then the silent door Swings on its hinges;

Opens—Closes, and no more I pass this way. So while I May, With all my might I will essay

Sweet comfort and delight To all I meet upon The Pilgrim Way.

For no man travels twice, The Great Highway That climbs through darkness up to light,

Through night to day. Mr and Mrs Harris, Brampton, Mrs B. Love, Toronto, were visitors with Mrs Harold Love.

Mr and Mrs A. Levitt and family Toronto, spent a day last week at the home of Mr J. Armstrong.

Mr McKay, student pastor, is visiting the members of the United congregation this week.

Mrs Walter Hastie, Holstein, and son Arthur, Rouyn, Quebec, visited Wednesday with their former neighbors, Mr and Mrs J. Sinclair.

Mr and Mrs Hiltz, Kilsyth, spent last week with their daughter, Mrs. Herb. Agnew.

Mr E. Hood has not regained his usual strength since he had his tonsils removed and under doctor's orders, has not to do any work for three months. Rather a hard sentence on a farm at this time of year.

Mr and Mrs W. Stewart and family are visiting with father, Mr. A. Stewart and brothers Messrs Robert, Allan and Walter Stewart.

The continued dry weather is causing concern about the water supply on some farms. Mr. Archie Russell is having a well drilled and several have had to repair their pumps. Garden crops and meadows are all needing rain.

Some are done haying, yet others have much to do and it is ripe in the fields, losing much of its feeding qualities. It will all be required this year, as straw now must be short.

At Salem church memorial services were held in the cemetery Sunday. A goodly number manifested their interest in the cemetery and placed flowers upon the graves.

At Swinton church on Sunday we were pleased to meet an old acquaintance, Mrs and Miss Turnbull of Vancouver, formerly of Durham district. They were accompanied by Mr and Mrs Sam Gohsen and nurse Ethel Campbell, with whom they are visiting, looking well and cheerful.

Miss Agnes Heard is spending this week in the city with her many friends.

The Campbell Construction Company have secured a contract near Kingston and are at present taking away their horses from the farm here to work. Three truck loads of 4 each went at weekend.

Black's Beach has been widely patronized during the warm days and nights, also on Sundays. Many are, we fear, spending their substance on riotous living, and their money for that which is not bread, coming for miles, not always very orderly, for a dip in the cold spring water.

On first Sunday in August Communion services will be conducted in Swinton Park church at 3 p.m. by Rev. Mr. McDonald.

IN MEMORIAM HINCKS—in loving memory of Mrs. David Hincks who departed this life on July 22nd, 1926.

She had a nature you couldn't help loving, And a heart that was purer than gold And to those who knew her and loved her; Her memory will never grow cold.

—Sadly missed by husband and father.

IN DAYS OF YORE

15 YEARS AGO

Taken from Review file, July 21/21

21 successful Entrance pupils in Durham out of 22 writing is highly creditable to Mr. Graham and to the pupils.

The elections in Alberta Monday last resulted in the overthrow of the Liberal government by the Farmers' party. They have secured 38 of the 61 seats. Liberals about 15, Labor and Independent the rest. Not a single out and out Conservative was elected. Premier Stewart himself was elected by acclamation, but three of his ministers have fallen, including Duncan Marshall, well known here. Great is the U.F.A.' and the U.F.O.! Will the U.F.'s. capture the Dominion?

The High School Board have engaged Miss R. Sillars, B. A., of Walkerton for the coming term at a salary of \$1700. The staff so far engaged is Mr Danard, principal, of St. Catharines; Misses Julia Weir and Sillars. One more is required as Mrs Horne has resigned.

Durham's first intermediate home game last Thursday was a good work out for the team, and their victory by 16 goals to 3 against Wingham, the next strongest team in the district, displays the calibre of lacrosse played.

Messrs J. H. Harding, E. A. Hay, John Morrison and Dr. J. F. Grant are attending the annual meeting of Granj Lodge A.F. and A.M. in Ottawa this week.

Mr Will Watson of Detroit was at his home in north-east Normanby, for a few days. Will has recently returned from his second tour of the American West with the Shriners of Detroit, who are also a musical organization, and on this trip covered covered Yellowstone National Park and Salt Lake City.

The following names of successful Normal students appeared Thursday last, all from this district are 'thru': Misses Marietta Park, Marie Cole and Sybil Lawrence of Durham, Jean Bradley now of Toronto; Annie Morrison, Dornoch; and Iona Black daughter of Mr. John A. Black of Chesley. Miss Edith Hughes also completed her course in full. Miss Ursie Matheson, formerly, of Priceville, and Miss Wilhemina McCuaig of South Glenelg have obtained their first class certificates.

Hampden corr.: Miss Isabel Marshall, 16th con, Normanby, left on Wednesday for Saskatchewan where she will follow up the teaching profession.

There gathered at the home of Mr. Wm. Hunter Sr. on Saturday evening last on the 20th con., Egremont, a goodly number of his family near relatives and friends to do honor to the above named gentleman on his attaining his eightieth birthday.

North Egremont corr.: The framework of the body of the new house for Mr. Major Eccles is up and awaiting a roof. It promises to be a fine commodious structure when finished.

Holstein: Hon. Geo. Brown of Sask. who was a witness of the coronation is visiting his father Mr. T. Brown on his road home to Regina.

Mr and Mrs Nichol McDougall returned home on Friday after spending six weeks in the West. Nick reports everything in the west very favorable. He says as a general thing crops are bumpyers this year.

No Let Up Here Because of Depression

Every one who is in a position to do so, should assist in the work of stamping out tuberculosis. The National Sanitarium Association through its hospitals in Muskoka and at Weston has been fighting this disease for more than 39 years, and has extended its mercy and its charity to upwards of 25,000 afflicted men, women and children, who would surely have died without such assistance.

Throughout the years of depression, because of the increased demand for service, these hospitals have been forced to add extensive additions to their buildings and plants, until now they accommodate more than 1,000 patients.

Serving only as they do the victims of consumption who are without means to pay for their treatment and care, these institutions are always "in the red" and could not carry on at all without the help of generous friends.

The shortage this year will be many thousands of dollars, towards which amount you are asked to contribute. Will you please send as large a gift as you can to the National Sanitarium Association, 223 College Street, Toronto 2.
