KNOX CORNERS

Another anniversary and milestone in the history of Knox has passed. Large congregations attended the services both morning and evening and listened to earnest messages by Rev. Mr Court of Holstein. In the morning he spoke of obedience and of breaking up the fallow ground in our hearts. Faithful ministers and teachers may have sowed the seed, but if we have not received it and allowed it to take root in our hearts it will be all in vain, and will profit us nothing. In the evening he took for his subject "Exultant Assurance". Can we know that we are saved? some say no, but God's word states distinctly that we may in such as the following passages: "There is therefore now no condemnation to them who are in Christ Jesus", and "These things have I written unto you that ye may know that ye have eternal life." As Christians we should be joyful and not sad. In closing he gave an earnest invitation to all to accept Jesus Christ and have this blessed assurance. Mr Court sang a solo at each service and the choir one selection morning and evening. The church was decorated with cut flowers and house plants and we appreciate the many from the neighboring churches who attended and helped to make the services a success, also all who assisted in the choir.

Mr and Mrs Martin, Hanover and Miss Edith Kerr of Egremont visited on Sunday with Mr and Mrs W. Porter and attended services at Knox.

with Mr and Mrs Bert Watson and attended anniversary services. Mr. and Mrs Hubert McDougall of Holstein also visited with Mr. and Mrs. Watson on Sunday.

It was with sadness that we learned of the passing of the late Mr. C. Ramage. The deceased was well known in this community and taught for many years at No. 1 and was loved and respected by his former pupils of which the writer was one, and many of them attended the funeral on Sunday. He was faithful as a teacher and also in the public worship of God and was ever concerned in the things worth while. He has gone to his reward in a ripe old age, and our sincere sympathy is extended to Mrs Ramage and family and all who mourn. The writer well remembers his pleasant visits in our home during our childhood and our first school days while he was a teacher here.

King Edward VIII Is Royal Patron

Accepts Invitation of National Sanitarium Association

A letter received yesterday from Buckingham Palace, London, addressed to Mr. E. L. Ruddy, President of the National Sanitarium Association, states that His Majesty King Edward VIII has accepted the invitation to be royal patron of the Association.

"I am commanded by the King," reads the letter which is on official black-bordered, Buckingham Palace stationery, "to inform you that His Majesty has been graciously pleased to grant his Patronage to the National Sanitarium Association, Toronto. (Signed) Wigram, Keeper of the Privy Purse." This letter came to Mr. Ruddy by way of Government House in Ottawa, along with a kindly message from the Governor-General.

In 1907 the then King Edward VII, and Queen Alexandra became the first Royal Patrons of the Muskoka Hospital. Ever since, members of the Royal Family have taken a deep interest in the work.

Muskoka Hospital for Consumptives, the Toronto Hospital for Consumptives and the Queen Mary Hospital for Consumptive Children at Weston, formerly had as Royal Patron the late King George V.

His Royal Highness the Duke of Connaught, great-uncle of the present sovereign, laid the corner-stone of the Queen Mary Hospital for Consumptive Children. It was the first hospital in the world devoted to the treatment of children suffering from pulmonary tuberculosis. On May 12, 1913, Queen Mary in Buckingham Palace, pressed a button by which the doors of the hospital were electrically opened.

When fire destroyed the original section of the Toronto Hospital for Consumptives, the King Edward Memorial Fund was inaugurated by which over six hundred thousand dollars was raised. In this work the Duke of Connaught took an active part.

Upon learning recently from the Earl of Beesborough that the tiny patients at the Queen Mary Hospital for Consumptive Children had taken from a London illustrated paper and framed a picture of Queen Mary and the Princess Elizabeth, Her Majesty voluntarily sent the children a signed portrait of herself and the little Princess.

Every Governor-General of Canada, from Earl Grey on, has been Honorary President of the National Sanitarium Association. The three hospitals maintained by the Association have a total of over 1,000 patients.

Canada again pioneered medical achievement when the new Surgical Building, one of the first structures erected on this continent for the surgical treatment of tuberculosis, was opened about three years ago at Weston. It has already justified itself, said Mr. Ruddy.

Mr and Mrs McLean of Trenton spent the weekend at the home of her parents Mr and Mrs Jas. McGillivray.

Miss Tillie Stevenson of Holstein, spent a few days last week with her sister Mrs Alex Drimmie.

(Too late for last week.)

Mr and Mrs Wilfred and Alex Renwick, Mrs Sam Patterson and daughter Mary were recent guests of their sister Florence at Dunnville.

Miss Laura Henderson of Guelph is holidaying at present with her parents Mr and Mrs Alex Henderson.

Quite a number of the ladies of the W.I. were in Holstein on Saturday for their annual picnic and report a good time.

The Dramatic Club are practicing their play, "The girl from nowhere", to be given in the church shed on August 3rd. This is a good play and should bring out a large crowd.

Mr and Mrs Elmer Ferrish of Hanover were recent visitors with Mr and Mrs Allan Hastie.

Mrs Renton who was bruised when she fell down the cellar steps is still bedfast and her many friends are hoping she will have a speedy recovery.

We extend congratulations to Miss Kathleen Smith of Tara, teacher at No. 13, who was successful in getting all of her entrance pupils through; also same to her pupils, Miss Muriel Watson and Charlie, Miss Dorothy McNulty and Ruth McKenzie.

Summer In The Maritimes

The Maritime Provinces of Canada, favored as a vacation spot by President Roosevelt and hundreds of other discriminating Americans as well as by thousands of Canadians, are preparing to welcome large numbers of tourists again this year. St. Andrews-by-the-Sea, one of the most popular of Canadian resorts, will attract many famous golfers to its beautiful 18-hole and 9-hole courses, with their sporty fairways and greens.

Golf is only one of the many attractions at the Algonquin Hotel at St. Andrews, which will be open this year from June 27 to September 7. Tennis, yachting and swimming at famous Katy's Cove, deep-sea fishing, dancing at the Casino, and bowling on the green are other chief amusements. Motor trips can be made

to such interesting places as Chamcook Mountain; the reversing falls at Saint John; and by boat to Campbell Island, President Roosevelt's summer home for several seasons. A delightful boat ride from Saint John across the Bay of Fundy by the Princess Helene, lies Nova Scotia, Land of Evangeline, which offers to the tourist such attractions as rugged cliffs and long stretches of sandy beaches over which the Atlantic breaks, great forests with cool and fragrant depths, lakes lying like jewels in the sunshine, rivers rushing down from the hills to melt into the arms of the ocean, pastoral countryside, and accommodation as good as can be found anywhere. Canadian Pacific Railway hotels in Nova Scotia include: The Pines, at Digby,

open from June 27 to Sept. 9, where golfing, tennis, and water sports make a pleasant day; Lakeside Inn, near Yarmouth, open from June 27 to Sept. 7, where yachting flourishes and where arrangements have been made for the usual run of summer sports; and Cornwallis Inn, at Kentville, open all year, which has facilities for golf and which is the centre for motoring excursions to Grand Pre, the Gasperau Valley, Canning, Kingsport, Halls Harbor, and Blomidon. The pictures show a typical coast-wise lighthouse; happy holiday-makers about to greet the Atlantic; a yachting scene at Lakeside Inn; Evangeline Well and Memorial Church; and the unique and beautiful War Memorial at St. Andrews.
