Mrs J. A. Matheson

Passes in Calgary

Sincere was the regret expressed and felt in this community, when it was learned that Mrs. (Rev.) J. A. Matheson had passed away at the home of her sister in Calgary Friday July 30th. Death was the result of a brief illness, resulting from a fall.

Mrs. Matheson's death came as a greater shock than usual, as she had been a visitor with Durham friends previous to going West three weeks ago. She was the possessor of a bright and vivacious temperament, and won herself friends wherever she went. She was a sympathetic help to her late husband in his ministerial fields and more especially will her loss be felt in Priceville, where with her husband, they labored so many years in the cause of higher things.

Mrs. Matheson was born in England and came when a young lady to her father's ranch at Bow River, Alberta. Her parents, Mr and Mrs H. Banister have predeceased her. She married Rev. J. A. Matheson 43 years ago and for several years they carried on mission work in Alberta. Coming to Priceville about 38 years ago, they ministered to Priceville Presbyterian congregation for 21 years, and since then have visited yearly with their many friends in vicinity of Priceville and Durham. From Priceville they went to Mono Mills where they spent a few years, then to Woodville in Eastern Ontario and after church union, Mr. Matheson received a call to Goult Quebec, where he ministered until retiring. He passed on in Toronto in June 1931. Mr. Matheson having the Gaelic language as well as English, he was in demand in congregations where the Gaelic was a family language.

Since his death Mrs. Matheson has made her home with her daughter Ursula, Mrs E. W. Grant, at 54 8th street, New Toronto. Mrs. Grant is the only surviving member of a family of three. Donald died in 1913 and Kenneth in 1929. There are two grandchildren, Alistair and Donald Grant. One brother, William Banister resides at Port Hope, the only one in Eastern Canada, several sisters and brothers residing in Western Canada.
