# Low-priced CHEVROLET-Maple Leaf Truck SETS NEW PERFORMANCE-ECONOMY RECORD

DEFICIAL CA.A.

1246 Miles at a record low cost of

GASOLINE-12 miles per gallon average. OIL-I pint in 1246 miles. FUEL COST only one-third

of a cent per ton mile. WATER-11/2 pints used during entire trip. REPAIRS-No money expended on repairs or adjust-

 Hauling 20,000 pounds certified gross weight 1246 miles from Windsor, Ont., to Moncton, N.B., this big Chevrolet-Maple Leaf 2½-ton truck recently established a Canadian record for Economy, Safety and Stamina. The long, hard test was made under typical road and weather conditions. The total operating cost amounted to \$27.68, or one-third of a cent per ton mile!

For operators handling 5- to 7-ton payloads, this Chevrolet-Maple Leaf model equipped with Truxmore third axle provides a combination which, by slashing expenses, materially adds to your profits.

As a result of the trail-blazing experiment made under practical, workaday conditions, we have been provided with a fund of useful information. Individual and fleet owners are invited to share this with us. Can you spare a few moments to visit our showrooms today.?

Wm. Keller, Local Dealer, Pontiac Garage,

All facts and figures quoted for the Economy Test truck are certified by the CANADIAN AUTOMOBILE ASSOCIATION.

As a result of the test official C. A. A. Certificate No. 1-22-6-36

200 POUNDS TOTAL CERTIFIED WEIGHT

SAFE DRIVING ROAD TEST & TRUCK ECONOMY RUN

Here is the Chevrolet 1/2-ton

truck which accompanied the Chevrolet-Maple Leaf Economy Test Truck as "Pilot Car." Carefully kept performance records of this truck indicate gasoline mile age, 19.05 miles per gallon: oil consumption, nil; water added, nil; repairs and adjustments, nil.
