

PRICEVILLE

We are sorry to say that Miss Mary McKechnie is now critically ill, but we trust her health will improve in the near future.

The Priceville Women's Institute will meet at the home of Mrs F. G. Karstedt on Thursday Sept. 3rd at 2.30 o'clock. Roll call "An interesting story of some place you have seen on your holidays." Spelling match. A debate: "Resolved that pioneer women contributed more to the welfare of the community than does the modern woman" by Mrs. Aldcorn, Miss E. James, Mrs G. Whyte and Mrs J. McMillan. Lunch com.: Mrs. E. Watters and Mrs Jack Whyte.

Mr Vic. Scheurman had his brother and brother-in-law visiting over the week end. Substantial in build and form, as is their host.

Mr John McFayden of Edge Hill, with his two sisters, Misses Mary and Kate and Mr H. McDonald and Miss Kate, were recent visitors at the home of Mr and Mrs C. A. McLean on Thursday last. It was our hard luck to leave by a hair's breadth just before they arrived.

Miss Annie Rendall and Mrs. Alfred Idle of Thornbury visited at the home of Mr John McKechnie.

An accident occurred here that easily might have been worse, when the beams of the mow of Mr H. B. McLean's stable gave way with the weight of hay above, though more had been in it in previous years. Perhaps the timbers had been strained by the heavy wind of the night before. Two cows in the stable below were not hurt. In a few minutes they were to have been milked, but a beam in falling fortunately landed on a post of the stall, thus saving them. Had the horses been in their stall adjoining, they certainly would have been killed. The slats in front of the manger were knocked off by willing neighbors and the cows taken to safety through the feed passage. Fortunately it was no worse.

Mr Alex. McLean, after his season of teaching somewhere in a summer school up North, arrived home at his parents here, Mr and Mrs C. A. Mc-

PRICEVILLE AND VICINITY

Lean. He had a successful school, and found time to enjoy boating, fishing, etc. He and his wife will be returning to Toronto this week, preparatory to school opening with his classes.

Miss Mary Aldcorn has been visiting two weeks during the holidays at her parents, Mr and Mrs Wm. Aldcorn. We were delighted to meet where she is a teacher, in preparation for school opening.

Mr Allan McInnes, teacher at Palgrave, was up on a visit to his father and mother, the latter having a severe attack of lumbago. He is looking well. We were pleased to meet with our one time chorister.

The August meeting of St. Columba W.M.S. and W.A. was held at the home of Mrs Angus MacArthur and was well attended by members and friends. Mrs F. G. Karstedt presided. A well prepared paper on chap. 6 of our study book was read by Miss Jewel McArthur. Miss Anna McLean read a story of "The negro in America" also a timely article entitled "A rural auxiliary" was read by Mrs. F. Karstedt. Mrs Ritchie and Miss B. Weir sang "His eye is on the sparrow". Mrs. A. McKinnon presided for the W. A. and much business was discussed and passed. At the close of the meeting a social half hour was spent, and tea was served by Mrs. MacArthur, assisted by her daughters Jean and Laura and Misses Sadie Oliver and Jewel McArthur.

Mr E. R. Clark of Teulon, Manitoba recently visited at the home of Mr. and Mrs. Harold Karstedt. A fox rancher there, he was naturally interested in the fine ranch of his host, some of his stock having been secured here previously. He journeyed from here to his old home near Palgrave.

Mrs A. McKee of Toronto is at present on a visit at her parents, Mr Ed. Everist. Mr Cole is at present on a visit at his father-in-law's, Mr Thomas Mc-

Dougall. We were pleased to meet him. Miss Mary Runciman, Toronto, daughter of Mr and Mrs Fred Runciman is a pleasant visitor at the home of her cousin, Miss Nellie McLean. It is probably an innocent gag on someone, but we are asked to say that Monday afternoon is becoming a half holiday with some of our young men who go off to a picnic. No harm in that if they can afford the time from the harvest field.

The fine dramatic club of this town are duly appreciative of the hospitable treatment accorded them at the close of their play at Heathcote on Tuesday evening, when they were given a hot lunch and facilities to wash off the make-up. We are pleased to hear that the Heathcoteans expressed satisfaction with the play as a good one. This is the fifth time it has been given, and more mooted on the agenda or waiting list. Messrs Harold Karstedt, Robt. Farlow and Walter Williamson kindly took their part, together with the scenery needed.

Mrs. (Rev.) Sutherland spent a pleasant three days visiting in Toronto, accompanied by her daughter Priscilla, arriving home on Friday. Rev. Mr Sutherland and three boys began their holidays on Monday, 17th Aug. in Toronto, and returned on Thursday noon.

The Bible Society will hold their annual meeting on Thursday evening Aug. 27th in basement of the United church when a representative of the Society will address the meeting. Mr and Mrs C. A. McLean made a visit to Toronto unbeknownst to friends there on Friday last, and created an agreeable surprise for their daughter Mrs. McFarlane (Mrs. Mary.) They returned on Monday. Their son Innis left on Wednesday for Toronto, after a short season of batching, having again secured his old position there.

We are pleased to learn that Charles McKinnon in Toronto hospital is much improved in health. Mrs. Burt's condition is not so favorable, she being at present very ill. We hope for better health in both cases.

Mrs Burt's house in town has been bought by Mr Boice, the barber, who will find it a little more convenient to his tonsorial parlor. Mr and Mrs Whitlam and children Toronto are visiting Mrs J. McDougall. Mrs Ted Cole and son returned to Scotland, Ont. after visiting at her father's, Mr Thos. McDougall. Mr David Hincks, Beth and Jean, spent Friday in Owen Sound. Miss E. Oliver visited last week with Miss Bessie Drimmie, Dromore. Mr Wm. McLeod had a barn raising last week when a number of the ladies were present also. Miss Anna McEachern returned to her home Sunday after six weeks in London attending Summer School. Mr Neil Cameron and sisters Sadie and Mary, Boothville, were recent visitors at Mr Dave Nichol's.

MR & MRS C. E. HINCKS HONORED On Friday night a presentation was held at the home of Mr W. J. Hincks in honor of the newlyweds, Mr and Mrs Clifford Hincks. The evening was spent in dancing and splendid music was supplied by Messrs Robt. Brodie, Frank George, Wesley Stephenson and Miss Alice Muir. At an appointed time Mr and Mrs. Hincks were asked to come forward when an address was read by Miss Marion Muir and the presentation of a purse of money made by Mr Robt. Whittaker. Both Mr and Mrs Hincks in a few well chosen words thanked all kindly for the gift. A bountiful lunch was served at midnight and a social time spent.

This district was saddened on Wednesday by the passing of a wellknown and highly respected resident of the district, Mr Peter Steele, 2 1/2 miles north of Priceville. Deceased who was 68 years of age, had been in poor health for awhile and later took pneumonia, finally resulting in his death. He was born at Parkhill, Ont. and moved to this locality 9 years ago. He spent the greater part of his life at Superior, Wisconsin. He is survived by his wife and two sisters, Mrs Haney and Mrs McRae. The funeral was held on Friday at St Johns R. C. church and was largely attended. The pallbearers were Edgar Paterson, Jack McInnis, John and Dan McDonald, Geo. Black, M. O'Henley. Rev. Mr Fry who has spent the past month with Rev. and Mrs Sutherland and family, returned to Vancouver. Mr and Mrs Robt. Fettes, of Owen Sound; Mrs Stephenson and the Burrell boys of Markdale visited Sunday at W. J. Hincks'. Mrs Horsener of Montreal is visiting her mother, Mrs Pinkerton. Miss Julia Ransome, Flesherston, visited her friend, Miss Violet Ferris. The young people's Society of Bethany Christian and Missionary Alliance church, held an enjoyable picnic at Belfountain last week and were delighted with the natural beauty of this ideal location. During the severe storms in the early hours of Sunday, considerable damage was done by the high wind which accompanied by hail, levelled fences and tore many branches from trees. Several wood lots have had a good many trees laid low. What is said to be the first frame barn built in Proton township, belonging to Mr George R. Scott, had part of the roof torn off. This barn, like the sturdy pioneers who helped to erect it, has served its day and has fallen before the forces of nature. Mrs M. Campbell, Mt Forest, visited her sister, Mrs Jessie Scott. The McArthur family, Pt Elgin, were recent guests of Mrs George Shand.

Mr John Weir, Mr and Mrs Thos. Weir and daughters, N. Egremont, visited the first of week at Mr John Sinclair's. Mr Alvin Scott is spending a few weeks with Hamilton and Brantford friends. The Jewish couple took their baby to the movies, where they were warned that unless the child was quiet they would have to accept a refund of the price of admission and leave. Half way through the feature film the wife turned to her husband and whispered: "Wife-Vell, vot do you tink of it? Ikey-Rotten. Wife-Yes. Pinch the baby."

IN MEMORIAM McCANNELL-In loving memory of Miss Jean McCannell who passed away August 14th, 1935. Today recalls sad memories Of our dear Jean who is gone to rest, And while she lies in peaceful sleep Her memories we shall always keep. In the bloom of life, death called her, In the pride of early days; But we hope to meet you someday, And be with you, Jean, always. Just when her life was brightest, Just when her years were best, She was called from this world's sorrows To a home of eternal rest. In silence she suffered; in patience she bore Till God called her home, to suffer no more; We cannot, Lord, Thy purpose see, But all is well that's done by Thee. Calm and peaceful she is sleeping, Sweetest rest that follows pain, We who loved her sadly miss her, But trust in God to meet again. -Sadly missed by father, mother, sister and brother.

CARD OF THANKS We desire to express our appreciation to the many friends and neighbors, who in many different ways expressed their sympathy at the death and burial of husband, son and brother. -Mrs D. H. MacDonald, Mrs Hugh MacDonald and families.

SWINTON PARK

Sure we got the rain, first on Friday morning, then again on Sunday morning. A great electric display, accompanied by rain and wind. Especially around Boothville, fences were badly blown down, also cut grain; even apple trees were uprooted, and much of the fruit blown off. Yet everyone was pleased to see the rain and prospects are much brightened for fall pasturage for live stock, which will greatly help out the scarcity of grain and straw. But then the blessing of rain also brings work was so scarce we couldn't wash last week and now we must do a double share: the lawn mower also has been off duty for about six weeks; now we see where in a few days we will be pushing it around.

Most of the grain is cut but only a small part of it is in the barns. It will be a few days now drying out. The fire in Proton which last week were causing much concern on 6th and 8th concessions, are well under control. There were many acres of bush land burnt over, also some grain but we think no buildings were lost. This Monday morning four aeroplanes close together passed over the Park, going towards the C.N.E. Mr Treasider is this week on holiday here and will this Monday evening give an address at the young people's meeting in the church. Subject: "Eating out of dirty dishes."

Mr Garfield Anthony of Toronto, spent the weekend in the Park. Mrs Anthony and children, who have enjoyed a month of holidays at the parental home, Mr George Haw's, returned to the city with him. Mr and Mrs Wm. J. McLeod and little Carl are spending a few last days with their parents here. He will again be on duty next week in a Toronto school.

Messrs Anderson and Miss Hamilton of Toronto were Sunday visitors at Mr and Mrs Dick Hardy's. We were pleased to meet at church on Sunday Mr and Mrs W. A. Richardson of Markdale and Mrs Knox of Ceylon, long time members of the church here, and yet interested in our welfare. Also Mrs Annie Wilson of Nottawa, who is visiting her sisters and brothers, members of the Wm. John Wilson family.

We have heard that John Haw's barn was struck by lightning last Friday. Their Delco lighting system and telephones are out of business until repaired. Other damage is not great.

IN MEMORIAM McARTHUR-In loving memory of Archie B. McArthur, who passed away Aug. 25th, 1935. We often sit and think of him when we are all alone. For memory is the only friend that grief can call its own. Like ivy on the withered oak, when all other things decay, Our love for him will still keep green and never fade away. -Sadly missed by wife and family.
