

**ANOTHER REDUCTION IN
LONG DISTANCE RATES**

**On calls to points over
130 miles**

Once again we have cut the cost of Long Distance. On September 1st, a new schedule of rates became effective on calls (both person-to-person and station-to-station) to points over 130 miles distant. This reduction will mean an annual saving of over \$200,000 to telephone users in Ontario and Quebec alone.

This is the second time this year that Long Distance costs have been reduced. In the past seven years, we have made six substantial rate revisions. At the same time we have constantly improved service, as evidenced by the fact that, while in 1929 it took an average of 3.4 minutes to complete a Long Distance call, today the average is only 78 seconds.

Today, your telephone is within easy reach of any one of 33,000,000 telephones scattered throughout the world.

Low night rates from 7 every evening and all day Sunday!

Science proves
BREAD
IS GOOD FOR
TEETH AND BONES

Scientists agree that properly made Bread is good for the teeth and bones. Recent laboratory tests prove this conclusively. These tests brought out, that in children a diet high in refined wheat is by no means incompatible with excellent calcium and phosphorus retention.

Give your children plenty of the delicious, wholesome Bread we bake. Eat it yourself—for health and enjoyment. And let us take care of your other baked goods needs, too. We produce a wide variety of fine quality products, always fresh and perfectly baked.

PRICEVILLE AND VICINITY

PRICEVILLE

Mrs. John McFarlane (nee Anna Mary) on a week's visit to her parents here, Mr. and Mrs. C. A. McLean, returned to her home in Toronto Saturday. Having had the good fortune to be born on the same day of the month as ourselves, we take the liberty of addressing her as our twin sister. Mrs. Harold Karstedt, Miss Fettes, hospital nurse, and Mrs. F. Cairns also have had the good fortune of the day.

Mr. and Mrs. Emerson Shantz and fine baby daughter, visited her parents, Mr. and Mrs. H. B. McLean on Saturday, returning to Toronto on Sunday. Miss Anna McLean, sister, accompanied them on a visit to their home in Toronto. Mr. and Mrs. Will Bowers, Markdale, were also visitors at same home.

Mr. F. Reiley met with a severe accident in shoeing a horse last week, breaking a rib and fracturing some others. It is hard to keep a good man down. He is striving to do some light work. His wife's sister (Flora McMillan) Mrs. John Gray, arrived on a visit from Manitoba.

Anniversary services will be held at the Ebenezer on Oct. 4th. Rev. H. E. Wright will be the speaker on the occasion. Priceville choir will assist in the music.

Constable Cook was ready for any emergency at the concert, and dance which followed on Friday night after the fair. Not required we are glad to say. 'Prevention is better than cure'.

Mr. Lachie McArthur had a severe heart attack on Sunday, Dr. Burnett being sent for. He is now resting easier.

Miss Alma McLean of Mimico is visiting her mother and brothers here.

Mr. and Mrs. John Morrison, Mrs. McCannell and Mrs. McPherson, Durham, were recent visitors at home of Mr. David Nichol.

Miss Monica Lambert went to Toronto last week after spending the summer in Priceville.

A very pleasant event took place late Sunday afternoon, Sept. 27th at the home of Mr. and Mrs. Andrew Hincks, when Rev. Norman Macdonald baptized Shirley Maxine, daughter of Mr. and Mrs. Donald McCannell of Proton Station, and Leonard Carlyle, son of Mr. and Mrs. George A. Black, Swinton Park, also Kenneth Clifford Hincks, son of Mr. and Mrs. A. L. Hincks. Supper was served to the number of sixteen.

Messrs David Hincks and Wm. McLeod spent the weekend in Toronto. Misses Jean and Almeda Hincks returned to Toronto with them, after holidaying here. They will both start on Tuesday to University.

Mrs. Jno. McFarlane and Mr. Innis McLean returned to Toronto after spending a week with their parents here.

Mrs. Angus MacCannell returned to Proton, Saturday evening after spending a few days visiting her daughter here.

Percy Stonehouse had the misfortune to have his arm broken while cranking a car.

Congratulations to Jack McMillan and Annie May McIntyre who were married Tuesday.

Mrs. Mary MacDonald, of Toronto, spent the weekend with her sister, Mrs. A. L. Hincks.

Mrs. Alex Carson and Mrs. Harry Pedlar and son spent a few days with Mrs. Art Richardson of Swinton Park.

Mr. and Mrs. Dan L. McArthur and daughter Eleanor, visited Sunday at Mr. Thos. Nichol's.

Sunday last was Rally Day and owing to the wet disagreeable day the attendance was small.

SWINTON PARK

Yes, we have an abundance of soft water. Always something to be thankful for. And general health is very good. Dr. Martin, Medical Officer of Health, is expected this week to inspect and vaccinate all the pupils in the school against the ills that might come.

Threshing, plowing and general choring keep all our men busy while the ladies are cleaning up on the gardens, both vegetables and flowers. A light frost one night last week caused some tender plants to hang their heads, but yet there is wonderful growth for the time of year and we notice the neighbors' cattle putting on beef. Yet Winter is coming.

Mr. Mrs. and Miss Tresidder, who

have been in the Park all summer, are this week moving back to the city. They will be greatly missed but we hope to have them with us occasionally for week ends.

Miss Jessie McMillan of Toronto, spent the week end at the parental home here, Mr. Hugh McMillan's.

Mr. and Mrs. Wm. J. McLeod and Carol, spent the weekend with parents here, G. W. Parslow's and Neil McLeod's. Everyone in this locality is pleased to learn that W. J. has been successful in obtaining his B. A. degree by attending summer courses and night classes while he taught school in Toronto. Wm. J., when a young lad, attended High School in Fiesherston, heard his country's call for soldiers and felt it his duty to go with the 147th battalion. He did his bit on the battlefields, and suffered in the hospitals over there, and came home in a weakened condition, to resume his studies. By patience and persistence, he regained health, and a certificate. He has been a successful teacher in different places, now residing at Lambton Mills, teaching in the city. We all look for him to go on to greater things.

On Sunday next anniversary services will be conducted at 2.30 and 8.00 p.m. by Rev. Mr. Court of Holstein, in Swinton Park Presbyterian Church. There will also be special music. On the Monday evening following, the Holstein Dramatic Club will put on their new three-act play. I have not the name, but we know from past experience that it will be well worth while. Also songs and music with a Scotch flavor, between acts. Admission 25c and 15c. With weather ordered, we hope to have good congregations on Sunday, also a full hall for the concert.

HOPEVILLE

Mr. and Mrs. Norman Snider and daughter Dolores returned to Toronto last week after spending the summer with her parents Mr. and Mrs. W. Benham.

The Wilson threshing outfit have started work west of the village. Anniversary services will be held at

Hopeville United church at 11 a. m. and 7.30 p.m. Sunday, Oct. 4th. Special speakers and music by Bethel choir. On Monday evening, Oct. 5, the young people will present their play 'Page Asa Bunker', Admission, Adults 25c. Children 15c.

At Proton twp. school fair held at Ventry, last Tuesday, S.S. No. 4 was again awarded first prize for marching.

Miss Lois Agnew is spending some time with her grandmother Mrs. H. Agnew, Kilsyth.

Mr. Stewart Pepper from near Chesley called on friends in the village last week.

Mr. Roy Northcote, Toronto spent a couple of days renewing acquaintances in this burg last week.

Sympathy is expressed to Mrs. J. G. Russell in the sad loss by death of her mother Mrs. Wm. Anderson of Keldon. The funeral was on Monday.

Miss Isabel McTaggart spent over the weekend with her aunt Mrs. Henry Christie.

**Priceville Fair a Success
in Weather and Finances**

Priceville Fair Directors were fortunate in their choice of day for the annual fair on Friday last. The entries were numerous and of high quality, while the financial receipts were up to expectations.

There were more horses exhibited this year than for some time. The Judge, Geo. McDonald, McIntyre, had no easy task in selecting the winners of various classes. In cattle classes, the Jerseys appeared to be in the majority. The poultry exhibit was exceptionally good this year, while the display of fruits and vegetables were favorably commented upon. The Domestic Science and fancy work exhibits were also excellent. Miss Lela Downey and Miss Lillian Rutherford, of Bolton, were the judges of the latter.

Music during fair, was provided by Geo. McBride on his bagpipes, while Misses Mary and Audrey Wilson, of Owen Sound, delighted all with their Scotch dancing.

The concert by the Morrison troupe of Bognor, was varied in character. It was followed by a dance, music being provided by an Owen Sound orchestra.
