Moved to Former Home.
 Mrs. Gilbert McKechnie is moving in this week to her property on Garafraza St., upper town, where she and Mr. McKechnie lived some years after they were married. We understand she is giving up the old home on Durham Road, which was built by her father, the late Dr. Gun and occupied continuously by the family ever since, now going on seventy years. Mrs. McKechnie has lived there alone since her mother's death. This fine old home has been the centre of much joy and festivity in all these long years, and also has seen a good deal of sorrow. Such is life.

Visitors Night With Royal Arch.
 Durham Chapter, Royal Arch Masons on Monday night received T. W. Rutherford of Galt, Grand Superintendent of Wellington District, on his official visit, when degree work was satisfactorily exemplified. A banquet followed, the First Principal, Dan McCallum, acting as toastmaster. Toasts were given to the king, the craft, the visiting companions, and to Durham Chapter. Three carloads of Galt companions were present, two from Guelph, one from Palmerston, and several of the local members from Hanover, Owen Sound, Markdale and Priceville.

Community Party a Popular Event.
 The annual Community Party of the Canadian Greys I.O.D.E. was a successful event of Thursday night last. Eight homes gave the use of their rooms for cards, later adjourning to the Town Hall for refreshments and dancing. The organization work for this event comes heavy upon the Chapter members, who do not spare themselves, in putting it across. Over \$100.00 were the receipts. Those giving their homes for the evening were Mrs. E. Schenk, Mrs. H. W. Kress, Mrs. R. M. Sparling, Mrs. W. L. Hunter, Marion Calder, J. M. Weir. Bridge was played in the home of Mr and Mrs V. Blythe, the prize winners being Miss Marjorie Pickering and Mr Vernon Newcourt, and at Miss M. L. Hunter's home, Mrs. R. E. Richardson and Mr. G. C. Webster were victors. In homes where euchre was played, the winners were: at Mr and Mrs Schenk's—Mrs J. Lloyd and Lorne Allan; at Miss M. Calder's—Vernon Collinson and Margaret Wilson; at Mr and Mrs W. H. Kress—Mrs Carlyle Brown and Mr. Willard; at Mr and Mrs R. M. Sparling's—Mrs A. Middleton and Mr Earl Hastie; at Mr and Mrs W. McDonnell's—Mr A. W. Ries and Mrs G. Sharpe; at Miss J. M. Weir's—Mrs. Simmons and Mr. Charles Moffat.

Death came as a messenger of peace to Mrs. George Binnie, early Friday morning last, at the home of her daughter, Mrs John Stevenson, near Holstein. She was in her 80th year. Since the death of her well-known husband in 1930, she has gradually lost ground in health, and for the past few weeks death was not unexpected. In her passing, the community that made up Bunness, where her active years were spent, have lost a staunch supporter of everything that pertained to the welfare of that district—in fact her interests in many worthy causes embraced a much wider circle. The Binnie home at Bunness was a byword for hospitality and good fellowship.

Previous to her marriage, in 1881, deceased was Sarah A. Snell, daughter of the late William and Mary Snell of Dromore. She was born at Ancaster, Wentworth County, coming when a small child with her parents to Egremont.

Chief mourners are her family of one son and four daughters: Thomas and Miss Winnie, Toronto; Mary, Mrs. J. P. McGillivray, now on the Snell homestead, Dromore; Bella, Mrs. H. Beer, Mitchell; Lizzie, Mrs. Jno. Stevenson, Holstein. Two brothers also survive, John Snell, Chatsworth and Dr. Joseph Snell, Saskatoon.

With her late husband and family, deceased was most public spirited and especially in the life of the little Baptist church, was her influence and judgment recognized. She was a charter member of South Grey Women's Institute and a member of Knox United church, Durham.

The funeral was held Saturday last from the Stevenson home, interment taking place beside that of her late husband in Durham cemetery. The immediate family were all present for the last rites. Deceased's pastor, Rev. W. H. Smith, had charge of the committal service, assisted by Rev. R. Mercer, Holstein. Mr. Smith in his address, brought out the beauty of the "Dorcas" life, stating that while scientists to-day may not recognize the great work of these characters, the world owes to them gratitude for their many virtues.

The floral gifts of sympathy were carried by two grandsons, Willard Stevenson and Gordon McGillivray. The remains were laid beside her husband in Durham cemetery by neighbors and nephews, Archie and Henry Beaton, George Bell, Joseph Dixon, Thomas Weir and John McGillivray.

Present from a distance were Mr. and Mrs. Herbert E. Beer, Mitchell; Miss Wilena S. Binnie and Mr. T. H. Binnie, Toronto; Mr. H. J. Snell and Mr and Mrs. Willet Snell of Chatsworth; Mr and Mrs J. G. Sharpe and Miss Maisie Sharpe, Terra Cotta; Miss Janet Binnie and Mr. James Binnie, Erin; Mr and Mrs J. C. McLean and Margaret, Shelburne; Mr. E. J. McGillivray, Niagara Falls.

Deceased was 70 years of age and has been an invalid for some months, as a result of a paralytic stroke.

Chief mourners are his wife, one son Harold, Toronto, and six daughters, Ella and Grace (Mrs. A. McQueen), Hamilton; Miss Katie of Saskatchewan; Misses Jean and Evelyn, of Toronto; Miss Nora, at home. The funeral will take place Saturday, Oct. 24, at 2.30 p.m., interment in Durham cemetery.

County Wide Organization for Music Festival

The organization for the holding of the Grey County Music Festival to be held in Owen Sound in May 1937 was completed at a well attended meeting held on Tuesday evening in the office of the Department of Agriculture, in Markdale, and some real enthusiasm was manifested and a determined effort will be made to make this festival highly successful. Mr. Eric Wilson, of Markdale, President during the past year, occupied the chair, and Mr. S. A. Morrison, Public School Inspector, Meaford, acted as Secretary.

After a preliminary discussion and the answering of a number of questions it was decided to proceed with the organization, resulting in the election of the following officers: President, His Honor Judge G. W. Morley, Owen Sound. Sec'y, Mr. B. Feild, Owen Sound. Mr. Cyril Moss will be head of the Music Syllabus Committee, with other Owen Sound people as convenors: piano, Miss I. A resolution of hearty thanks was passed to the retiring officers from Meaford who had done such good work in getting the festival under way during the past three years.

HYMENEAL
 McQUEEN—BAIRD

St. Paul's Presbyterian church, Hamilton, was the scene of a quiet wedding Friday evening, October 16, when Rev. Dr. Beverley Ketchen united in marriage Grace Anne, daughter of Mr. and Mrs. Archie Baird of Durham, to Mr John Alexander McQueen, son of the late Mr. and Mrs. John McQueen, Durham. The bride wore a street length dress of mid-night blue Venetian crepe with black accessories. Her bouquet was pink roses. Miss Evelyn Matheson attended her, wearing brown figured silk with brown accessories and carried yellow roses. Mr. Edmund McQueen brother of the groom, was best man. After a short honeymoon, Mr. and Mrs. McQueen have taken up residence at 125 Bold Street, Hamilton.

The Hamilton Spectator says: "Among those who entertained for Mrs. A. J. McQueen (formerly Miss Grace Baird) were Mrs. Catherine Pettigrew bridge and pantry shower; Mrs John Willson, linen shower; girls of Canadian Westinghouse general office, kitchenware shower; Miss Evelyn Matheson, cup and saucer shower; presentation of flat silver from the staff of Canadian Westinghouse, and presentation of silver entree dish from the B.B.D. Bridge Club."

Markdale's only beverage room is to be closed on Dec. 1st, following the decision that the temperance victory at the polls in Sept. of last year, was legal.

Assessment Increases In Grey cut 25 p. c.

A reduction of 25 per cent of the increase on all municipalities in the county of Grey which were given an increase by the special committee of the County Council and which was adopted by the County Council on the equalized assessment was the basis of a settlement which was reached late on Monday afternoon following a conference between the representatives of the several municipalities directly concerned and the special committee. The actual figures have not been worked out by the committee and will not be available until the next sitting of the special court on October 29.

The 25 per cent. off means that Durham's increase of \$110,000 in assessment will now be down to \$82,500 and total assessment will be \$487,500. It means a saving to the town of about \$300 of the expected increase in the annual payment to the County Council of over \$1200. Ten municipalities which had been raised, will benefit by this settlement: Durham, Hanover, Neustadt, Markdale, Flesherton, Meaford, Dundalk, Keppel, Sarawak and Derby.

The special court composed of His Honor Judge W. G. Owens, of Walkerton, His Honor Judge G. W. Morley, Owen Sound and Sheriff W. Breeze, Owen Sound, convened the adjourned sitting at the court house on Monday morning at 10 o'clock, and re-opened the whole matter. It had been previously agreed that the basis of all figures would be the transactions of 1925, as recorded on the books of the registry offices, which brought the court down to a specific basis on which to work. The chief witness was Mr. J. N. Perdue Registrar for South Grey with office at Durham. He was questioned on some length by counsel for the municipalities with regard to land values and prices paid for properties in various parts of the country, and it was during the taking of his evidence, when there were certain discrepancies revealed in the figures as obtained by the committee and the actual figures, that the Court suggested that it might be well to try and arrive at a settlement of the whole matter.

This suggestion was acted upon and the court adjourned shortly before noon, and the conference started to get down to business. It was quite late in the afternoon when it was announced that a settlement had been arrived at, and although no figures were given out, it was stated that the basis was a reduction of 25 per cent. on the increases of the assessment as contained in the report of the special committee, which was adopted at the June session of the County Council. This means that the 25 per cent. reduction will apply to all municipalities which received increases and not only those which appealed from the assessment. The special committee of the County Council will meet at once and go into the figures, and will bring down their report at an adjourned session of the court to be held at 2 o'clock on Thursday afternoon, October 29.

Mrs Wm. Calder and son Melvin G. Calder returned home Tuesday from an enjoyable motor trip with Finlay and Mrs. Graham of Montreal, to points in the United States. Their trip took them as far south as Savannah, Georgia and in view of the approaching Presidential election, they found political verbiage hot in some centres. The tourists however could form no definite opinion as to how the election would swing, as one state swears by the Democratic system of government and perhaps a bordering state is just as strongly Republican. They decided Canada had the vantage point in being able to size up the destinies of the two leaders, Roosevelt and Landon from the long range view.

"Questions Young People are asking"
 What is the meaning of life?
 Why should I be honest?
 Have I a right to be happy?
 Can I afford to be popular?
 How can I get a thrill out of life?
 How can I conquer fear?
 Who made God?
 Was Jesus able to sin?
 Why was Jesus baptized?
 What can Jesus do for me?
 Is one religion as good as another?
 Is sin out of date?
 Is it easy to be good?
