TEETH AND BONES

Scientists agree that properly made Bread is good for the teeth and bones. Recent laboratory tests prove this conclusively. These tests brought out, that in children a diet high in refined wheat is by no means incompatible with excellent calcium and phosphorus retention.

Give your children plenty of the delicious, wholesome Bread we bake. Eat it yourself—for health and enjoyment. And let us take care of your other baked goods needs, too. We produce a wide variety of fine quality products, always fresh and perfectly baked.

The W.I. of this town and vicinity held a fine At home on Wednesday evening last at home of one of their popular members, Mrs. W. G. McBride, when a fine program was given starting with a striking duet by two school children, Sarah Marie McMillan and Mac, Watson in splendid time and harmony for ones so young, each one maintaining their own part, a fine example to bigger ones. Solos were given by Mrs. Rev. Sutherland, self accompanied and Mrs. H. E. Wright accompanied by her husband, Rev. H. E. Mr. Arthur Bell, principal of the school here, self accompanied on the guitar, also contributed to the success of the evening. Miss Macphail arriving later, gave a fine descriptive address of her recent travels through Sweden, Denmark, Finland and particularly Russia. This pen pusher feels abundantly satisfied with our own Canada. A fine address given so freely and off-hand, so to speak. The usual vote of thanks was freely tendered on motion of Mrs Boyce and Mrs McKechnie. Before lunch was served, a couple of fine quilts were sold by auctioneer McBride who set forth their qualities to the tune of \$4.50 and \$4.00. Rev. H. E. Wright acted as chairman.

Mr John McKechnie and son John, visited recently at the home of Mr. Richard Watters, Thornbury.

The recent magistrate case held in Hanover, Thursday, resulted in dismissal, as one of their number had already been fined \$100 or 3 months, so says the Hanover Post. 'T would be a fine, friendly, chummy act for the three others to chip in and help the fourth out of the fine.

The beauty of the forest was too soon marred by the heavy frost this year. However we're promised Indian summer.

The windows are being installed in the fine new house of Mr Aldcorn by Mr. Wilfrid Watson.

Mrs. Mabel Everist returned to Toronto after spending her holidays with her parents, Mr and Mrs Everist.

Mrs. Kirk and Mrs. Murray of Stokes Bay, also Mrs McLennan and son, of Elmwood visited recently at the home of Mr. John McKechnie.

**VARIETY CONCERT GIVEN AT QUEEN STREET CHURCH**

An excellent variety concert was given in Queen St. United church, Friday evening last under auspices, of the Y.W.A. and direction of Mrs F. W. Thomas, an Alma College graduate, assisted by Miss Inez Twamley B.A., and Mrs C. E. Wolfe to a large and appreciative audience.

The pastor, Rev. R. A. Halbert kindly acted as chairman and the program opened by singing "O Canada" followed by a beautiful flower drill entitled "The blossoming parasols" by eight primary girls. Next was a cute novelty number, "Rag dolls in reality" by eight tiny tots effectively costumed, one being a colored doll, with Miss Phyllis Wilson proving a capable mother. By contrast, a motion song "Little Mothers" was ably given by three little girls". An intricate drill entitled, "Showers and sunshine" was given by six boys and girls, which concluded with singing "Coming thru the Rye" followed by a special stunt novelty number "the homemade kitchen band" with Mr Gordon Rennie, as soloist, assisting with eight teen age boys and girls, effectively costumed and heartily encored.

These numbers were interspersed by a number of selections by Mr. R. Mann of Hanover, saxophone soloist, gold medalist of the C.N.E., Toronto, which were greatly enjoyed. Little Marjorie MacDonald contributed a recitation. Miss Jean McGillr and Mrs. Thomas played piano solos. A one-act play entitled "The way to a man's heart" was given under direction of Mrs Davis which proved very humorous. Proceeds were about \$32.

After the program the children were generously treated with candy etc., and the president, Mrs Davis, on behalf of the society, presented Mrs Thomas with a lovely casserole of old Englishware, and a Pyrex pie plate. Mrs. Thomas made a suitable reply. Much credit was also due Mr. Bill Halbert and Mr. George Ylirs, for their services in the various lighting effects.

Walter Hastie, Egremont, was the unanimous choice of South-East Grey Liberals as a candidate for the Dominion House.

Mr. J. P. Hunter, Mrs W. C. Pickering, Mrs F. Graham, Misses E. Hunter and Amy Kelly are attending Mrs. Gordon McDonald's post nuptial reception in Chatsworth Thursday.

Farmer, residing along the 2nd con. Bentinck, from Hutton Hill to Welbeck, met at Aberdeen on Monday night to plan the erection of a private telephone system, a possible appellation being the "East Bentinck Telephone Co." They decided to adopt the municipal system. They build their own lines and work in conjunction with the Bell Co., as Durham Central will be central for the three proposed new lines and the subscribers pay switching fees of \$4 yearly to the Bell for the service. About 35 subscribers are now signed up.

Major Tom Rutherford of Leith, was the popular choice of the U.F.O. Labor Soldier Convention as their candidate in North Grey. Miss Agnes Macphail South Grey's candidate, gave a rousing address at nomination.

Holstein corr.: Mr. R. Sim had the misfortune to fall while taking down an old building, one day recently, injuring one arm which laid him off work for a few days.

Yeovil corr.: On Thursday Mr and Mrs. W. H. Rogers returned home from Toronto where they had been attending the wedding of their daughter Annie and Mr. F. Watson of that city. The friends of Rev. T. H. Ibbott, formerly of Holstein and Yeovil, will be interested to learn he has been appointed rector of the Anglican church at Arthur.

Dundalk last Friday was favored with ideal weather for its fall fair an essential which almost all fairs in this locality lacked. The gate receipts were \$535 and with concert totalled \$700, which speaks for the proportions of the crowd.

Saugeen Presbytery met Wednesday forenoon last in Palmerston and there was a good attendance to meet a delegation from the Assembly consisting of the Moderator, Rev. Dr. MacKay and Rev. Dr. Gordon, of Yukon fame. The first business was the dealing with the call to Rev. D. L. Campbell, of Moorefield, from a congregation in Chatham Presbytery.

Mr. H. H. Miller was among the invited guests at a banquet given by N. W. Rowell, K.C., (a member of the local Executive), to a number of the leading delegates to the Ecumenical Methodist Conference.

The Hanover Junior O.L.A. team are champions for the season of 1911 without playing a game. There does not seem to be much honor in the thing, but if there is, they have it. Brampton Juniors who cleaned up the trophies in their end of the province were ordered to play Hanover at Fergus last Saturday for the championship. Hanover team got their district on a bye and were preparing to go to Fergus when word was received that Brampton had defaulted. Lacrosse seems to be dying out both to the C.L.A. and O.L.A. The long distance teams are compelled to travel and the consequent heavy expenses entailed is probably the chief reason for the state of affairs that now confront the lacrosse situation.

Dromore corr.: Among those who were in attendance at Dundalk Fair Friday, were Mr and Mrs C. McMillan, Mr and Mrs Findlay, Mr. and Mrs R. Renwick Sr., Mr and Mrs Archison, Mrs. Garson and Tom. They all report a good time and say the show was a good one. The trustees of S.S. No. '3 have engaged Mr. Coleridge for year 1912 with an advance in salary. Miss Jessie Reid Tartan, is a guest at the home of Mr and Mrs Jas. Allan this week.

A meeting was held Friday evening in Robert's Hall to discuss the idea of organizing a L.O.L. in Holstein. Several members from outside lodges including McFarlin, Mt. Forest, Varney and Cedarville, were present.

The Provincial Hydro Commission, according to its audited accounts this year transformed the 1935 Hydro deficit of \$3,000,000 into a profit of \$2,000,000. This was accomplished through revision of the Quebec power contracts. This revision, Hydro statistics calculate, is now saving Hydro money at the rate of \$623,145.83 a month.
