IS GOOD FOR  
TEETH... BONES

Scientists agree that properly made Bread is good for the teeth and bones. Recent laboratory tests prove this conclusively. These tests brought out, that in children a diet high in refined wheat is by no means incompatible with excellent calcium and phosphorus retention.

Give your children plenty of the delicious, wholesome Bread we bake. Eat it yourself—for health and enjoyment. And let us take care of your other baked goods needs, too. We produce a wide variety of fine quality products, always fresh and perfectly baked.

**PRICEVILLE**

The Women's Institute will meet on Wednesday, Dec. 2nd at Mrs. Schenk's home. Roll call: Gifts for Children's Shelter.

The Concert put on by the Virginia Jubilee Singers on Thursday evening, Nov. 19th, proved to be a very enjoyable affair. The troupe were affable, courteous and kind in their demeanor, in conversation free. Their singing was a marvel in catchy time with excellent rhythm, harmony and shading, especially in their quartet, mixed and male. Each one is an artist and each one contributed a solo, or took a solo part. We can't claim any favorite, but we know there was quite a stretch from the soprano steeple high notes, down to the bass-so's lowest profundo. They would be gladly welcomed back. We take this opportunity of expressing to them the warm appreciation of the audience.

Sacrament Sunday will be held at St. Columba on Nov. 29th.

The massed gathering of the Y.P.S. members of South Grey was largely in evidence on Tuesday evening, the 17th inst. Wareham, Faversham, Fiesheron, Hanover were represented. A total attendance of 190 were present. Without Durham's representation who failed to appear. A fine address was given by Rev. Service of Fiesheron. A solo, "A Perfect Day" in sweet voice was given by a young lady, and a duet by two other young ladies, names not secured. The young man to whom the task of leading in the various sports that followed, was certainly versatile, climaxing all with a visit to an insane asylum with all lights out, his journeying through a dark road with owls hoo-hooing. Some boys essaying to help, good naturedly with their hoo-hoos bought forth from him in resentment that he was Irish and was proud of it. We womered ourselves that he hadna mair ambeushun. A plentiful lunch was supplied before dismissal. Weather was cold and stormy.

St. Columba W.M.S. and W.A. met at the home of Mrs. J. C. Harrison for their November meeting. Miss Margaret McArthur, gave a splendid paper on missions, and a letter was read from Mrs Fraser, Fiesheron, inviting Priceville ladies to their meeting, Wednesday, 25th. The election of officers was as follows: Pres., Mrs. Sutherland; vice-pres., Miss Mary McEachern; treas., Miss Nellie McLean; sec'y, Miss Margaret McArthur; supply sec'y, Mrs McMeekin; glad tidings, Mary McEachern. Mrs Jno. Nichol presided over the W.H. meeting. Roll call was answered by a Christmas suggest'on, after which a splendid

address was given by Rev. N. MacDonald on Cape Breton Island. Plans and arrangements were made for fowl supper. It was decided to buy four doz. cups and saucers. For travelling, the bride wore a navy coat with blue wolf collar and matching accessories. On their return they will reside at McIntyre.

The Tories and Grits are now all reading the same paper and looking "kinda shy" at each other. This new "Globe & Mail" is being wondered about, and not liked by some who have not got used to it. However we will surely get the truth of the matter, as both old papers did their best. The new Dundalk Herald is also appreciated, showing progress in our home country.

At Hugh McMillan's at the week end were son Donald, daughters Jessie and Isabel. They took Mr McMillan back with them to see the Royal Winter Fair.

Mr and Mrs Dick Hardy and Shirley are also in the city this week, going with Mr. and Mrs. Treslender, who spent Saturday night at Hardy's in the Park, and with some fear of a snow blockade.

We had a friendly call from tax collector Pearson the other day. He can meet the people with a smile this year, there being a substantial reduction in the taxes, which is very appropriate in this year of poor crops. We think the Council used good judgment, although there has been as usual, much criticism over the bumps on the road. On Nomination day they will give an account of their stewardship.

We in the Park have almost got sleighing yet the cars are running on fine roads, hard and smooth. Considerable fowl is being devoured these evenings in a friendly way among neighbors.

Congratulations and best wishes to Mr and Mrs George Turnbull on their having completed fifty years of married life. The wedding took place at the old Milligan homestead on Nov. 12, 1851. The service was conducted by the late Rev. Wm. Park who rode through the woods to be present at the occasion.

Our esteemed twp. clerk, Mr David Allan Sr. met with an accident Tuesday of last week which might easily have resulted fatally. He was putting the coils in the stable before tea and was standing behind a strange horse in the stable, which he had forgotten at the time was there. It kicked, supposedly at the coils, but struck Mr. Allan in the breast, knocking him forcibly backwards. His head struck the hard cement floor, and his son nearby, hearing the fall ran in and picked him up unconscious. So limp was he, that his son had to drag rather than carry him into the house, where in ten or fifteen minutes he regained consciousness after friction was applied.
