Truck Skid over Bank; Went up in Flames

Climbing the icy hill about 100 feet south of Glenroaden bridge, 2nd con. Glenelg, on Saturday last, Jas. Miller's truck, loaded with logs skidded and slipped backwards over a 16 foot bank. The truck—a 1936 Maple Leaf—was driven by Mr. Miller's son Herbert who was accompanied by Herbert Timmins. Timmins jumped when truck left road, but Miller remained at wheel trying to hold it. It landed on end, and the bolt broke the chains around the load allowing logs to scatter, while the truck immediately caught fire and went up in flames. Fortunately the driver was unharmed, forced door open and escaped.

The logs or flooring of truck were not burned, and engine is still good. Insurance was carried, and the owner purchased the wreck from the insurance Co. in making settlement. He is securing a new truck this week.

GREY REGIMENT PASSES INTO HISTORY

An historic banquet took place in Owen Sound on Monday night, when five former Commanding Officers of the 31st Grey Regiment as well as several former members, spoke to toasts of the days that had been. The banquet closed the official existence of the 31st Grey Regiment, in future to be merged with Simcoe Foresters. There was Col. Geo. D. McLauchlan, the only honorary colonel the regiment had known: Col. Harry Pembroke, who has completed 40 years of military service; Col. R. C. Ferguson, Clarksburg, war-time commander; Col. Geo. D. Fleming, Col. J. T. Rutherford. Lieut.-Col. N. E. McDonald, commander of the Greys of yesterday and new commander of the Grey and Simcoe Foresters of today, presided.

Captain W. P. Telford gave the toast to the old 31st Regiment briefly, with the remark, "We can only cherish the memory and traditions of the old regiment." In responding, Mr W. P. Telford, Sr. recalled his own experiences in the 31st, in the days when the Regiment camped at Niagara under conditions vastly different from those of to-day. There was a feeling of regret, he said, in the passing of the Regiment. Col. Ferguson also responded to this toast but added, "There is no doubt this amalgamation will be a good thing. The order changes and the regiment changes with it." He congratulated

the new regiment on having Col. McDonald as its manager.

To those of the old 31st and others who served overseas, Col. Harry E. Pembroke proposed the next toast with reference made to many of the fine men of this county, who have given their lives—Geo. Musgrove, J. Eaton, Judge Frank McFarland Col. Rorke.

\$500 License Fee for Slot Machines

At final meeting of Durham Council for 1936 Tuesday evening, Bylaw No. 23a was put through fixing fees for slot machines, and for other machines in the town, operated for gain.

For an automatic slot or automatic slug machine the stiff fee of \$500 was fixed. This is practically prohibitive, and such is the Council's intention, as the seven machines here are a great temptation for youths' cash, with little or nothing of real value in return. For a roll or pin table, \$25 will be the fee, \$25 for a baseball board game, and \$100 for a whiffle table. The machines must not be operated on any Sunday, nor before 8 a.m. or after 11 p.m. on any other day of the week.

No person under 18 will be allowed to use or operate such machines. Any licenses for such may be cancelled by the Corporation at any time; in such event, the Treasurer will refund the unearned portion of such license. A penalty not exceeding \$50 may be imposed for any violation of this bylaw, which comes into force January 1st, 1937.

A communication from Toronto, City Council notified Durham that the A. Greenwood family are recipients of relief there, as seven of family are quarantined for scarlet fever. As they removed to Toronto in late summer, Durham is held responsible for maintenance. Council advised clerk to notify Toronto they would meet costs while under quarantine, but not after.

Accounts totalling \$364 were passed. Treasurer's report showed \$28,800 or 82.3% of 1936 taxes collected, and \$6,200 yet owing. Good results came from the drive made during the year to collect tax arrears, as of \$6,910 taxes owing of 1934 or before, \$4500 was paid in.

Reeve Hunter was voted \$7 and Constable Scott \$1 for expenses to Owen Sound re the Equalized Assessment.

The creek near Voisin's house had been cleaned up, as it was filling up with weeds, and flooding land. Council will try to keep it clean till summer, when a good cleaning out can be made.

Before closing, Mayor Macdonald rose to thank the Council for the harmony prevailing and co-operation given him throughout the year. Council members referred to times past, it had not been so harmonious and paid tribute to the present council for pulling together. The youngest councillor, Don. McQueen, stated he enjoyed his first year at the Board and was learning.

Reeve Hunter said there was good fellowship here, as at County Council, and thus more was being accomplished. More drastic changes and shake-ups had been made in Co. Council business and methods the past three years, than ever before. He would again be a candidate.

Coun. McGowan stated he would likely retire; Coun. Stonehouse thought this a comparatively easy year, after serving through busiest Councils in town's history, when pavements, waterworks, heavy relief work, and Old Home week, caused extra duties in succeeding past years.

Coun. Duffield expected a fight when he entered Council four years ago, but never had one, and now felt he wanted to dodge them. He complimented his fellow-members on ever voting as they felt, on any question, and also paid tribute to clerk, treasurer and chief for their co-operation and to the press for accurate reports given of Council sessions. Coun. Lauder concluded the oratory, whereupon the Council officially accepted Mayor Macdonald's kind invitation to the hospitality of his home, and repaired there to wind up the year with refreshments, and a free social hour.

Owen Sound business men are observing Boxing Day, Dec. 26.

Double Schedule in Int. O. H. A. Group

In Durham last Friday night, with Dr. R. R. Burnett, convener, a double schedule with four strong teams—Kincardine, Owen Sound, Walkerton and Durham, was drawn, Durham's opening game to be at home next Tuesday, Dec. 22nd, against Kincardine, who will be tough opposition.

The first two teams in the group at the conclusion of schedule will play off for the group championship and the right to continue in the O.H.A. intermediate B playdowns. Playoff games will be staged on Feb. 8 and 10, with the third and deciding game on neutral ice on Feb. 12, if necessary. The leading team will have the choice of dates for the home game in the playoff series.

Kemp of Listowel, Gregg of Kincardine, Saunders of Durham, Talbot of Preston, Trushinski of Walkerton, and Sparky Vall of Owen Sound were nominated by the clubs as referees.

The schedule was drawn with the understanding that Owen Sound would play their home games in O. Sound. If it is necessary to play their home games away it is likely that the club will endeavor to make arrangements with the Hanover arena.

OBITUARY

ROBT. LAUGHLIN

Robert Laughlin, a native of Glenelg Township, and a well known resident of Berkeley for the past few years, succumbed to pneumonia in the Owen Sound G. and M. Hospital on Sunday afternoon. Deceased, who was about fifty years of age, was a son of the late John Laughlin and was born on the second concession of Glenelg Township, two miles from Glenroaden. He lived in Toronto for a number of years, being employed by Canadian Pacific Express there, but a few years ago moved to Berkeley, on account of failing health. Three weeks ago he contracted a heavy cold and on Thursday of last week was removed to Owen Sound hospital with pneumonia.

The late Mr. Laughlin had made his home at Berkeley with his mother, Mrs. Thos. Bell, for the past few years. One sister, Martha, Mrs. Goff Thompson, resides in Saskatchewan, and there are a number of half-brothers and half-sisters.

In religion the late Mr. Laughlin was a Presbyterian and he was a member of the Orange Order.

INFANT BURIED

A large number of friends gathered at the home of Mr and Mrs Earl Noble for the funeral of their infant son, Donald Edwin, who passed away in Owen Sound hospital after a few days illness. The service was conducted by Rev. W. H. Smith who gave a message of comfort to the bereaved, basing his talk on the hymn, "Safe in the Arms of Jesus". The tiny casket was carried by four boys, Harold and Harry Voisin, Andrew Schenk and Leonard Vollett, and the flower bearers were Madeline Catton, Adele Noble, Royden Noble and Chester Lawrence. The remains were laid to rest in Durham cemetery.

Donald Edwin was born Nov. 11. Besides his parents there are two sisters and two brothers, Wilma, Earlieu Kenneth and Russell.

PERSONAL MENTION

Mr and Mrs F. Wilkes, Charles and Frances of Simcoe, were weekend guests of Mr and Mrs T. F. House.

Mr H. W. Wilson is still seriously ill at Brockville hospital. Mrs Wilson and three sons are with him. Kenneth came from Sudbury and Harold from Sydney, Nova Scotia.

Mr and Mrs Arnold Noble returned home Sunday from Brockville. Miss Mary Walker, for three years on the teaching staff of Orangeville High School, has resigned.

Mrs Robt. MacFarlane leaves Friday of this week to spend the winter months in Toronto.

Many friends will anxiously await good news of the welfare of Wm. Ritchie, Bentinck, who this Wednesday is being removed to Toronto, where he will undergo a critical operation.

Mr. James McDougall, Crawford, who for some weeks has been a patient in General Hospital, Toronto, has returned to his home, and considering his lengthy illness and serious operation while there, of removing part of the stomach, has made wonderful progress.

For the past several years she has led a secluded life with her daughter Allie, who is a valued member of Mimico Public school staff. We sincerely hope the remaining years may be crowned with peace and happiness in the thought that she saw her family assume responsible places in Canada's civic life.
