fish is a health food

HEALTH... yes... because Canadian Fish and Shellfish are rich in proteins, vitamins, minerals and iodine. But health is not all. There is tastiness... the varied flavour of over sixty different kinds of fish foods. There is economy... the sound thrift of a food that gives you full value in healthful nourishment for every cent you spend.

Make "Any Day a Fish Day". Whether fresh water fish or sea-fish... fresh, frozen, canned, smoked, pickled or dried... you can be confident of the prime quality and flavour that have made Canadian fish famous throughout the world.

SWINTON PARK

When we look out this Tuesday morning, February 9th, and notice that the snow is almost gone but roads covered with ice, we wonder dare we go out to the mall box? We have noticed some people manoeuvring along the road, but could not hear what they were saying, but they were acting queerly.

A great many of our people are not feeling up to par. Only six pupils were at school Monday. Whooping cough and other bad colds are prevalent. The John Corbett family are among the worst sufferers at present. We hope that very soon with more settled weather, all will be well.

visited the schools along this line last week.

Merry Time in Toronto: Swinton Park Night

"Wanted—Seventy five couples, light hearted, friendly, good looking, young in years or spirit, to dance, play cards, enjoy refreshments, see a good floor show, and talk about the good old days at Swinton Park." This was the wording of the invitation the committee in charge sent out to call Swinton Park folks and their friends to their annual dance held in Ramona Gardens, Toronto, on Friday evening last.

And the folks responded—there were more than eighty couples, making it the largest crowd yet, and they were young in years and spirit and good looking, light hearted and friendly. Every thing went lively from first to last. The dance and the orchestra were so popular, that Garfield Anthony, who had charge of the card room, found himself with only six tables of players.

The Campbell Brothers Orchestra, provided music for both modern and square dancing. The Campbell boys are well known and have many friends amongst the Swinton Park people. Their mother (nee Myrtle Conkey) was formerly from Dundalk. Then too, they are known as brothers of the Campbell Sisters who sing over the radio.

Ethel Campbell, Mrs R. Hannam, and Tena Ferguson constituted the reception committee and Fred Runciman occupied the box office. Booth Wilson called for squares. The floor show, which in past years has been an outstanding feature of the evening, was again very much so.

Marjory Phillips, Grace Francis Campbell and Marjory Salter did dance numbers, and Audrey Wright gave readings. Mrs. Roosen, (nee Bess Kinnell) won the bridge prize, Margaret Campbell the ladies euchre prize and Mr. F. McPhail the men's euchre prize. In the dances Miss D. Black won the prize in the spot dance and in the Special Swinton Park Novelty Dance, Mr. and Mrs. Jack Norman carried off the novelty prize.

Dept. of Agriculture

RESTRICTED AREA NOTES

During the past week the percentage of farmers signing in favour of the Restricted Area has shown another increase. Every day, therefore, adds further assurance of the success of the project.

On Saturday morning the following three townships were completed. The results show:

Table with 2 columns: Township Name, Percentage. Sarawak 95.5%, Derby 95.4%, Sydenham 94.9%.

In favour of the scheme. It is hoped that by the end of this present week the remaining municipalities may have their reports completed.

Grey County farmers are surely living up to their reputation—that of being most progressive and leaders of all the best producing counties. Congratulations are due the above three townships. They have completed the work in record time.

The farmers, who are responsible for circulating the petitions, did an exceptional job. They labored most zealously and successfully in the cause. As they received nothing for their work, the Grey County Department of Agriculture owe them a deep debt of gratitude. Thanks a thousand times.
