There were no less than ninety-two transients visited Walkerton during February. One, who made a particular nuisance of himself by house to house begging, drew 15 days in jail. Called to Chatham.

Rev. Francis W. Showell, son of Mr and Mrs P. W. Showell of Sydenham township, who has been in charge of the work of the Christian and Missionary Alliance at Hopeville for the past year, has accepted a call to become the pastor of the Alliance Tabernacle at Chatham, and has already entered upon his new duties. Prior to his going to Hopeville, he was engaged in work for the Alliance in Western Canada.

In another column in this paper will be found an advertisement by the Department of Agriculture calling attention to the danger of farmers using seed without having germination tests made of it. A careful perusal of this advertisement may be of very great value to many of our farmers. We know that most farmers are particular about sowing good seed free from weed seeds and with a high germination test but sometimes these matters are left off until it is too near sowing time to have these properly made, and so this advertisement will just call their attention to the necessity of having this work done in good time before seeding begins.

ASSESSOR MAKES A RECORD ROUND

Assessor Robert Peart of Glenelg has completed his work of assessing his township for 1937 and as the official recorder of the assets and liabilities of the citizens, carries much responsibility. The unusual thing about this year's assessment taking is the fact that the work was all done by ear in the middle of the winter.

Oldest Resident of Priceville District Passes

MRS. CHARLES MCKINNON

Last week the Review published a brief biography of the above lady, previous to her 98th birthday this Wednesday; then she was in good health; today, we regretfully record her death on Sunday after a brief illness, at her home on South line, Artermesia township.

Mrs. McKinnon was born in Harris, Highlands, Scotland, in 1839. She was eight years old when with her parents, Murdock and Christina, McQueen, she sailed for Canada. After eight long weeks they landed and settled at Waterdown, Ontario, where her father obtained employment in a mill as a weaver. Later when the railroad was being built, they moved to Fergus, where many more Highland Scotch folk had already settled, and here they built a humble home. A number of years later, Mr. and Mrs. McQueen and family came to the Queen's Bush and settled at Priceville.

Mrs. McKinnon was twice married. In 1863 she became the bride of Henry Scott of Elora, and they lived for seven years at Elora. After Mr. Scott's death, his widow, with two children came to Priceville. On March 15th, 1876, she married the late Charles McKinnon, and resided on the farm near Priceville until her death, a period of over sixty years.

She is survived by two daughters, Mrs. Joseph McKee, who lived with her at the time of her death, and Mrs. Wm. Aldeorn, Priceville; three sons, James of Montana; John of Peace River District; Ben of Alberta. A son Henry and daughter, Mrs. Buckham of Priceville, are also her family of the first marriage.

The funeral was held on Tuesday, March 9th, at 2 p.m., from St. Columba church, Priceville, to Pioneer Cemetery.

JOHN LAVELLE

Monday's dailies recorded the death of John Lavelle, early Sunday morning at his home in Toronto, in his fifty-ninth year. John was the oldest of a family of nine sons and two daughters of the late conductor, James Lavelle, who was in charge of the Grand Trunk so long on the Durham-Palmerston run.

Far 27 years John has been sales manager for the Alfred Rogers Co. Ltd. of Toronto, but recently has been ill for some time. He was born in Stratford and lived in Durham most of his boyhood years. The next brother Charles died about 15 years ago.

John was a member of the Toronto Board of Trade and the old Toronto Canoe Club. Surviving are his widow, formerly Mary Bevet Parlow; four daughters, Mrs Charles Rogers, Miss Audrey Lavelle, Mrs. O. D. Shortly and Miss Alfreda Lavelle, all of Toronto; two sisters and six brothers. The funeral service was held from A. W. Miles Undertaking Parlours, 39 St. Clair Avenue West, Tuesday.

JOHN HUDDY

Following an attack of flu which developed into pneumonia, John Huddy of Artermesia Tp. died at his home on Monday, at 23 years of age. Since a small boy deceased has been a cripple but had enjoyed good health generally until his last and fatal illness. In addition to parents, there survive one sister Evelyn and one brother Andrew. Funeral was held Wednesday to McNeil's cemetery, Priceville.

Well-Known Former Pricevilleite Passes in Toronto

MRS. NEIL MCKINNON

On Tuesday afternoon, March 9th, the death took place at her home, Coughlin St., Toronto, of Mrs. N. McKinnon, at 78 years of age. While death comes as a shock at any time, yet its force is softened when we see the patient linger between life and death for months as did Mrs. McKinnon. Once so full of life and vitality, friends like to think of her as she was when in health. For nineteen years, Mrs. McKinnon has been a resident of Toronto and while resident there her husband, the late Neil McKinnon passed away. Revering their memory are three sons and two daughters: Hector of the Tariff Board, Dept. of Finance, Ottawa; Dr. Neil and "Bob", of Toronto; Misses Ella and Laura, Toronto. Another son paid the supreme sacrifice overseas. Three sisters also mourn, viz Mrs. Wm. Walker, Mrs. A. McCabe and Mrs. A. Muir, all of Toronto.

The late Mrs. McKinnon was a daughter of Sandy Brown, a Scottish pioneer of Bentinck Tp. She first saw the light of day on Con. 9, Bentinck, on the farm now operated by Frank Twanley. After a period here, the parents and young family moved to Seone in Sullivan Township, and later removed to Durham, where the father entered the mercantile business with the late John Cameron. Here Mrs. McKinnon spent part of her school days, later removing to Priceville, when her father received the postmastership of Priceville. As Elizabeth Brown the subject of our sketch became widely known through her ability in this department of civil service, the same service being rendered in her late husband's period as Postmaster there. Her family were all born at Priceville, and the ties which bound them to this village are yet very warm. Mrs. McKinnon was a homemaker in the true sense of the word and her hospitable traits are yet a tender memory to many.

The remains are being brought to St. Columba church, Priceville, from where after service, interment will be made in McNeil's cemetery.

Hockey Gossip

Clinton, Durham's old opponents in semi-finals the past two seasons, disposed of Elora by 11-6 in second semi-final round, 3-2 in Elora and 8-4 at home.

Acton and Gravenhurst were our selection for Int. B finalists this season, but when Acton lost their home game in Galt 3-4 to Simcoe Tuesday night, their chances of going further do not look any too rosy. Whitty, last year's finalists against the Durham champions, have also been eliminated, by Belleville.

The Walkerton Herald-Times believes Durham's elimination by Elora was due to the absence this year of Raybould and Trushinski, the two Walkerton aces. Their loss was surely felt, and partially accounts for it. The balance of the explanation is the attack of the 'flu' suffered by five of the regulars before the series, which kept Elvidge, Durham's stiffest stick handler, out of the line-up both games while the others had not regained their best form.

Dick Payne, O. Sound Sun-Times sports editor, tells Durham to beware next season! Olympics are importing an entirely new crack forward line, including Sheedy of St. Michaels and a Gravenhurst star. In such a case, we'll have to see that Owen Sound is shopped up into the Int. A class, where a city of 13,000 certainly belongs! And Durham might also do a little importing!

NEW RELIEF OFFICER

At Council meeting last Wednesday Constable H. D. Scott was appointed Relief Officer for Durham with a salary of \$5 monthly.

Misses Annie and Julia Weir, Mr. and Mrs John Burgess, Mr and Mrs. Chas. McKinnon, Mrs William Smith and daughters, are in Priceville today, Thursday, attending the funeral of their aunt, the late Mrs Neil McKinnon, of Toronto. The same group were in Priceville on Tuesday at the last rites of Mr McKinnon's step mother, the late Mrs Charles McKinnon.

Robinson presented to the Reeve a fountain pen and pencil, as a slight token in recognition of the honor he had brought to the Township and himself in being elected as Warden of Grey County for 1937. Mr McArthur expressed his surprise and appreciation of the gift in a few well chosen words and the chairman and members of Council all added a few brief remarks, after which Council adjourned.

REV. J. T. PRIEST WAS GUEST SPEAKER AT INSTITUTE

The March meeting of Durham Branch Women's Institute was held at the home of Mrs R. H. Ledingham on Thursday last with a good attendance. The president, Miss Winnie Elyth presided. In the business session, plans were made for the annual "At Home", which will be a comedy play, to be staged by Holstein Dramatic Club on April 1st. Plans were also made for Miss Slichter's demonstration in house furnishing to a class of ten, whose names were chosen at random when all were placed together. This will take place April 27, at home of Mrs E. J. Schenk.

A solo, entitled "You Can Smile", was rendered by Mrs J. F. Giles; Current events, Mrs John Sharp; comments on the motto by Mrs W. D. Edwin; roll call, humorous story; several choruses by double quartet of girls, Gladys Gray, Marjorie Middleton, Mary Bourne, Freda Ritchie; Phyllis Wilson, Vera Luder, Bertha Glass, Clara Thompson, accompanied by Miss Leah McComb; piano solo, Mrs David Gowdy.

Rev. J. T. Priest was the guest speaker for the afternoon, taking his topic, "Our young people" from a prayer of Elisha, "Open his eyes that he may see". Some points he stressed were the danger of not seeing far enough ahead to realize the consequences; that women cannot deteriorate without taking men with them; temptations for youth have multiplied in the past years; when we are out of sympathy with youth we are old and of no use in the world; much depends on the guide posts of home and the church, as young people are often inspired by Christian ideals. The speaker concluded with the reading of a suitable poem.

A contest was enjoyed by dividing the crowd into groups for competition. An excellent lunch was served, lunch and program being planned by group having Mrs. J. F. Giles for convenor.

PERSONAL MENTION

Miss Elsie Ledingham left Monday for Chicago, and will spend a couple of months with relatives there. Mr. Chas. McFarlane, Bunnessan, and sister, Miss Margaret Toronto, have left to see their sister, Mrs W. Seth, in Alberta, who is in poor health at present.

Mr and Mrs Herb Atkinson are vacating their farm on upper Durham Road and this Tuesday are moving into town, to the home formerly occupied by Mrs. Neaves. Herb has rented his farm to Arthur Davis of Cainsville, an Englishman, a couple of years resident in Canada.

Miss Lucy Thompson leaves Thursday for Lastowel, where she will enter the Lucille Jones School there for a six months' course in hair dressing and Beauty Culture.

Mrs Peter Hay was confined to bed for a month with nerve and heart trouble, and was nicely getting around when she became a 'flu' victim. She is now making satisfactory progress.

Mrs. Chas. Seymour will address the Ranger Group of Girl Guides, Hanover, on Monday, March 22nd, in Hanover, on an imaginary travogue entitled "From Hanover to Pekin."

Mr. Hugh McCrae is seriously ill at his home on Bruce St. and his many friends anxiously await better news. Mr. McCrae was taken down with the 'flu' the first of week, and appeared to be mastering it, when other symptoms developed, from which he has lost his power of speech.

Arrow Bus Now Carries Outgoing Mail

The agitation for improved outgoing mail service from Durham, has been headed by the Post Office Dept. at Ottawa, which has advised the local post office that a contract has been made with the Arrow Coach Lines to lift a mail bag at 3.40 p.m. daily at Durham Postoffice, commencing on Wednesday, March 10th. This mail will close at 3.30 here, and the bag will be delivered for sorting to Guelph postoffice, thus catching night mails from Guelph for Toronto, Hamilton or elsewhere.

This new service allows an extra hour in afternoon for posting outgoing mail, and gives opportunity to post an answer to letters same day as received. When the Arrow bus resumes its summer schedule, this outgoing mail it carries will be open for two hours later—until 5.30 p.m. as the coach then leaves Durham about 5.40 daily.

The train service will yet carry the bulk of the outgoing mail, as all posted up to 2.30 will be despatched by afternoon trains, but the new outlet, we predict, will carry an increasing amount of mail matter, as it becomes better known.
