

In Business  
you are Courteous—

# Try Courtesy on the Highway

WHETHER YOU are a salesman or a customer, a manufacturer or a farmer, you, like most people, think and practice courtesy towards those with whom you do business. You thus lighten the burden of work and add to the pleasure of the days.

But do you carry this same courteous habit of thought and action onto the highways and practise it towards your fellow-motorist when you are driving? Unfortunately many do not! And why? There is no real reason. They just THINK differently towards their associates of the highway than towards their business associates.

I suggest to such drivers that you now resolve to Try Courtesy in your driving. That you refrain from "cutting in" which is one of the greatest hazards of present-day traffic and may put you or the other fellow or both of you in the ditch. Try Courtesy instead. That you drive at the speed of the traffic you are in and never "hold up the parade". That you keep well to the right at all times—there is lots of room. That you never pinch, pocket, or otherwise put your fellow-motorist "on the spot". Try Courtesy instead.

To these suggestions you can add many others if you will just THINK and drive in terms of courtesy. By so doing you will add greatly to the pleasures and safety of motoring for yourself and for others.

## Warden and Entertainment

### MUNICIPAL OFFICIALS, AND BAUCE, NEIGHBOURS ENJOY BOUNTIFUL HOSPITALITY

The weather man smiled approval Friday last, to Warden Mrs. Angus MacArthur, when she entertained in the beautiful Glenelg they entertained in a most elegant manner, the County Council members and other friends. Some of the guests were Mrs. J. H. Torry, host and hostess respectively. They found it necessary to limit the number of guests. Only two of the councillors were unable to attend, Reeves Joseph, Gerry of Meaford and David Allan of Shelburne. Coming a distance to attend the session, was the Warden's brother, MacArthur of Halleybury; A. Gowland, Elmira, former Warden of the Royal Bank, Durham; from Toronto were present, Mrs. Campbell, daughter and law of the home.

All arrangements went along smoothly. Four long tables laden on the lawn to the east of the home with the best of the art, while the young people of the district were attentive in their duties. Presiding over the banquet was Reeve Bley, of Meaford, Chairman of the Warden's Office of the County Council. This was a toast to the King, and to the singing of the National Anthem. The County of Durham was proposed by Reeve Emery of Collingwood township, and by Reeve Robt. Atchison of Lynn township. The Ladies' Aid Society of Deputy Reeve Miss Sydenham township and Reeve Deputy Reeve E. A. Galt of Sullivan township. The County Warden was proposed by Reeve Heighs of Holland township, and responded to by the Warden.

The toast to The Press was passed by Mr. A. E. Collins, Markdale Standard and read by Messrs. Post Scarborough, Hanover Post, Frank 1798 Chronicle and Peter Haman Review. There were also dresses by Ex-wardens John Philip, Derby; William Taylor, John Johnston, Owen Sound, J. McDonald, Bentloch.

After the banquet, the guests listened to short addresses by Oliver, M.P.P. and J. A. Elmira. The latter told of acquaintance with the Warden, when with Mrs. Boyce were forced guests at a stepping off the train at the mistake for Durham.

But it was not of "Banquet". The neighbors also had a hand in it and surprise of the host and hostess were called to have a party address, read by Mrs. Beth Brown. The address was a tribute to her worth and her charity. Her eulogy, Mr. Chas. Kitching read the honored couple's handsome silver service tray. This drew an appropriate response from both Warden and MacArthur.
