Scientists agree that properly made Bread is good for the teeth and bones. Recent laboratory tests prove this conclusively. These tests brought out, that in children a diet high in refined wheat is by no means incompatible with excellent calcium and phosphorus retention.

Miss Irene Fisher returned to Toronto after two weeks' holidays at her home.

The truth of the old adage was well exemplified on Tuesday last. "Time and tide wait for no man", when we assayed to view the scenic beauties of Manitoulin Island and on the way thither, our chauffeur, as was right, fully observed the rules of the road, in waiting for the green light, on three occasions, and other stop signs enabled us to get to the wharf just as the boat was leaving.

Not wishing to have the probability of getting our suits wet, we refrained from taking a running jump on board. So near our birthday too! But we had the pleasure of the drive to the County town and over the hills and dales of Guelph tp., starting with the sylvan beauties of the famed Irish Lake, our first sight of this noted spot.

From there on we pressed toward the goal, keeping the rules, and finished the course.

Miss Mary Tryon, M.D., of Markham Place, Detroit, paid her annual visit to the home of her youth here, for some nine days, leaving again on Aug. 28th for home. Her brothers Rev. Sager, and James Tryon, also of the U.S., made a one day visit among old friends here and returned with her. Before leaving, the doctor, familiarly known as Madie, rented the house to Mr and Mrs Arthur Bell, our principal here, now more convenient to the academy.

Mary Aldcorn the kindly affable daughter of Mr. Wm. Aldcorn here, recently returned from a trip to Europe, in company with Misses Elsie and Laura McKinnon, where they visited the grave of the latter's brother, who was killed in the war. Returning by way of Scotland they visited the birthplace of the late Neil McKinnon, one time postmaster here for many years. We were favored with a fine bunch of the beautiful blooming heather, picked at or near Blair-Gowrie or on the banks of the Morrison river. A side trip to the Scots and Burns countryside too, was taken, also to Abbotsford and Mauchline, etc. She left for her home in Regina on Saturday.

It was decided yesterday after meeting, to hold anniversary services and fowl supper, Oct. 17 and 18th in St. Columba United.

We were pleased to meet this Monday after many years since we last saw her, Mrs. A. R. Traynor, Toronto, formerly Miss Nathalie Greer who used to be organist in the early days when we visited Priceville for choir practice. It was pleasing indeed to be recognized by her after so many years intervening, and to be told of our looks which were favorable. She was accompanied by her brother, Dr. Leopold Greer and his wife from Unity, Sask. They took a view of the old tower from Castle Hill and visited many old friends here.

Mr. Eldon Runciman after some three weeks' holidays with his parents here, returned on Saturday. The holiday proved a pleasant one. Mrs. Runciman, on account of infantile paralysis in the city, decided to stay a little longer here with the three children.

A kindly send off and presentation was given to the popular Miss Catherine McVicar on Thursday night last, before leaving for St. Michael's Hospital, Toronto, to train for a nurse. A comforter and a fine kimona were presented along with many good wishes.

OBITUARY

DONALD CAMPBELL

One of the sturdy pioneers of Proton township, Mr. Donald Campbell, formerly of Swinton Park, passed away at his home in Toronto last Thursday in his 87th year. Although getting frailer, he was still keen of mind and enjoyed company up to the last. The Sunday previous he had had a pleasant auto trip, but next day he suffered two slight strokes. The following morning, Tuesday, a heavier stroke caused him to lose consciousness, and he failed to rally, succumbing two days later.

The deceased was born at West Bay, Nova Scotia in 1851, but when he was four years old, his parents moved to the McCormick farm in North Proton. After a couple years there, they bought the homestead on the south, just west of Swinton Park village, and this was the deceased's home for over 57 years. Taking over farm duties in young manhood he was wedded fifty-nine years ago to Mary McDougall of Dornoch, who predeceased him eight years ago.

To them was born a large family of twelve, seven sons and five daughters, of whom eleven survive: John and George of the Campbell Construction Co., Toronto; Mrs. Gifford (Isa), Will and Neil, of Vulcan, Alberta; Herb of Montreal; Mrs. S. G. Hehen (Flossie) of Proton; Ethel, Jessie and Margaret of Toronto; Reggie of Queenstown, Alta. The second son Archie, died some 35 years ago.

The late Mr. Campbell was a general and sympathetic man, of calm bearing, ever ready to assist a neighbor or friend. In his home life he was a devoted husband and father, who saw that all the family received a good education, and start in life. Nearly eighteen years ago, they retired from the farm at Swinton Park and removed to Orangeville, and seven years ago, after the death of wife and mother, Mr. Campbell established his home in Toronto, where several of the family were employed.

Service was held at the home in Toronto last Saturday evening, conducted by Rev. Colling of Kingsville, and the remains brought by motor on Sunday to his old home church, Swinton Park Presbyterian. Here the funeral sermon was preached to a crowded church by Rev. Arthur McThomson of Mono Mills, a former friend, while in Orangeville, while Mr. Pickering, the student pastor assisted in the service.

The pall bearers were six old neighbors: Neil McLeod, J. R. Wilson, J. McMillan, Neil McMillan, Neil Clark, Hugh McMillan. Interment was made in Swinton Park cemetery.

Mr and Mrs James McInnis of Holstein visited last Wednesday with a former neighbor Mr. John Sinclair.

A number from this vicinity attended the funeral of the late Donald Campbell at Swinton Park, Sunday.

Miss Lois Agnew returned to Kilsyth to stay with her grandmother Mrs. Agnew and attend High school.

Mr Lloyd McEachnie, Guelph spent a few days with his parents Mr. and Mrs. Neil McEachnie.

Members of the Alex Gillies family Buffalo, were guests the first of the week with Mr and Mrs Alex McPhail.

Mrs George Scott visited last week with Mr and Mrs Sam McMurdo.

Mr. George Wale is home from Toronto for a week's vacation.

Mr and Mrs Robert McKinney and Mr and Mrs. Will McKinney were visitors at Mr. Jas. McKinney's in Georgetown.

We hope to hear better reports as to the progress of our sick ones. Messrs Robt. Campbell and G. W. Parslow, neighbors living on adjoining farms on con. 14, are both patients in Toronto hospital.

Mrs Wm. Jack who has been far from well, is having an x-ray. Mrs Hector Jack has been in a very serious condition in Orangeville hospital from blood poisoning caused in a very simple manner. A week ago a piece of screen door wire pierced her finger. Infection set in and at present she is having a hard time to pull through.

Ontario's Man of Action

OLD MAN ONTARIO speaks for the great mass of our citizens when he says, "Thank you, Mitch".

Only too well he remembers the sorry plight into which bad government had brought this great province three years ago. Spendthrift politicians were dragging us deeper and deeper into debt. Their millionaire friends were being allowed to fleece the public treasury. Every department of the public services was honeycombed with an army of hangers-on.

It was then the people turned to Hepburn in the hope he could and would carry out the promises he made. Perhaps skeptics may have attributed some of his promises to youthful enthusiasm—but Hepburn kept his word—he's Ontario's Man of Action.

Today Honourable Mitchell F. Hepburn submits the most successful record any Ontario Prime Minister ever presented before the bar of public opinion.

Hepburn Earns the Gratitude of the Electorate

HE has earned the thanks of practically every man, woman and child in the province.

Wealthy beneficiaries of estates which had been allowed to mulct the province to the tune of 22 million dollars will not thank him for recovering that huge sum—but nearly everybody else will.

Timber profiteers rue the day on which Hepburn came to Queen's Park—but the people of the North rejoice when they see large new industries springing up and old ones reviving. They join Old Man Ontario in his enthusiasm for the ending of unemployment in the timber area and for turning George Henry's deficits into surpluses.

"Big Business" may not be singing Hepburn's praises—but the common people appreciate the fact that he saved them millions in interest rates.

Hepburn Saves Hydro

IF the Quebec power barons had a vote in Ontario, it would certainly not go to Hepburn—but Ontario knows that the Government's Hydro policy not only saved this great enterprise from ruin, but that it has already saved over four million dollars to Hydro users, and the new contracts will eventually effect total

savings to the province of over six million dollars a year. Profiteers from the liquor toll gate that Hepburn promised to abolish will not be on his side—but the people approve his prohibition of the sale of liquor in restaurants which the Henry Government would have permitted.

Hepburn Proves to be The Tax-Payer's Friend

THAT "Thank you, Mitch" covers a wide range of public services, all administered with an efficiency and economy hitherto unknown.

It says: "Thanks" for the lessening of municipal burdens—that mill on the tax rate, the increase in township road subsidies, the assumption and increase of Mothers' Allowances and the assumption of Old Age Pensions.

"Thanks" for the abolition of the amusement tax.

"Thanks" for preventing the exploitation of labour by riotous aliens.

"Thanks" for the advanced labour legislation, such as— industrial standard codes, extending minimum wage laws to men, and setting up a tribunal to ensure a square deal to employees and employers. This New Industry and Labour Board has already justified its creation by effecting settlements in several disputes of long standing.

"Thanks" for the modernizing and extension of our highways, and for promoting tourist trade on a greater scale than ever before.

"Thanks" for the improvement in the preventive measures for the health of the people, and for the better care of the sick— physical and mental.

"Thanks" for the progress of education in Ontario, and for assuming the costs of examination fees.

"Thanks" for the advancement of every Department within the jurisdiction of a Provincial Government.

Symbol of a grateful people, Old Man Ontario speaks for the great mass of our citizens when he says, "Carry On, Hepburn".

Those Who Are Entitled To Vote

Every British subject, 21 years of age, and resident in Ontario since October 6, 1936, is entitled to vote at the forthcoming election—but the name must be on the voters' list.

A vote for the Liberal candidate on October 6th is the practical way the Ontario elector can join in the mandate, "CARRY ON, HEPBURN".
