KNOX CORNERS

At the service at Knox on Sunday Mr. Gordon of Chatsworth gave a most inspiring message from the scripture passage: "For I was an hungred and ye gave me no meat"; Matt. 25: 42, 43. She told of experiences while with her husband they were missionaries in China. In that land they are indeed hungry for the gospel and who have had the privilege of hearing the gospel all our lives will be held responsible if we withhold it from those for whom Christ died, for Jesus said "Inasmuch as ye did it not to one of the least of these ye did it not to me"; Matt. 25: 45. A Thankoffering of \$16 was contributed and the choir had a suitable selection.
Mr. and Mrs. Harold Watson and Bobby visited on Sunday with Mr. and Mrs. Allan Aitken near Holstein.
Friend after friend departs: Who has not lost a friend? Another friend and neighbor has passed on, the late Mr. John Marshall, who has lived his lifetime in the neighborhood. He died last Thursday, and the funeral, which was held on Saturday, was very largely attended. The deceased was a good neighbor and ever a friend in need. He loved the services of the little church at Knox where he was an elder for so many years and was deeply interested in Missions and gave liberally. We would extend our sincere sympathy to Mrs. Marshall and the family, and the sisters, and to all who mourn his passing.

Working as usual on our 120th Birthday

One hundred and twenty years ago there were only seven of us working on the staff of the Bank—a cashier, an accountant, a paying teller, a second teller, a discount clerk, a second bookkeeper, and a porter—that was the entire staff. Today we are more than 6000, in more than 500 Branches, all working to render modern, experienced banking service.

Our Bank's career has been inseparably woven into the career of the nation and every part of it. Founded in 1817, the Bank at once became a financial pathfinder for Canada's pioneers. Through all the intervening, eventful, growing years of Canadian life, our Bank has kept strong and efficient—by pursuing a policy of safety for depositors and by keeping our services always abreast of modern conditions.

In times of expansion and depression, in the best and the worst of economic conditions; through peace and wars, panics and political upheavals, Canadians have learned to rely upon the unwavering safety and banking assistance of the Bank of Montreal. Older than the Dominion itself, yet young as the latest sound business enterprise of Canada, we are working as usual on our 120th Birthday.

We hope the hunters will use common sense as to where they are shooting as they are in an open country, using high-powered rifles, and someone may get shot. Science proves BREAD IS GOOD FOR TEETH AND BONES

Scientists agree that properly made Bread is good for the teeth and bones. Recent laboratory tests prove this conclusively. These tests brought out, that in children a diet high in refined wheat is by no means incompatible with excellent calcium and phosphorus retention.

Give your children plenty of the delicious, wholesome Bread we bake. Eat it yourself—for health and enjoyment. And let us take care of your other baked goods needs, too. We produce a wide variety of fine quality products, always fresh and perfectly baked.

A unique night in the Durham Masonry was last when the Worslipful Grand W. J. Dunlop of Toronto, of the University Extension, was a visit to his native town. He was the son of a former Mayor here, and after the first or four years of his life in the moved to Aberdeen where he attended school. Since that Dunlop has lived in various towns and cities, advancing long educational lines, and for 15 years he has been in the cog in the staff of the Toronto University. He has also advanced Masonic circles, and has returned to the home of his guest speaker.
Some one hundred and masonic brethren sat around banquet tables in the Town, partake of a sumptuous spread by the ladies of Can. Grey, I. O. O. F. Perhaps 40 or 50 brethren of the local lodge, A.F. & A.M., the others from Hanover, Harriston, St. Fergus, Orangeville, Dundas, erton, Chatsworth, Owen Sound, Elgin Kincardine and Toronto.
Following the repast W. J. Hughes officiated as toastmaster first proposed a toast to the National Anthem. "The proposed by Rev. W. H. S. Durham, in a bright, address, the gist of which, Masons, from ages past at the of the Order, were me things". R. W. Bro. Herb Owen Sound, D. D. G. M. District responded in a fine "The Grand Master" was R. W. Bro. W. H. Kross, M., in which he narrated a summary of the Grand Master and activities. This found from Grand Master Pinder outstanding address which, been interest of all. He proud he was to preside as his birthplace, of such days here and at Albert Masonic visitations, and good will among the brethren in north-western. He stressed the fact that should be the best citizen Mason's purpose should be happy himself, and endeavor joy and happiness to others.
A feature of the night presentation from Durham, finely carved gave to Mr. Dunlop, made and presented B. O. R. E. Richardson, from the lampstand of the gan in use in the Baptist Durham when his father here back in the service mother had accompanied of the congregation, in a Scotch thistle, with a plate inscribed, and a wooden box. Mr. Dunlop, ed by the gift, with associations and said it was treasured as a very great night in his life. turned to his birthplace, would use it in Grand Lodge.
The last toast was that of Dr. J. E. D. D. G. M. Dr. Gordon how the visits of other lodges, added to sociability to a lodge, as they meant in maintaining by feelings which should the brethren and all. Responses were made. Bride of Priceville, who classed as a visitor, who by at home in Durham lodge; by Bro. J. A. M. who was also at home of brethren, remarking as brotherly spirit created lodges intermingling much to quell bitter rivalry between towns in the.
Bro. Hugh Temple, to respond, told how he from town, last time some years ago when Jr. lacrosse team, but that good feelings now p
