PRICEVILLE AND VICINITY

PRICEVILLE

The Christmas tree Social held in St. Columba United Church passed off very creditably, to teachers and scholars, in the various selections presented. The first musical selection by some 20 or perhaps more scholars, took my fancy very much, and created a good opening impression. The pantomimes were good. We couldn't see why the smallest tots should be at the back in one of them.

Recitations were fairly well given, and acting in dialogues were well done in some cases. Several of the pupils from Top Cliff School contributed to the program. A quartette by four male members of the Dramatic Club brought forth a genuine encore, which was replied to later. They were designated as the Lion Tamers. Mrs. A. Bell accompanied them on the piano. Mrs. J. C. Harrison accompanied the scholars, and for the choir of the church, who sang two Anthems, "Nazareth" and "All hail the glorious King." Mrs. H. B. McLean taking the obligato solos in good voice, time, and form. In due time Santa arrived just at the conclusion of the program, and helped with the distribution of packages large and small taken from the tree. The scholars thereafter mounted the platform and passed in review before his fur clad worship, each receiving a bag of candies as they passed.

Only Two Changes in Durham Council
(Continued from Page 1)
on bus; establishment of the Longworth factory, which provided considerable employment and for which Mr. Art McGowan deserved much credit; building new sidewalks on main street. He hoped a sufficient number would stand to form a strong Council; each should do his part. He was not a candidate for re-election, but felt his two years experience as Mayor was well worth the services given.

Ex-reeve Allan Bell, also a Mayorality nominee, thought the small attendance denoted either lack of interest or that electors were well satisfied with present Council. Being absent or ill much of the last two years, he had not taken much interest in Council doings, and would not criticize when he knew little about it. He had served several years in Council, seven as Reeve, and would now stand for Mayor, as many electors had urged; if they saw fit to elect him, he would, as in the past, do his best to fill the office with honour and dignity.

Coun. Don. McQueen said it was up to older Councillors to first qualify for Mayor. He would again qualify for Council. Art. McGowan and R. L. Saunders, other nominees, were absent.

Nominated as Reeve, J. N. Murdoch was absent: Robt. Whitmore had no criticism to make of present Council and would leave decision in abeyance until next day. Malcolm McCallum declined to stand.

Reeve Hunter, absent when first called, thanked electors for their confidence the past five years, and dealt with County business.

County rate had been reduced 1 mill but should not have been. He had opposed it. A new up-to-date heating plant costing \$9000 to \$10000 was necessary in Co. buildings. The four sessions per year of Co. Council was not decided on, but would be at January session. He believed 3 three day sessions and 1 four day would decrease time spent there and increase efficiency.

The Co. Road Com. had ratified new agreement with Durham, and town had received \$386.60, spent on George St. and Durham Road to hospital. Next year \$709.37 will be received. He claimed that some chairmen of Committees knew little about their work, and some Continuation Schools have been getting such big Co. grants unfairly that they got a long without a local levy for the School, and yet have a surplus. The County has been paying 66% of entire cost of keeping up one Cont. School, but no more.

D. M. Saunders, nominated for Council asked, "Who runs relief?" It had been a skin game; also streets were sanded when they shouldn't have been, Coun. Stonehouse explained a Relief Com. had handled it but got fed up with it and last spring Council appointed Constable Scott, Relief Officer at \$5.00 a month.

Harry Krees complimented 1937 Council, declined to run now but might in a year or two. Robt. Hughes also was not seeking office now but might in future.

Clarence McGillr, Utilities Com'r reported on hydro and waterworks. Not much change. Service charge was thrown off causing \$1000 loss hydro revenue, but \$500 of this was saved by \$1.00 cut in horsepower cost. The waterworks branch was just getting by, but replacements of mains were getting fewer, and outlook was brighter for the future.

BREAD IS GOOD FOR TEETH AND BONES

Scientists agree that properly made Bread is good for the teeth and bones. Recent laboratory tests prove this conclusively. These tests brought out, that in children a diet high in refined wheat is by no means incompatible with excellent calcium and phosphorus retention.

Give your children plenty of the delicious, wholesome Bread we bake. Eat it yourself—for health and enjoyment. And let us take care of your other baked goods needs, too. We produce a wide variety of fine quality products, always fresh and perfectly baked.

HENDERSON'S BAKERY

SWINTON PARK

As there was no Review last week, we did not have the opportunity of washing editor, staff and readers a Merry Christmas, so now we hope everyone has enjoyed Christmas festivities, and we wish you all a Happy and prosperous New Year.

In this corner we think old Santa was very busy calling at every home, remembering the wishes of every little girl and boy, and more than fulfilling the expectations of the older folk. Many of the absent ones were home from city and town, bringing with them joy and gladness; some staying for the day, others over the weekend, and some for a longer time. Coming by auto was difficult, those so doing generally getting as far as Hopeville, and being met there by team and sleigh. These enjoyed a drive home, where the fires of wood and love were both burning brightly, and all were well.

Sleighting good, weather not too cold, and soon we will be looking for the January thaw, as we hear of cisterns being dry. We have had a very steady month of winter.

Mrs. Heard of Bayfield, who has been for three months with her daughter, Mrs. Delbert Haw in the Park, not enjoying good health, was cheered at Christmas by the presence of her three sons and daughter-in-law coming from Bayfield and Goderich.

At Hugh McMillan's were daughters Isabel and Beatrice, also son Donald and friend.

With Kenneth Ferguson and mother were Mr. and Mrs. George Duncan and family. George had the misfortune to break his car, but luckily got a sleigh and landed safely.

At James Hardy's were Mr. Copeland and two sons from Brampton.

Mr. and Mrs. Dick Hardy and daughter, also Mrs. George Haw, are enjoying a holiday with Toronto friends.

Mrs. Hardy Sr. is playing the Good Samaritan by spending a few days with her old-time friend, Mrs. Elizabeth McKinnon, who has for so many years been shut in with rheumatism.

Philip and Clarence Harrison have supplied the roast beef for several homes. They killed three fine young cattle last week.

The mail man also did his part, with cutter full of cheer of all kinds. We have heard from all parts of the world, of good cheer.

PRICEVILLE AND VICINITY
