# FIFTY YEARS AGO

Fifty years ago when the organized fight against tuberculosis started, about 300 persons out of every 100,000 then living, died annually from this disease.

To-day in Canada, only 60 persons are dying of tuberculosis out of every 100,000 and the death rate is steadily declining.

If the same number of persons in proportion to population were dying from tuberculosis to-day as there were 50 years ago, we would have in Canada this year over 33,000 deaths—we have less than 7,000, a large enough number to be sure, but by comparison it shows that organized work has been successful.

In Ontario last year there were 1,327 deaths from tuberculosis, a death rate of less than 36 per 100,000 population, with probably 6,500 or more living victims of this disease within the Province. The saddest part is that more than half of those who die or now suffer from this disease are young people in from this disease are young people in the prime productive period of life.

In spite of the greater diagnostic facilities offered the public and the improved methods employed, it is still true that only 10-15 per cent. of sanatorium admissions are found to be in the early stages of the disease. This means that far too many unrecognized cases are still threatening their families and neighbours with infection. To find the afflicted and to give ther treatment and care, is the one aim of the Toronto and Muskoka Hospitals for Consumptives and the Queen Mary Hospital for Consumptive Children. Their success depends largely upon the amount received through voluntary contributions, for which an urgent appeal

## PRICEVILLE

The December meeting of St. Colof Miss Belle Weir. Mrs. Ritchie pre- friends sided and read a paper on the study book, prepared by Miss Jewel Mc-Arthur. Several carols were sung. Mrs W. Meads gave an excellent summary of current events. A group of mission band girls sang two choruses. Rev H. E. Wright gave a message for the closing year and led in a prayer of consecration. The W.M.S. officers for 1938 are as follows: President, present enjoying better health Mrs. E. Ritchie; vice-president, Miss B. James; secretary, Miss B. Weir; treasurer, Mrs. G. Whyte. Associate Helpers and Missionary monthly secretary, Mrs. H. B. McLean; supply secretary, Miss L. Mather: Mission Band Leader, Miss Shortreed; Baby Band Leader, Mrs. W. Meads. Community Friendship Committee Mrs. F. McKinnon, Mrs. W. Meads, Please will you help this life-saving work by sending a gift to National Sanitarium Association, 223 College Street, Toronto. Mrs. W. McKechnie, Miss Shortreed, Mrs. T. Harrison, and Mrs. T. Weir. Miss Lizzie Mather enjoyed

season's festivities at the home of Mi and Mrs. Robert Vause. Mr. and Mrs. Elmer Watson and

Velence proves

Scientists agree that properly made Bread is good for the teeth

and bones. Recent laboratory tests prove this conclusively. These

tests brought out, that in children a diet high in refined wheat is

by no means incompatible with excellent calcium and phosphorus

Give your children plenty of the delicious, wholesome Bread we

bake. Eat it yourself-for health and enjoyment. And let us take

care of your other baked goods needs, too. We produce a wide

variety of fine quality products, always fresh and perfectly baked.

**HENDERSON'S BAKERY** 

19 GOOD FOR

TEETH ... BONES

# COSTLY

For 62 years doctors have been coming daily to this Hospital to donate their time without charge. During the past year over three score of them donated 40,000 hours of work to the task of giving sick and injured children the very best chance for the recovery of health

and happiness. Crippled? Deformed? Hurt in an accident? Suffering from Disease? Just "yes" to any of these questions has always opened the doors of this institution to

children in need of hospital care. No distinction has ever been made in respect to race, creed or circumstances.

The Provincial and Municipal Governments each contribute a fixed amount per day for those who cannot pay. But these grants do not contemplate the cost of medicines, operating rooms, oxygen, X-rays, plaster casts, anaesthetics, special diets and extra nursing-and they do not provide for the cost of many, many other neces-

sary items. Each year we depend on public subscriptions to cover these extra costs. Won't you help this very worthy cause?

Please send your gift direct to 67 College Street, Toronto. We employ no canvassers.
