Science proves **BREAD** IS GOOD FOR TEETH & BONES

Scientists agree that properly made Bread is good for the teeth and bones. Recent laboratory tests prove this conclusively. These tests brought out that in children a diet high in refined wheat is by no means incompatible with excellent calcium and phosphorus retention.

Give your children plenty of the delicious, wholesome Bread we bake. Eat it yourself—for health and enjoyment. And let us take care of your other baked goods needs, too. We produce a wide variety of fine quality products, always fresh and perfectly baked.

The fine Christmas tree is still to be seen in all its beauty though the 100 bulbs have been removed. Miss Mima Wright is home in her own house from the nursing home in Flesherton, much improved in health. The weather man is certainly making up for last winter's fine chances to get around. As for ourselves the next time we venture out, we'll stay at home! With deep snow and a heavy load (we had not been in a hotel or a dive) we were unfortunately to take a dive. But with kind help we were finally placed right side up, in time for train after all. All's well that ends well.

Congregational meeting of St. Columba church is being held on Wednesday of this week, when the question of celebrating 50th anniversary of the opening of St. Columba will be brought up. Further news of the meeting will be available in the near future, and other matters discussed. Mr. and Mrs. Fred Karstedt were delighted passengers on a conducted tour to the great City of New York. They returned pleased, much refreshed, and rested by the trip. We were very gratified on the receipt of a fine card portraying a sky scraper of 22 stories.

We were sorry to hear on returning from Christmas festivities, of the death of two old time friends, of camp life of many years ago: St. Sgt. John Weber, Kimberley and Capt. Dr. E. K. Richardson, Toronto, of the Flesherton company. Our sympathy goes out to the bereaved families in their hour of sorrow.

Mr. and Mrs. Fred Kirktown and daughter, Kathleen, also Lenora Jackson of Patricia Alta., Mr. and Mrs. Robt. Kirktown and 2 children, Mrs. Kirktown Sr. of Holland Centre, Mr. and Mrs. Richard Sewell and son, Carl, and Mrs. Vandelour spent New Years at Mr. and Mrs. Gordon Kirktown's of town. Some remaining over till Monday.

The W. M.S. and W. H. societies will meet on Tuesday, January 18th at the home of Mrs. Wilfred Watson. Mr. Innis McLean, returned to Toronto last week, after spending the Christmas and New Year holidays with his parents.

Miss Margaret McArthur returned home after spending sometime in Toronto.

Mrs. Dunn of Algoma returned to Algoma after visiting the Oliver families and other relatives on the O.D.R.

Misses Mary Mather and Kathleen Burnett went to Owen Sound to take a short course, catering to tourists, being held by the Dept of Agriculture.

Mr. Jim Sturrock has a new radio installed in his home.

Mrs. Donald Campbell left on Saturday to visit friends at Niagara Falls. Miss Florence McEachern is assisting in the home.

Mr. Donald Black has gone to Niagara Falls to see his brother, Joe Black who is very ill. Sacramento of the Lord's Supper

There are only a few left who attended day school and Sunday School with Archie Ferguson, and met him in every form of life all these 75 years with a friendly handshake and pleasant word. Three years ago Mr. and Mrs. Ferguson celebrated the 50th anniversary of their marriage at their home, holding it in the form of a reunion of the Ferguson clan: family, relatives, friends and neighbors: a fine gathering of well-wishers on a beautiful July day.

HOPEVILLE

Another pioneer of this vicinity has answered the last call. After a short illness of a couple of days from a heart condition, Mr. Archie Ferguson, Con. 14 passed away Sunday the 9th, aged about 75 years, leaving his widow the former Miss Mary Campbell, who has been in poor health for several months, and a family of seven daughters and one son. They have the sympathy of a wide circle of friends in their bereavement. Funeral was held Tuesday at Swinton Park church.

At the council meeting held in the village Monday, Mr. Frank Hendry was appointed Road Superintendent. Mr. Allan Stewart and Mr. Chas. Haw auditors and Mr. W. R. Jack, Ventry, assessor for 1938.

Mrs. George Shand Sr. spent a few days last week with her daughter, Mrs. Henry Christie.

Mrs. Jas. Riddell visited her son Creighton and family, Snelgrove, the first of the year.

Mr. Gordon Ferguson, Woodland, spent a few days at the old home on the sad occasion of the sudden death of his father, the late Archie Ferguson.

On account of the inclement weather and poor roads the local church attendance the past two Sundays has been very slim.

News seems very scarce since the New Year storms which closed our roads for car traffic. We are not exactly frozen up but just slowed up. One good thing it gives us a chance to visit a nearby neighbour, a calling on Mrs. Dezell Monday afternoon we found her sitting knitting, feeling well and bright despite her 87 years.

Mr. George H. Gilkes visited recently in Toronto combining business with pleasure.

Mr. Walter Benham was down to Toronto a few days and returned with a good used Chrysler car.

Dr. J. Fettes, Iowa, Miss C. Fettes, Durham, Miss Laverne McEachnie, Guelph were guests at New Years with Mrs. Nell McEachnie and Miss A. M. Fettes.

SWINTON PARK

This week it is our sad lot to tell of the death of one of the old brigade of Swinton boys, with whom we played 70 years ago, Archie Ferguson who died on Sunday morning, after only ten days illness, aged 75 years and three months. Archie was in his usual health on Thursday night, woke up in great distress early Friday morning. Dr. Lindsay of Dundalk was called, and assisted by nurse McDonald of Dromore, gave of their best to allay the suffering, but death was in the cup, caused by a ruptured heart. There are left to mourn his aged partner, who also has been in very poor health for some time past, with eight daughters: Mrs. Elizabeth Haw, living close by; Sadie, Mrs. Will Christie in Alberta; Ethel, Mrs. John Parslow, Niagara district; Mrs. Florence Fisk of Toronto; Annie, Mrs. James Sturrock, Priceville; Peggy, Mrs. Jack Carson, Oshawa; Nellie, Mrs. Bob Lane, Georgetown; Gladys, Mrs. Gordon McLeod, at home. Also one son, Gordon Ferguson of South Egremont; a number of grandchildren, and one sister, Mrs. McGillivray of Priceville. There are a host of nieces and nephews, widely scattered.

Mr. Ferguson was born on con. 15, Proton and has lived his life there; the youngest member of a family of ten, five girls and five boys, the children of Mr. and Mrs. Archibald Ferguson, pioneers of this place. He attended Swinton Park school and was an adherent and supporter of the Presbyterian church. Fifty-three years ago he was married to Mary Campbell, also of this place and they together built a home on lot 13, con. 15, and there have lived all these years, with their share of sorrows and joys; their large family growing up and gradually going out on their own to different parts, but always coming home, where their associations were ever pleasant. All are home for the funeral excepting Mrs. Christie in Alberta, who will deeply mourn the death of an ever kind father. The sincere sympathy of the community goes out to all the bereaved ones, especially Mrs. Ferguson in her illness.

There are only a few left who attended day school and Sunday School with Archie Ferguson, and met him in every form of life all these 75 years with a friendly handshake and pleasant word. Three years ago Mr. and Mrs. Ferguson celebrated the 50th anniversary of their marriage at their home, holding it in the form of a reunion of the Ferguson clan: family, relatives, friends and neighbors: a fine gathering of well-wishers on a beautiful July day.

HOCKEY

Chesley Won from Durham

(Continued from Page 1)

Phillips and Graper went through the Durham line, Graper doing the scoring. Bolger was penalized for boarding Graper. Five minutes later Pickard and Crozier went down, Crozier lifting the puck into a corner. Pickard, went in after it, and shooting from almost straight opposite, the rubber deflected in off Watt's stick.

Bolger scored first for Durham just before the bell rang, on R. McGirr's pass. Chesley 2, Durham 1.

The second period was scoreless but there was some plenty fast hockey.

In the third period, Pickard was penalized for boarding G. McGirr and Durham took advantage Bolger and Tucker racing through to tie up the score, Bolger getting the counter. Tucker got an assist on the next score when he passed out to R. McGirr to put Durham in lead 3-2.

Three minutes before the bell rang, Graper, starting at his own net stick-handled through the entire Durham team to tie up the score 3-3.

The first five minutes of overtime went by with no score and in the second the Colts scored two quick goals, Pickard getting the first one on a pass from Phillips from a face off behind the net and from the centre face-off Schneider and Graper went in on top of Watt, Graper doing the scoring.

Durham — Goal, Watt; defence, Wilson, J. Noble; centre, R. McGirr; wings, Bolger, O. McDonald; subs, R. Noble, Kress, Tucker, G. McDonald.

Chesley — Goal, Marklewitz; defence, Pickard, Allen; centre, A. Phillips; wings, Graper, Schneider; Subs, Crozier, B. Phillips, Murphy, Durie, Fenton.

Referee — Pletch of Walkerton.

Durham Juniors lost their second straight League game Monday night to Hanover by 3 to 5. As Hanover also beat Chesley 5 to 4, they are now on top of the heap, and Durham lads in the cellar. It was Durham's first home game, and it looked good for a local victory at first with a 3-1 lead, but by end of 2nd period, Hanover boys had forged ahead to a lead 4-3. Both teams missed many openings in final frame, or shot into goalies' pads, but just before the bell Hanover added a 5th goal for good measure.

The boys played smart hockey, showing plenty of speed. Jamieson, MacDonald and Campbell scored for Durham, Doersam 3, Blue and Moose for Hanover. Brown of Walkerton refereed.

Hanover: Goal, Gardiner; defence, Vanlyke and Huenemoeder; centre, Blue; wings, Doersam and Hoffman; alternates, Ripple, Miller, Patterson

Durham: Goal, Watt; defence, J. Noble and R. Noble; centre, Bert Whitmore; wings, Starr Jamieson and A. Allan; alternates, J. McIntosh, Don Campbell, G. McDonald and Ross Kearney.

Last Friday night Durham rink was the scene of two more or less exciting hockey games, between the High Schools of Mount Forest and Durham. The girls' game was played first, and the final score, after two frantic periods, was 2-0 in favor of the visitors.

The boys provided a better exhibition of hockey, but only because they had more practice. The locals won 7-6. Lunch was served afterwards in the school.

Durham girls were: Grace Vollett; Jean McGirr; Kay Wallace; Betty McIntyre; Marjorie Middleton; June Elvidge; Kay Renwick; Eileen Wanamaker; Helen Macdonald.

WE NEED YOUR HELP— THIS YEAR! EVERY YEAR!

Needy children from all over the Province are treated regardless of race, creed or financial circumstance.

This policy has been continued for over 60 years in the firm belief that everyone who understands the facts would want this great work to continue... would agree that no Ontario child should be denied a chance for health or escape from deformity if mere money makes the difference.

Over 95% of our beds are in Public Wards. The Hospital receives no support from the Toronto Federation for Community Service because patients are accepted from all parts of the Province.

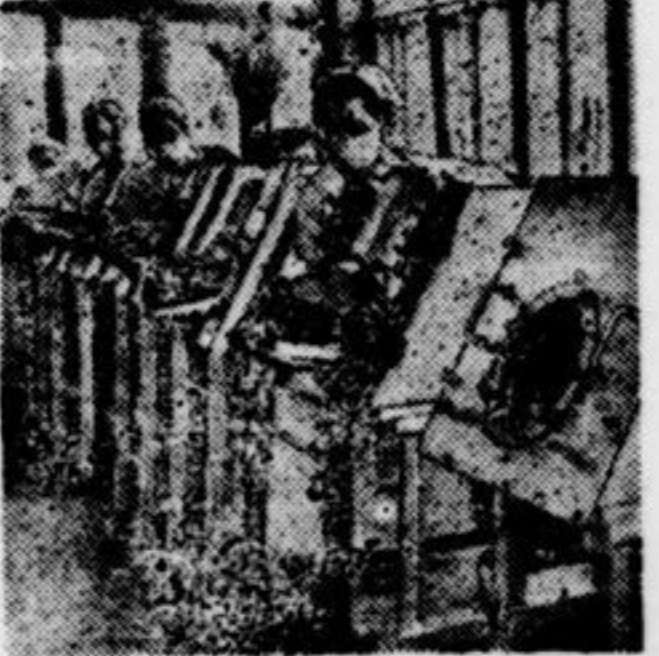

We must therefore appeal to a humane and generous public to take care of an annual deficit... this year it is \$78,930.53.

Please mail a donation to the Appeal Secretary, 67 College Street, Toronto.

The thanks of little children will be your reward.

The Hospital for Sick Children

IRON LUNGS produced in the race against time when the lives of children from all over Ontario were at stake during the Polio Epidemic. They provided the only chance for life during the critical stages of the disease.

Every morning in the year famous specialists come to our operating rooms to perform their services. More than 5,000 operations are performed annually. There are many extra involved and the maintenance of this necessary service is very costly.
