THE ROLL CALL

MRS. THOS. WILSON

At her former home, the home of her son Samuel here, Mrs. Thos. Wilson died on Sunday in her eighty-third year. She had been ill before Christmas, but recovered, and again became ill two days before her death. The machinery of life had worn out. Deceased was Mary Elizabeth Reay, daughter of the late Mr. and Mrs. Harry Reay, who was born at Vickers in Bentinck. Here she resided until her marriage fifty-seven years ago to Thos. Wilson, who predeceased her in October 1931. They farmed on various farms in Bentinck until in 1903 they removed into Durham, first living on Queen St. south and later in the cottage south-west of the C. N. R. station.

A family of two sons and two daughters mourn a loving mother; Bert of Sask.; Samuel J. of Durham; Mrs. W. J. Hunter (Jennie) of Kerrobert, Sask., and Mrs. John Wells (Mamie) of Bentinck. There are 16 grandchildren. The oldest son Bert is now home and the Western daughter, Jennie, will arrive Wednesday, also before the funeral.

There also survive four brothers and two sisters, all in Bentinck: John, Harry, Chris, and Jos. Reay; Mrs. John Mordick and Mrs. Jos. Edmunds.

The late Mrs. Wilson was a true neighbor and friend, devoted to her family, her home and her church—Durham Baptist, of which she has long been a member.

The funeral service will be conducted by her pastor Rev. J. T. Wood, at her home on Thursday afternoon.

CUNNINGHAM MOORE

A name long linked with Glenelg Township, was Cunningham Moore, who passed away Friday in his 75th year. For sometime he suffered impaired health and with no prospect of ultimate recovery. Death came rather in the light of a benefactor. Deceased was the son of the late Jas. and Esther Moore, and was born in 1862. Outside of serving for a few years as assessor, he was not in the public eye, and beyond the confines of his own township, was little known. He is survived by his wife, formerly Sarah Jane Acheson, also two sisters and two brothers; Mrs. John Acheson, Manitoba; Mrs. Hugh Firth, Durham; John of Holland Tp. and Thomas of Glenelg.

MRS. CHARLES REID

Known around Durham and district as Violet Fallaise, Mrs. Reid's death at her home in Toronto last week brought sorrow to former friends and neighbors in Durham and Glenelg, where she was born 39 years ago. She was the youngest daughter of the late John Fallaise and Mrs. Jessie Fallaise, now of Toronto and in September 1920 was wedded to Charles Reid of Toronto. On Feb. 3rd, Mrs. Reid gave birth to a baby whose death took place shortly after birth and a few days later the mother passed on. Mourning with the husband, are the mother, two sisters and one brother, viz: Jean, Mrs. J. M. Kinsella, and Loretta, Mrs. Noble, both in Toronto, and Dr. Theodore Fallaise, Pickering. The remains were brought to Durham Saturday last for interment, service first being held from Durham Baptist Church, conducted by Rev. J. T. Priest.

Bill for Japanese Exclusion Talked Out in House

MISS MACPHAIL'S WEEKLY LETTER

We have covered a lot of ground this week; in fact, at least. The talk varied from a studied calm on Japanese immigration, concern over traffic casualties, tariff cuts to Western Canada, intimidation of employees and the present working of the Farmers' Creditors Arrangement Act, to a furor of excitement on corrupt election practices.

Oh yes, and the flag. Believe it or not, we are soon going to have enough confidence in ourselves to have a flag of our own. Mr. Neill of Comox-Alberni (B.C.) introduced a bill, the purpose of which was to virtually exclude further Japanese immigration, due to the fact that the Japanese cannot be assimilated and too, that they present an impossible competition to the Canadian, with our very different standard of living. Mr. Neill's position was supported by every member from British Columbia, of whatever party. Mr. Green, Conservative, stated that the British Columbia Government estimates that there are approximately 20,000 Japanese in the province and it is certain that the Province can absorb no more. The Japanese birth rate is 20 per 1000, while the birth rate of whites in British Columbia is 12.6 per 1000. Obviously, the situation will get rapidly worse.

As was pointed out repeatedly, the Japanese people do not intermarry with white people. They are a race apart. Their children attend language schools after the regular day school. They are crowding the Canadian fishermen off the Coast. Two thousand fishing licenses have been issued. It is estimated that there are 1,200 Japanese fishing boats plying up and down the Coast, and it is known that they are a determining factor in the fish canneries. They have entered every line of business, industry and agriculture.

The Prime Minister said he had been more concerned over this bill, which in reality, asks for Japanese exclusion, than anything on the order paper. In the light of the present situation in the Orient, he considered any change dangerous. The bill was talked out and thus a vote avoided.

Tommy Church, well known and valuable Toronto member, centred the attention of the House on the frightful slaughter on highways. He wished the suspension of the hit-and-run driver's license for six months, highway killers to be barred from driving for two years and no driver's license for anyone under 18 years of age; also confiscation of cars for some offences. "They confiscate pistols under the Code: Why should Parliament not extend the power to cover such criminal offences by drivers of cars?" Due to the difficulty in defining intoxication, Mr. Church wished the Act to apply to drivers under the "influence" of liquor.

Mr. Lapointe, Minister of Justice, moved the adjournment of the debate but promised a government measure later, incorporating as many of Mr. Church's ideas as were feasible.

I have been getting a number of resolutions and letters asking if the Dominion government would take steps to provide cargo space for export cattle to Britain. In reply to my enquiry on the orders of the day, Mr. King replied: "The Department of Agriculture and the Dept. of Trade & Commerce have been actively exploring the possibilities of securing additional space for the export of cattle to the United Kingdom. It is expected that further accommodation for export cattle will be made available."

The Farmers' Creditors Arrangement Act was opened up for discussion when Mr. Dunning introduced a resolution forecasting amendments to the present Act. He wishes to more accurately define the word "creditor", to extend the Act to cover deceased farmers, to make the stay of proceedings effective until the proposal is finally disposed of, to appoint a more than one Board of Review (to catch up with the accumulated work) and finally, to give the government power to terminate new applications being received at a given date.

Sleigh Crashed into Car: Jackie Pierson Fatally Injured

Sadie McKeown now in Toronto Hospital with Severe Wounds.

The town was startled and saddened Friday evening when the news spread of the fatal accident to Jackie Pierson, the eight-year son of Mr. and Mrs. Albert Pierson in a sleigh-riding collision; while Sadie McKeown, 10 years old daughter of Mr. and Lawrence McKeown was critically injured, receiving a broken leg and many bruises; and Inez Lawrence, also 10 years, granddaughter of Mr. and Mrs. Wm. Henry, who lives with them escaped with cuts and a scratched face.

With some other children, they were sleigh-riding down Chester Street hill, starting at the top of Durham hill. With its icy surface, the hill was in prime condition for the sport, and the sleighs were travelling farther than ordinarily, going right across No. 4 highway (Bruce Street) and into the field beyond. It was about 8.20 p. m.; Jackie was sitting in front steering, with the two girls behind him when in crossing the highway the sleigh ran into the right front wheel of a motor car driven by Mr. Frank Irwin, Jackie hit against the fender, denting it and was thrown under the wheel passing over his chest.

Sadie was also thrown under car and wheel probably ran over her left leg, while Inez was knocked off back of sleigh by the sudden stop and thrown against a telephone pole.

Mr. Irwin with Mrs. Irwin and Mr. and Mrs. Geo. Juckscn were starting out for Hanover, and the car was proceeding north up the slight grade from C.P.R. tracks about 15 or 20 miles an hour. There is a light at the corner where the accident occurred, but Mr. Irwin who was driving did not notice the sleigh, felt a slight bump which he thought likely a piece of ice and would have continued on. Mr. Juckscn mentioned he had best stop and see if anything wrong, as he had seen children near, in passing corner. They found Jackie lying on west side of road with head and chest crushed, bleeding profusely, and Sadie lying near fence. Doyle Braithwaite and family living close by, were soon on hand and immediately phoned for Dr. Burnett and chief Scott.

Mr. Juckscn picked Inez up somewhat stunned, and enquired if she was hurt, stating the doctor and the police would soon be there. The little girl at once ran off home a quarter mile away, and did not stop until home. Her cheek was bruised and cut, also under chin, and face swollen around left eye, but she had no serious injury.

When Dr. Burnett soon arrived, Jackie was still living. Taking the lad and Sadie McKeown in his car to the hospital, Jackie had died before reaching there, and Sadie was thought to have suffered a broken neck, and broken jaw. Happily these proved incorrect, she regained consciousness shortly after arriving at the hospital, but she is yet in a critical condition with a badly broken left leg, two teeth knocked out and others broken off and generally injured. She was conveyed to the Sick Children's Hospital, Toronto, on Tuesday, to have the leg set and receive further treatment there.

There was no chance of averting the accident, and but for the icy condition of the hill, it would not have been possible. Many children have enjoyed sleigh-riding down this Chester St. hill all this and previous winters, with no mishaps as there is very little car or horse traffic ever on it in winter, and the sleighs usually speed as far only, as Mr. Braithwaite's house, a short distance before reaching the No. 4 highway corner.

The victim of the accident, Jackie Pierson, was a bright little lad who was born in Durham eight years ago. He was in Miss Mortley's room in Public school and a regular attendant at Knox Sunday School, having his 4th year diploma. Besides the grief-stricken parents, there mourn one sister, Lauretta of Toronto and one brother Norman, aged two years. Rev. W. H. Smith, the family pastor, conducted the funeral on Mon-

Grey & Bruce Ins. Co. Strong Financially

The annual meeting of the Grey & Bruce Mutual Fire Insurance Co. was held at the head office of the company in Hanover last Thursday afternoon, and presentation of the 60th annual report of the company showed that it has never been in better shape than at the present time.

Mr. Andrew Kirstine of Brant was elected chairman of the meeting and the five directors whose terms expired at the end of 1937 were re-elected for the ensuing three years, viz: Angus A. McArthur of Priceville, James E. Metcalfe and John Cooper of Hanover, Spence Nesbitt of Walkerton, and Neil McLeod of Proton Station.

The meeting learned with regret of the sudden passing of Mr. Henry Logie of Brant, a director for many years, who collapsed while walking in to the meeting on Thursday, due to a heart attack. Mr. Harry Tanner of Brant was elected to the vacancy on the Board, and Mr. Wesley Hill of Midway was elected to succeed his father, Conrad Hill, on the directorate.

Mr. Douglas McKinnon of Chesley was re-elected president of the company, with Mr. McArthur of Priceville as vice-president, and Mr. Wm. Ruttle of Hanover as secretary-treasurer. Messrs. Henry Beaton and W. J. Ford are the auditors, and other directors, in addition to the above named, are Herbert G. Brigham and W. Glauzer of Hanover; A. Russell of Dundalk; Wm. J. Aldcorn of Mount Forest; Douglas McKinnon of Chesley, Robt. Parslow of Priceville; Wesley Brady of Markdale; D. J. MacDonald of Elmhurst.

HIGH SCHOOL TEAMS DEFEATED AT MARKDALE

The D. H. S. hockey teams visited Markdale on Wed. night of last week and played the first games of a home and home series. The local girls although they came out the losers by a 4-2 score, played their best game in two years, and had the Markdale team on the defensive more than half the game. Betty Macintyre passed to Jean McGirr for the first goal, and Grace Vollett assisted Betty on the second Durham goal. Helen Carefoot netted Markdale's entire four goals.

The Durham boys suffered their second defeat of the season, as they were beaten 8-4, but the game was fast and close. Score at the end of the first period was 3-0 for Markdale. York collected two goals, and McGee from Metcalfe counted the third. The second ended 4-3 for Markdale with "Porky" York assisted by Hunt adding another to his list, while Kearney from Jameson, Whitmore unassisted, and Whitmore from Jameson accounted for Durham's goals. In the third Markdale outscored the locals four to one. For Markdale, York from Down, Down unassisted, York unassisted, and Wily unassisted. Whitmore scored the last Durham goal on a pass from Wanamaker.

Markdale Girls: Goal, E. Kenney; defence, Betty Down, H. Gillics; centre, H. Carefoot; wings, Mary Carefoot, Mary York; subs, G. Cutting, V. Cooper, M. Lever, D. Woods, E. Stewart. (sub-goalie)

Durham Girls: Goal, H. McDonald; defence, K. Wallace, M. Middleton; centre, B. McIntyre; wings, J. McGirr, G. Vollett; subs, June Elvidge, E. Wanamaker, H. Atkinson.

Durham Boys: Goal, L. Irwin; defence, D. Seymour, M. Wanamaker; centre, B. Whitmore; wings, R. Kearney, S. Jameson; subs, B. Noble, H. Schenk, A. McDonnell, B. McGirr, K. Beaton.
