### THE ROLL CALL

GEORGE MYERS The last call came to Mr. George Myers at his home in south-west Durham Wednesday evening. He has been in failing health two or three years from heart trouble and asthma, but has been critically ill only two weeks.

Deceased was born seventy years ago in Egremont near Dromore, and has since lived near Durham, at Priceville and elsewhere. He was married over forty-six years ago to Mary McPhail, and twenty-two years ago, they removed to Durham. Here he accepted the caretaking of the Public School, which position he held for 19 years, giving up nearly three years ago.

Surviving are his widow and two daughters: Mrs. Ben Harrison (Maggie) and Mrs. Doyle Braithwaite (Nellie) both of Durham. There are five grandchildren and one great-grandchild, Beverly Wiggins. Two brothers and a sister also survive: Peter of Mount Forest; Charles of Collingwood; Mrs. Nell McFayden (Nellie) of Owen Sound.

The funeral will be held at the house on Saturday at 2:00 p.m., in-terment to be in Durham cemetery.

### CHESLEY EDITOR'S

#### WIFE PASSES

Our sincere sympathy is tendered to Mr. Wm. McDonald and son, John C., editors of the Chesley Enterprise, in the death of wife and mother on Monday morning. Mrs. McDonald has been in poor health for some months. She was in her 71st year, was an active worker in the United Church when in health, and a great lover of flowers. She is survived by her husband, Mr. William McDonald, two sons, William M. of Oakville, and John C., at home, and two daughters, Evelyn, Mrs. J. H. Neelon, at home, and Marjorie, Mrs. D. R. Finlayson, of Ripley. She also leaves three sisters, Mrs. S. C. Stanley, Ripley, Mrs. P. C. Dobson, Winnipeg, and Mrs. Dr. Whiteley, Gorrie.

Over three years ago Mr. McDonald was afflicted with a stroke, which it was then feared might result fatal-ly, but he made a surprising recovery. While his bodily powers were crippled, his mind remains bright and active and he weekly contributes much editorial and local material for his paper.

### Permanent Waving.

On Thursday, March 17th at Clas-sie Beauty Parlor, by Mr. McArthur. Consult Mrs. Vollett.

### Receives her A. T. C. M.

Congratulations to Miss Margaret Spurling, formerly of Durham, now of Clinton, a pupil of Miss Josephine Hahn, of Hanover, who received her teacher's degree of A.T.C.M. at the recent February examination in Toronto. The examiners were Sir Ernest MacMillan, Mr. Frank Weisman and Mr. F. A. Oliver.

Bruce County Highways Department has bought the easterly brick unit of former Canada Furniture factory property in Walkerton, and will convert this 2-story brick building into a maintenance and storage ware-house for the Dept.'s large fleet of trucks, tractors and road equipment. The building was recently occupied by C. S. Horning Alfalfa Grinding Mills.

### Institute "At Home."

A large crowd attended the annual Women's Institute "At Home" last Thursday in the Town Hall, when a happy social time was enjoyed in progressive crokinole. Miss Christine McCulloch and Mr. Harry Scales were the prize winners, the later winning a play-off, after being tied with Chas. Ritchie and Norman McIlraith. No. 9 orchestra, comprising David and Alistair Aljoe, David Allen and Allie McGirr, supplied fine music. A dainty lunch was served at the close.

## Council Gives Final Chance Fine Concert at High School Students Hold First Lt.

Much of the evening at Monday's town Council session was taken up in a discussion, considering individual cases, of the town taxes three years or more in arrears. During the past two months, a number of taxpayers have cleared up their arrears or at least the third year of them, sufficient to prevent the property being offered for sale. There are still some 18 properties on the list to be advertised, and to redeem these, owners must make payment sufficient to clear the third year arrears at least, before March 19. After this date all still three years back will be advertised for sale, which will be held in the summer. Once advertised, arrears in full must be paid to withdraw a property.

During February, the treasurer's statement showed over \$1200 paid in tax arrears, which is a good showing.

Accounts of \$823.14 were passed, including a hospital acct. for two indigent patients of \$135.62. Also Relief acct's. for February totaling \$181.68. There are at present between 20 and 25 in the town on relief.

A letter was received, read and filed, from the Durham Ministerial Association endorsing the Council's stand in endeavoring to abolish bootlegging in the town. The Bell Telephone Co. asked permission to replace poles and other work on Lambton St. This was granted under Board of Works supervision.

Chairman McQueen of Board of works, reported dangerous road and walk conditions over the town with so much ice, rain and sleet. Sanding was still a problem; much had been done, and they were doing their best to cope with the situation.

Through erroneous advice in Municipal World, three new citizen members were appointed by Council in Jan. to Board of Health—W. A. Glass, M. Storrey and Geo. Hay. The statistics say one only, and at Bd. of Health meeting, they drew to decide the one to remain. W. A. Glass was the man, and Council rescinded this part of former bylaw, and amended it by adding Mr. Glass' name only. The Board of Health report stated general health of town satisfactory.

Through her solicitor W. D. Henry K. C. Mrs. Margaret Kearns sent notice to Council, claiming damages for accident on Queen St. Feb. 22nd, when she slipped and fell on ice and broke her wrist, and threatening action against town if not granted. Council authorized the clerk to advise Mrs. Kearns that the Town was not negligent, nor in any way responsible for the unfortunate accident, and disclaimed any liability in regard to same.

A request from Salvation Army hospital in London for a grant was filed, the Reeve remarking that the County gives a large grant for this, which covers any obligations of its municipalities.

A rebate of \$6.24 excess taxes charged the Thos. Wilson Estate was authorized, same being an error. Bylaw 44A to arrange for a re-financing of the Sinking Fund, was given its several readings and passed. The town debentures now in Sinking Fund are to be sold to repay loans, the Mayor, Reeve and Finance Com. chairman Duffield being authorized to sell these debentures, \$1000 a year for 3 years is to be loaned from Pavement Acc't. and town funds provide balance to meet Sinking Fund obligations, which expire in 3 years, and a small amount in 4th.

Coun. Duffield brought up the question of appointing permanent auditors, who would audit town books and accounts monthly, or at regular intervals. The idea was favorably regarded and the clerk authorized to prepare a bylaw for same for next meeting.

Relief was the last discussion, one new application being in. Council were disinclined to grant it, and left it to Relief Inspector Mountain's judgment. The Council are going "canny" in adding any to the relief list, and any able to do so will have to work for relief granted.

Mr. Cameron Robson presided over a very successful concert held in the Edge Hill school by the Jr. Institute and Jr. Farmers. They presented two humorous plays entitled "In May with June" in which the following took part: Myrtle Glencross, Margaret Williams, Dorothy Ritchie, Margaret Edge, Cecil Anderson, Tom Firth, Billie Anderson, Elison Edge, and "Look Out for Pain!" the characters being: Mary Anderson, Olive Morrison, Jean Firth, Dorothy Ritchie, Percy Greenwood, Allie McGirr, Bill Glencross, Dan Edge, David Aljoe. Between acts Mrs. J. R. Edwards sang two numbers and the Edge Hill orchestra favoured with several selections. Betty Edwards drew a ticket on the quilt which the Jr. Institute had made. Mrs. W. G. Firth receiving the quilt. Messrs Jack Anderson and David Allen were doorkeepers and took in \$19.50.

The Literary Society of the Durham High School held its first meeting of the New Year on Friday afternoon. The president, George Prev, was in the chair, and opened the programme with a short address. This year music is being taught for the first time in the school, by Mr. Hays of Walkerton. Two selections were given by a group of his pupils from First and Second Forms, and were much enjoyed.

The main feature of the afternoon was a debate, "Resolved that Japan is a mightier nation than Russia." The affirmative side was upheld by Doris Pratt and Margaret Moore of Form Four, while Harlette Wilton and Catherine McMeekin of Form Three argued for Russia. The teams both stated their opinions clearly, refuted their opponents points with emphasis. The Judges Grace Vollett, Rev. M. H. H. Farr, and Mr. I. B. Sharpe gave the decision to the negative side.

An impromptu skit, a modern version of Little Red Riding Hood was given by four students. Another meeting is being planned for March 18, when we hope to see more parents and friends present.

### DURHAM BOY STARS

Shelburne defeated Dundalk 5-4 in Markdale Monday night in the deciding game for the district championship of Centre Grey Hockey league. Shelburne now plays off with Hillsburg in the finals. The feature was the brilliant play of Clark Saunders, Shelburne's center man, who scored all 5 goals. Clark is the oldest son of Mr. and Mrs. Bert Saunders, Durham, and is on the bank staff in Shelburne.

Playing in Priceville last Friday night, Durham Public School hockey team turned the tables on Priceville boys, winning by 6 to 2. Priceville did not have their Semi-Pro League player, Turnbull, on the line-up, which materially weakened their team. Durham led all three periods: 2-0, 4-1, 6-2. Mr. Bell, teacher of Priceville, was referee.

Durham team: Goal—Jack McGowan; defence M. Donaly, Bob Braithwaite; centre — V. Aljoe; winks—Andy Schenk, Jack Cain; subs.—Don. Saunders, "Red" Lake, Geo. Burnett, H. Chateau.

Walkerton and Hanover Junior W. O. H. A. teams played to a 3-3 tie at Walkerton Friday, their third tie game in a week in the district play-offs, Walkerton was leading 3-0 with 7 minutes to play, and in these last 7 minutes Hanover scored 3 times to tie it up. Then neither team could score once in 30 min. in 53 minutes play, then score 3 in 7 minutes to tie, then 30 more scoreless minutes, it begins to look as though these teams were playing for more big games. In the final play off game on Monday, Walkerton won 5 to 3, and enter the Junior finals.

### FUNERAL OF THE LATE HENRY WEPPLER

After a brief service in the home in Glenelg at 10 a. m., the funeral service for the late Henry Weppler was held in St. Matthew's church, Hanover, on Thursday afternoon, conducted by the pastor, Rev. M. Stertz. Flowers from the family, brothers and sisters surrounded the casket.

The pall bearers were the five sons—Edgar, Aaron, Chas., Alfred and Eldon, and Jacob Pfeffer. Elmwood, a son-in-law, who laid the remains to rest in Hanover cemetery. Friends from a distance came from Stratford, Mitchell, New Hamburg, Desboro, Williamsford, Mildmay, Aylton, Neustadt and elsewhere.

### CARD OF THANKS

We desire to sincerely thank the friends and neighbors, also the Ladies' Aid of St. Matthews Church, Hanover, for the kindnesses shown and sympathy extended in our recent sad bereavement of husband and father, the late Henry Weppler. The Family.

### PERSONAL MENTION

A wedding of interest to many in this district took place in Detroit Mich. on Saturday, February 26th when Marie Louise, only daughter of Mr. and Mrs. Arthur Harvey, became the bride of Victor Jerome, youngest son of Mrs. Julia Sweeney, Dornoch, Ontario, and the late John Sweeney.

The bride, who was given in marriage by her father was charming in a princess gown of ivory satin with long train. Her veil was of fine ivory lace with a crown of seed pearls and she carried white roses and orange blossoms.

Miss Josephine O'Connor as bridesmaid, wore a becoming gown of pale chiffon, trimmed with pink and a small hat of blue flowers. She carried a bouquet of pink roses.

Mr. Bernard Sweeney was his brother's attendant. During the ceremony Mr. George Harvey, only brother of the bride tendered, "Ave Maria" and later at the signing of the register, "O Promise Me."

Following the ceremony, breakfast was served at the home of the bride's parents and later in the evening a reception was held when a large number of friends and relatives were present.

The happy couple left on a short honeymoon and after a few days spent in Windsor; they arrived at Dornoch where they are visiting the groom's mother and other relatives.

The service on the Day of Prayer was held in Knox United Church school room and was well attended. Mrs. J. S. McIlraith was the key lady. Mrs. T. F. House presided and read the call to worship. The theme of the program was "The Church, A World Fellowship." Mrs. J. T. Pricat gave the address on "Peace Through Fellowship."

The beautiful message in the old hymn "Blessed Hour of Prayer" was sung by Mrs. T. M. McFadden. The presiding officer asked that a minute be given for silent prayer for the resident minister, Rev. R. G. Halbert in hospital in Toronto. Mrs. R. Macfarlane was pianist.

Mr. and Mrs. J. F. Irwin, accompanied by Rev. R. G. and Mrs. Halbert, motored to Toronto on Friday morning. On Saturday Rev. Mr. Halbert underwent an operation in the General Hospital, since when he has been making a satisfactory recovery.
