

The charter taken out was non-profit so that all monies collected must be used for the purpose of the incorporation. No dividends are paid to anyone and the profit motive is replaced by service.

During the organization period, expenses are naturally higher than they will be when once in full operation. As the numbers grow, the costs will come down.

The services included are: - Attendance in the home, or office by the physician of choice if he will co-operate; consulting and special services; hospitalization and special nursing care; X-ray and other diagnostic services. These services are of course for conditions not present at the time of acceptance. Institutionalized mental disease and tuberculosis are not included nor is venereal disease. All these services are provided for the sum of 50c per day per average person.

It is the old saying of "an apple a day will keep the doctor away" - a virtue, surely there is much in the adage that "a nickel a day will serve for the doctor's pay."

KNOX CORNERS

Mr. Manning a student had charge of the service at Knox on Sunday, and gave a very interesting and helpful message from the story of the man who was rich but despised his fellowmen for the way he got his wealth. After meeting with Jesus he was completely changed and so will be when we allow ourselves to come into our hearts and minds, for none but Jesus can change and cleanse the hearts of sinful men. Manning's parents accompanied and attended the service.

Mr. and Mrs. Hubert McDougall children of Holstein were visitors on Sunday with Mr. and Mrs. Bertson.

Mrs. Harry Caldwell and Milton, visiting with relatives in Hamilton.

Mr. and Mrs. R. Noble of Bentback and Mrs. Prigby with Mr. and Mrs. Marshall and assisted at the service.

Mr. and Mrs. Alex Aberdein of Hamilton, Mr. and Mrs. James Marshall of Kincardine and Mr. and Mrs. Irwin Ferguson of Egremont their families visited on Sunday with Mr. and Mrs. David Marshall.

Mr. John Marshall came nearly a day from his home on Sunday, but with the help of neighbors it was under control before any damage was done.

Smallman returned home on Sunday evening after helping Mrs. Smallman in the home for some time. Mr. Patterson and Mrs. Caldwell visited with Mrs. Harold Watson on Sunday while the men were busy at work.

Mrs. Margaret Marshall came from Toronto to attend her father's funeral and had a brief stay at the parental home.

Edgar Patterson, Egremont visited Mr. William Porter with work at present.

A. Picken spent Tuesday evening with Miss T. Byers.

Mr. McAllister, Sr., is attending the funeral of her cousin, of Galt on Wednesday p. m.

A. Picken visited Sunday with Mr. Boyle at Varney.

Veteran Teacher, John A. Graham, Answers Final Call Tuesday

A Well-known Personality throughout South Grey.

Similar to a tired child passing into a deep slumber, might the passing of John A. Graham on Tuesday of this week be compared. For the past two weeks, Mr. Graham has been an inmate of Durham Hospital waging a losing fight. For the immediate few weeks previous to his hospital entry, his vigor was less keen and there was also that in his manner that foretold gravity. His retirement from the teaching profession nearly three years ago, was not made soon enough to build up a tired heart and it is greatly to be regretted that a more extended period of retirement in good health was not his portion. This immediate final illness Mr. Graham felt and knew to be such, and with his mind at ease regarding his goal, he gradually sank into a stupor which had for him no awakening.

The late John Arthur Graham was born in Glenelg township nearly 73 years ago, the son of the late Mr. and Mrs. Donald Graham of the 3rd con., later of Pricville. His early education was received at No. 1 Glenelg (Bunessan) school, thence he attended Mount Forest High School and Collingwood Collegiate.

Mr. Graham was an unexcelled teacher of the old school, and he made teaching his life-work, finishing his career with his longest term as Principal of Durham School. He commenced teaching at Latona and after two years there, attended Toronto Normal School. Thence he taught at the Elora Road school north of Paisley and at Edwards' school north of Chesley, followed by six years at Edge Hill school. He next spent two years at Boothville school in East Egremont, two years at Hutton Hill and a short time at No. 9 Glenelg. Here he resigned to enter a new calling—that of book-keeper and Sec'y. in the office of the National Portland Cement Co. in Durham. After six years office work he resigned on account of impaired eyesight, and went back to his first love—teaching—this time at Rocky Saugen school. In 1919 he accepted the Principalship of Durham Public School which he filled most capably for sixteen years, retiring owing to failing health in 1935.

In 1899, during his term at Boothville, he was united in marriage to Miss Adeline Burgess of near Durham who survives to mourn his demise with four children: Mrs. Pust (Annie) of Durham; Mrs. David Morrison (Adeline) of Toronto; Donald of Sault Ste. Marie, Michigan, and Gordon at home. There six grandchildren.

There was no more active and public-spirited man in the community than John A. Graham. He was intensely interested in all local affairs, and ever lent his support to any movement for the material, moral or spiritual benefit of the town. For

Council Reappoints Same Auditors

In response to an advertisement for auditors to audit the town accounts monthly or at advice of Council instead of annually, five applications were before Durham Council Monday night: Mrs. Norah Hamilton, Geo. A. Ledingham, James Sullivan, Mrs. Sadie F. Dargavel and Reg. Steeds. A motion was made by McQueen — Bell, that Mrs. Dargavel and Sullivan be appointed, and an amendment by McGowan — Duffield that Sullivan and Steeds be the appointees. By a vote 4 to 3 the amendment carried, Sullivan and Steeds to receive \$50 each, payable half Aug. 1, and balance on completion of year's work.

The clerk was authorized to forward \$1000 to Co. Treas. on second payment of County Rate. As a refund is owing town by County, this is being deducted, leaving a small balance of County Levy yet unpaid. Accounts approved by Finance Committee totalling \$1172.65 were passed, also \$139.28 March relief.

Chairman McQueen of Bd. of works reported the streets had their annual spring housecleaning, and were now in good order. Pavements were swept clean, and gravel roads have stood up well.

Chairman McGowan of Fire and Light, stated fire appliances were in favorable condition and chief Trafford was well satisfied with the equipment and work of new pump-section. He would like a sprayer nozzle for possible oil fires: this could wait. Chief did not hear fire alarms, but would in his new residence, the Crawford house north of factory yard. However he would like phone installed, to be advised promptly on alarms, where fires are, and was willing to pay part cost. A resolution that phone be installed, in chief's home, town and he to each pay half cost, found a 4-4 division on vote of Council and was declared lost.

"We have an extra fine Brigade now with fire hall in A 1 shape," said Councillor McGowan. "There is 950 ft of new hose and .550 ft next to new."

Another letter was read from Barrister Henry re Mrs. Kearns' accidental fall on ice in Feb. and threatened action for damages, stating fall was on the sidewalk, which Council had misunderstood. On motion of Stonehouse — Duffield, the Clerk was authorized to write Mr. Henry that Council saw no reason to change its former resolution, disclaiming any liability.

A resolution forwarded by Learnington Council to the provincial Gov't, asking for the issue of individual permits for the purchase of beer, wine and other liquors in liquor stores, instead of present system, was heartily endorsed by Durham Council, and will be communicated to the proper authorities.

Jos. Morris asked permission to fence in two unused streets along with commons he had recently bought for pasture north of his home. Such was granted on condition streets may be opened if at any time necessary.

Reeve Hunter referred to the disorderly state of the town dump, where parties were not dumping refuse over side as required, but right on roadway. Such must be stopped, and save expense of town hiring men to level off the dump and keep it in shape. It seems parties are also dumping refuse on vacant town lots south of Shell Station, and elsewhere in town. Signs will be printed and posted at these spots, notifying such offenders that same is prohibited and prosecution will follow.

No new Relief cases are listed and Council passed resolution to cut off all relief after May 1st.

We regret to report Mrs. A. Crutchley in very low health at her home on Countess St.

Four Large Classes Taking Home Nursing Course

The Red Cross Society have been agreeably surprised with the large number of girls and young women who have enrolled and are now attending the Home Nursing Classes. It was previously anticipated some forty or fifty might come, but almost ninety are enrolled, divided into four groups of 20 or more in each. There are seven lessons, taken by graduate nurses in the course, and five given by the resident doctors — D. B. Jamieson, J. L. Smith, T. H. Sneath and R. R. Burnett, and by Miss Jean Webster, dietician, on diets.

Classes are held weekly at the Red Cross Hospital, for the 13 weeks, three lessons now being over. The first class composed mainly of High School and younger girls, meets every Monday evening, with Miss Jean Renwick R. N. in charge, and Mary Firth as secretary.

Miss Norma Kelsey R. N. is in charge of Tuesday evening class of young women, with Miss Ruby Voisin as secretary; Mrs. Sherwood Rowe R. N. has the Wednesday evening class, of young married ladies, with Mrs. C. Barfoot secretary; and Mrs. Geo. Noble R. N. has the Thursday evening class, with Miss Helen Young secretary.

It is gratifying to find so many young ladies of the town and vicinity anxious to learn how to care for the sick and first aid treatment; in short, the fundamentals of nursing. The officers of the local Red Cross are to be commended for getting the classes underway; the four nurses as well, for their willingness to lend their time and talents in giving the classes free tuition.

The fee for the whole course is only 50c, which includes a home nursing manual. Half the fee is to pay for the manuals, and the other half goes to funds for the Red Cross work.

I. O. D. E. MONTHLY MEETING

The regular monthly meeting of I. O. D. E. was held Tuesday evening at the home of the regent, Mrs. J. F. Irwin. 15 members were present. Arrangements were completed for Lionel Scott's lecture on "Interior Decorating" in the town hall, Tuesday April 12. Mrs. J. F. Grant wrote a very interesting paper on "New Zealand." In her absence Mrs. T. Henderson read the paper. The Chapter are holding an Easter Dance, The Institute for the Blind are holding a "Tag Day" in May. As this is the County wide tag day, the Chapter hopes for the liberal support of the community.

Miss Lily Ritchie was a Toronto visitor over the weekend.

Miss Jean Renwick visited her brothers in Toronto recently.

Mr. and Mrs. R. E. Lavery, Owen Sound, were weekend visitors with Mr. and Mrs. H. Firth.

Mrs. Albert Pierson and son Harold, returned on Saturday from Preston, where they had visited friends.

Mrs. P. L. Gagnon and nephew, Jack Gagnon, motored to Beauharnois, Quebec, to visit Mrs. A. Garipey who is seriously ill. Mr. Gagnon is returning from Florida and will proceed to Beauharnois to be with his sister.

Mr. Donald Graham of Sault Ste. Marie U. S. A. is home to visit his father, J. A. Graham, who is seriously ill.

The regular monthly meeting of the Durham Women's Institute will be held at the home of Mrs. James Mather on Thursday April 7th.

For overloading two trucks carrying wood bolts to Walkerton, Clarence Lockhart of Singhampton was fined \$10 and costs on each or \$29.50 in all, in Magistrate Walker's court there. Lockhart's trucks were licensed to carry 14,000 lbs each, and should have been 7000 or under, each, under half load regulations for March and April on soft roads. Instead the loads were over 20,000 and 19,500 lbs. The magistrate handed out a severe reprimand as well, and warned that the maximum fine of \$50 and cancelled license may yet be imposed on these truckers who overload and ruin the highways.
