May Drill Well for New Water Supply

The Waterworks Dept. of Durham Public Utilities Com. struck a snag last week when some leak developed either in their drilled well or in pipe line from it across the Stone & Sand Co. plant to the pumphouse just north. In consequence the Commission have been forced to secure the town water from springs on the same property. This water is quite softer than the well (which is quite acceptable) and a sample has been sent to Toronto to test its purity. It may be quite pure, but in the meantime, water users have been advised to boil all water for drinking purposes, and conserve the supply. The storage tank and reservoir at pumphouse are well filled.

At Council meeting Monday, Robt. Campbell, chairman of Utilities Com. introduced engineer Roberts, who addressed the Council re drilling another well for town water supply. With a 12 or 16 inch pipe, it would cost several thousand dollars, depending on depth drilled, and if decided upon, the well will probably be drilled on town property, near pump house. In the meantime, Mr. Roberts has been authorized to drill test holes and the well question will be definitely settled next week.

Drilling Well at Creamery.
F. W. House, proprietor of Durham Creamery, is having a well drilled at rear of the creamery by Mr. Davidson of Wingham. An 8 inch pipe is being used and they are now down 90 feet. It is hoped to strike a flowing, well giving an abundant water supply.

Personality versus Ability.
Which is the more desired? Ira Merriam of Thornbury Continuation School Staff addressed a young people's gathering in his town recently on this topic. While ability was the more important factor of the two, a healthy amount of personality covers over many weak spots.

Rev. Jeffrey Billingsley, curate of All Saints' Anglican Church, Wincor, former rector of Durham Trinity Anglican Church, has been appointed as rector of The Church of the Resurrection, Knollwood Park, London. His many Durham friends will be pleased to hear of this appointment. He will begin his work in May in his new charge.

Chimney Fire at Mayor's Home.
The fire alarm sounded about 11:30 Sunday morning for a chimney fire Mayor Allan Bell's residence on Albert St. Mr. Bell was at church, but fortunately Mrs. Bell was home and summoned aid. The Brigade were on hand in record time; smoke was lessing from around eaves of house and upstairs was smoke-filled, but the firemen extinguished the chimney blaze without turning water on, using only sulphur in stove and chemicals in chimney. Several rooms upstairs suffered smoke damage only.

THE ROLL CALL

MRS. GEORGE RITCHIE
After an extended illness of about seven months, in which hope and despair alternated in the hearts of the loved ones, the last call came to Mrs. George Ritchie, of Edge Hill, on Saturday last, at the age of 70 years, 2 months. The late Mrs. Ritchie will long be remembered by neighbors and friends for the many neighborly and kindly qualities she possessed. Though leading a busy life on the farm, there was always time for kindly acts and service. She was previous to her marriage forty-four years ago, Eleanor McNally, daughter of the late John and Catherine Ector McNally. She was born on the McNally homestead, across the road from her present home. Surviving of this family, are four sisters and two brothers, viz: Mrs. William Cook, Elmwood; Mrs. W. Cook, of Zion; Mrs. D. Campbell, Saskatoon; Mrs. Hugh McKenzie, Colgate, Sask. Wm. McNally, Lumsden and Joseph, on the family homestead at Edge Hill.

The marriage union proved a happy one for Mr. and Mrs. Ritchie, and their home was the centre of much hospitality. There were born to them ten children, of whom three sons and four daughters survive: William G., Durham; Howard, of Zion, Glenelg; John, Hamilton; Emma, Mrs. Nelson McGuire, Holstein; Margaret, Mrs. John Brown and Case, Mrs. Arthur Lee, both of Eremont Township; Ella, Mrs. John Teeter, Durham. There are also twenty-six grandchildren.

Deceased was a member of Knox United Church, Durham, and in health was a regular attendant at its services. Apart from the church, her interests were bound up in her home, and family. For several years she was a prize-winner at South Grey annual fall fair, her products always bearing the badge of quality.

MISS NINA BURGESS
Mr. John Burgess was the recipient on Sunday night, of the sad news of the death in Redlands, California, of his sister, Miss Nina Annie Laurie Burgess, in her 70th year. She was born in Durham, a daughter of the late James and Jean Murray Burgess. After leaving Durham, Miss Burgess moved to California with her sister Helen, who passed away one year ago. Surviving of a one time large family, are Mrs. Chas. Butler of Guelph and John of Durham. She will be buried in the Montecito Memorial Park cemetery, San Bernardino County, California, on Wed., May 4, beside her sister Helen.

Young Lad Dies in Early Teens

Just on the threshold of young manhood the angel of Death called George Burnett, the young son of Mr. and Mrs. Geo. Burnett of town on Monday, evening after a critical operation the previous night in the Sick Children's Hospital, Toronto. George would have reached his fourteenth birthday in July next, and his death is said to be an after-effect of an appendicitis operation when three years old. He took severely ill a week previous, and after being bedfast all week, he was taken to Toronto by ambulance Saturday afternoon and the operation performed Sunday evening, although hopes were then slim for his recovery.

George was a popular lad among his playmates, in the Seventh Grade at Public School, and played hockey last winter on the P. S. hockey team. Mrs. James Conley (Orma) of Teeswater is his only sister. To her, and the grief stricken parents, so suddenly bereft of their only son, the sympathy of the town goes out.

The funeral will take place from the home on Lambton St. East, at 2:00 p. m. Thursday, conducted by Rev. R. G. Halbert, and interment will be made in Durham cemetery.

Appointed a Judge.
Moore A. Miller K. C. of Guelph has been appointed Junior Judge for Lambton County. Mr. Miller is a brilliant lawyer, 55 years of age, and a son of the late H. H. Miller, ex-M. P. Hanover.

Durham H. S. Placed 5th at Waterloo Meet

Last Saturday, eight pupils from Durham High School visited Kitchener to take part in the fourth annual Track and Field Meet, held by Waterloo College at Woodside Park. Weather conditions were very poor but despite this handicap, ten new records were set. Bert Whitmore tied for first place in the 12 lb. shot put, with R. Bumstead of Meaford, and on the final test to break the tie, Bert placed second. In the running broad jump, Bert took third place. There were forty entries in the 100 yard dash, and six heats were run off with the first man in each heat picked for the finals. 'Mike' Wanamaker, the Durham entry, placed second in his heat, while Bruce McNabb of Milton, the record-holder, took first place in the same heat. McNabb's record of 10 2/5 sec. for the 100 yd. dash, was broken by Roy Class of Elmira, who finished in 10.2 seconds.

Keith Beaton, in his first year at the meet, did very well in the high jump. He outjumped several older and more experienced boys, but lacked sufficient training to see him through to the final.

The relay teams this year were not put in separate classes, as in previous years. Sixteen teams entered in the boys' half-mile relay, and out of these the local entry, composed of Bill Noble, Keith Beaton, Bert Whitmore and 'Mike' Wanamaker, placed second in its heat, and third in the final count. In the relay races, the three fastest times got top honours, and there were no finals.

The girls' relay team (Jean McGill, Grace Vollett, Doris Robbins and Betty McIntyre) running against eight other teams, placed first in their heat and second in the final. The Guelph entry placed first, with a time of 1 min. and 1 sec., while the Durham girls' time was 1 min. and 3 seconds. Last year the Durham girls' team set a new record of 1 minute and 4/5 sec. at Waterloo, and this record has not yet been broken.

In the High School class, Meaford placed first with 39 points, Paris second with 30, Elmira third with 28, and Markdale fourth with 13. Durham and Milton tied for fifth place with 8 points each. Listowel had 7 points, and Hanover 6. Eleven other schools ranked lower than the ones above mentioned.

NO PARKING OF TRUCKS ON OPEN NIGHTS

With congested traffic conditions in town on open nights of stores, Durham Council on Monday night passed a resolution to ban the parking of trucks from 7 to 12 p. m. on Wednesday and Saturday evenings on main street from the bridge to Ford garage corner; on Mill street from main street to Albert; and on Lambton St. from Albert to Queen Street.

Constable Sectt was instructed to notify any truck drivers seen parking henceforth, to remove their trucks to where traffic is not congested, and if such is not effective the traffic bylaw will be amended to enforce this.

It is realized that with trucks absent, there will be more room for cars to park both sides of street, and traffic will be able to move more freely in each direction between them. With long trucks angled parked on main streets, it is close quarters for traffic to pass, if at all, which can easily lead to accidents. This ban to trucks is for open nights only, also on Sunday. There is no necessity for trucks being parked on main street all, or much of Sunday.

Car drivers are reminded also not to park less than 20 feet from an intersection, as such parked vehicles obstruct the view of traffic from an opposite direction.

AGNES MACPAIL M. P. UNDERGOES OPERATION

Surprised were the friends of Agnes Macpail, M. P. to hear that she underwent an operation Thursday last, in an Ottawa hospital.

She has not been permitted visitors, or even mail, and her weekly letter will not be available for a time.

She is now improving, but will remain in hospital a few days yet. That her health will be restored to normal, is the hope of her friends and well-wishers.

Rev. Farquharson Leases Brother.
The death took place near Tilbury Tuesday of last week of Alex. Farquharson at the age of 82 years, the last surviving brother of Rev. Dr. Farquharson of Toronto, formerly of Durham. He was a school teacher for many years, and for sixteen years township clerk of Tilbury East.

Enters Action Against Town for \$500 Damages

At Monday night's Town Council session, Mrs. Margaret Kearns, through her solicitor, W. D. Henry K. C. served notice of action against the Town for \$500 damages. Mrs. Kearns slipped on the ice on Queen St. last February 22nd, fracturing her wrist which has caused her considerable suffering and expense. As the Council had previously notified her solicitor that they did not consider the Town in any way liable for the accident, they will defend the case, and engaged Mr. F. G. McKay of Owen Sound as solicitor.

Relief accounts totalling \$150.19 for April, and general accounts of \$544.86 were passed.

Coun. McQueen reported that the cat-husbans had all been cleaned out, and he had interviewed the fire chief, to have the Brigade flush them.

The fire chief stated the drive shaft of the new fire truck is not satisfactory and the Co. has been notified.

The I. O. O. E. was granted permission to hold a Tag Day for the Blind in Durham on Saturday May 7th.

A check for \$1437.50, balance due on County Rate, is to be made out and sent to the County Treasurer, per Reeve Hunter, who will bring back check for rebate due the Town on educational account, \$1023.75.

Firemen's insurance against death and injury was brought up. A premium of \$41.20 annually would be required to insure the 13 firemen in the local Brigade. As all are now paid, injuries rare, and so many other obligations pressing on the town, some of Council considered it not expedient at present, while others favoured it. It was decided to lay the matter over in the meantime.

A brief relief meeting followed, when it was definitely stated that the Town had shut down on all relief after May 1st, except in a couple cases where the recipients were physically unable for regular work. One party in town had written to Premier Hepburn, complaining that the town refused relief. The Premier turned the letter open to the Relief Dept., and Mr. Mountain, the inspector, came and investigated the case. No relief was granted.

Hold Friday, May 6th, for the play, "Lena Rivers" given by Flesheron talent in town hall, Durham, under auspices of Agricultural Society.

SOME GOOD CATCHES

Despite Saturday last being a cool, raw day, it was the opener for trout fishing, and found many of Isaac Walton's devotees along the banks of the streams in this locality, particularly the Rocky and main Saugreen.

Mr. Hugh Rose had good success, landing seven trout averaging a pound each. Three were brown trout and four speckled, one of the browns being a 17 inch specimen, weighing almost 3 lbs. Gordon McDonald also secured a nice mess with one going over 15 ins. in length, while Wes. Noble got a 17 inch whopper. Alex. McDonnell, Jack Levi and several others also made nice catches.
