Adrian Noble's Home Goes Up in Flames

While Mr. and Mrs. Adrian Noble and family of five children were in town Saturday evening, their brick dwelling two and a half miles north of Durham, caught fire from some undetermined origin, and in three hours was reduced to ruins and ashes.

Mr. Hugh McDonald of Aberdeen, coming to town along sideroad north of the house, first noticed the smoke issuing from roof near the north chimney, the fire evidently starting in attic. He summoned Mrs. J. Vessie across the highway, and they found no one at home, but couldn't get near the scene of the trouble up stairs for smoke. Others were soon on hand, and some water was thrown but it was futile, and those gathered devoted their energies to removing the household effects, most of which were saved.

The fire slowly ate its way down stairs and to south part of house and shortly after ten, was all ablaze. The night, fortunately, was calm and a large crowd had assembled. Durham's new pumper, sent for, arrived with fire chief Trafford, but seeing the house was doomed, he did not get the pumper in action, but held it in readiness to save the shed nearby should it be ignited. Jim Vessie's home on opposite corner had roof roused with water, preventing sparks from igniting it, and thus no other buildings were damaged. By midnight the Noble home was in ruins—one that will cost approximately \$2,500 to \$3,000 to replace. Some forty years ago a house was burned on the same site and about four years ago, the large barn on this farm was destroyed by fire when a horse kicked the lantern over. With a new steel barn and roof, it was not endangered.

THE ROLL CALL

DR. JOSEPH LOUIS EASTON

The funeral of the late Dr. Joseph Louis Easton, elderly resident of Aytton, was held from Aytton Church on Saturday afternoon and was very largely attended. The late Dr. Easton, who was well known throughout the district, passed away in Toronto General Hospital following an operation for appendicitis. His death came as a great shock to his many friends as he had been active right until the time of his illness two weeks ago.

GEORGE BROWN

One of the best-known and highly-esteemed citizens of Bentinck township passed away shortly after six o'clock last Friday morning at his home on lot 21, concession 6, in the person of Mr. George Brown. He was only six days past his 75th birthday, and had been ill with heart trouble for about four weeks, though he had always been up and around.

Deceased was born on the farm on which he died, and had spent his entire life in Bentinck, where he was a successful farmer. He served his township as councillor for a term of years, and was reeve for three years, 1914-15-16. His son-in-law, Mr. Dougald J. MacDonald, is the present reeve of the township.

Mr. Brown was married 52 years ago last November to Eliza Jacklin, daughter of Mr. and Mrs. Moses Jacklin of Bentinck, who passed away seven years ago last October. There were five children, two of whom passed away in infancy, while the survivors are Annie (Mrs. D. J. MacDonald), John and Faith at home. There are two grandchildren, Ronald and Florence MacDonald. Of eight members of the Brown family, only two survive, namely, Mary (Mrs. James Bailey) of Calumet City, Illinois, and Harriet (Mrs. Robert Porter) of Swinton Park.

Mr. Brown was a good neighbor, kind-hearted, and liberal in his contributions to the Mulock Church and its societies, or to those in need.

The funeral took place on Monday afternoon from his late residence at 2:30 p. m., the services being conducted by Rev. C. M. Saunders of Mulock Baptist church, of which deceased was an adherent. Assisting were Rev. H. Crickington of Mulock, retired Baptist Minister, and Rev. W. P. Newman of Crawford United Church. Mr. Saunders spoke on the text II Corinthians 5, and Mrs. Saunders sang "Sunrise Tomorrow," while two favorite hymns were sung, "A-bide With Me" and "Safe in the Arms of Jesus." Interment was made in Hanover cemetery. The pall bearers were Messrs Irwin Brown, Joseph Reay, Doug. MacDonald, John Pokrandt, Victor and Marshall Jacklin, while the flower bearers were Aylmer, Royden and Claren Reay, George and Maurice Brown, Geo. Wehrmer, Geo. and Robert Mighton.

The beautiful floral tributes came from John and Faith Brown, Mr. and Mrs. D. J. MacDonald and family, Mrs. Wm. Brown and family, Mr. and Mrs. Irwin Brown and family, the Ladies' Aid of Mulock Church, Mr. and Mrs. Brunt, Mrs. R. Buant and family of Hanover, Mrs. Jean Salsbury and Mr. and Mrs. A. E. Calvert of Toronto, Mr. and Mrs. Marshall Jacklin.

A large concourse of friends and relatives from the district attended to pay their last tribute of respect and esteem to the deceased, as well as the following from a distance: Mrs. Jean Salsbury, Mrs. George Currie and daughter of Toronto; Messrs. Archie, John and Ed. McDougall and Miss Lizzie McDougall of Hamilton; Mr. and Mrs. Jas. Sumpton of Port Elgin; Mrs. John Harvey, Mr. and Mrs. John Sowerby, of Holland Centre; Mr. and Mrs. Robert Porter of Swinton Park; Mr. and Mrs. Robert McKinnon and Mr. John Bell of Dobbinton.

New Grey Memorial to be Visible over County

Marking another step towards the first Grey County Memorial, about thirty representatives of veterans organizations throughout the county, the Grey County Council, and Owen Sound Council gathered in the court room, Owen Sound to discuss this worthy proposition, and to organize thoroughly, a campaign for its construction. The gathering was finely representative of the entire county, and the general tenor of proceedings bespoke real success for the project under way.

The need for such a County Peace Memorial has long been recognized, and a short time ago, through the efforts of Col. T. J. Rutherford, the idea was brought to the City Council and the County Council, both of which bodies voted \$2,500 towards the building of it. The balance is to be raised by public subscription, and the height of the structure is directly dependent upon the amount subscribed. It is planned to build it of sufficient height that the revolving light upon its summit will be visible over the entire County of Grey. It is stressed that the memorial is a county undertaking, and in no way intended to take the place of any other memorial of the kind either in Owen Sound or in the county.

At the present time, Mr. John McFarland, son of Col. G. F. McFarland of Toronto, who is a student architect, is working on plans which he will submit later. All the materials used will be from within the county, and work, as far as is possible, will be done by Grey County workmen.

After careful consideration, it was decided that the names inscribed would be those of the men from Grey County who were buried outside of Canada. There was some discussion as to just where the deadline would be drawn and the matter was talked over very carefully before the final decision.

The general committee will be made up of the following with each committee empowered to name others to it. Grey County Council—Warden Howard McAulay, Austin Ball, William S. Hunter, J. A. Davis, and D. J. McDonald. South Grey members are: Markdale and district veterans—Alex Stewart, chairman A. E. Colgan, Dundas Mercer, Flesherston and district veterans—William Turney, chairman, Frank Thurston, Emerson Bellamy, Dundalk and district veterans—Wallace Wellwood, chairman. Frank McIntyre, Dr. Douglas MacAlister, and Dr. Cliff Sudden, Durham and district veterans—James Duffield, chairman, Clarence Darling, Harold McKeechie, J. F. Irwin and Peter Ramage. Maxwell and district veterans, Winslow Kernahan, Priceville and district veterans, William McBride, and Chesley Mr. Jack McDonald. Of the nursing sisters, Miss Olive Kilbourne was named, and I. O. D. E. groups in Owen Sound, Durham, and Meaford will be contacted.

Col. T. J. Rutherford was appointed unanimously to head the plans and building committee, which was empowered to purchase a suitable site subject to the approval of the County Council committee and the City Council committee, in the vicinity of the lime kiln hill. The other members of this committee were named as follows:—W. S. Hunter, Warden Howard McAulay, Mayor Alan S. Stewart, Fred G. Mackay, Geo. D. Fleming, Austin Ball, Ewart Munro, and John Marshall.

When it is remembered that of the 400 odd soldiers from Grey County who gave their lives in the last war, the Great War, only slightly over half have their names inscribed anywhere, the idea of a County Peace Memorial can be understood to be very appropriate and necessary, and hearty co-operation and support will undoubtedly be forth coming from all the county.

Water Supply Problem Still Unsettled

Durham Public Utilities Com. have not yet found the leak in the pipeline from drilled well to pump-house, which crippled the water supply, though they hope to this week end. In some places the pipe is 15 or 16 feet underground, and with no guidance as to where the break is, it is some problem to locate it. Workmen have been busy all week excavating, but it is an unpleasant task these cool days, standing chilled in rubber boots as much of the bed of the pipeline is a quagmire.

A test-hole drilled near the pump-house, down 49 feet, struck rock and water, believed harder than that from present well. The engineer estimates 350 gal. per minute can be pumped from this. A sample of the water has been forwarded to Toronto for analysis, and no action will be taken until report is back.

Meanwhile, town water users received good news last week end that the water from springs (whence the supply now, instead of well), had been pronounced pure by the Dept. of Health, Toronto, in their analysis; thus consumers are not now obliged to boil drinking water. The sample sent was graded "A"—the highest, and failed to show the presence of "colon bacilli", which would have meant it was contaminated. Though pure, the water supply now being used from the springs is not abundant, and the Commission doubt if anything near the present flow can be secured there when the hot, dry days are here.

Continuing the supply from the present well, if the leakage can only be found and repaired, appears the most satisfactory, and much the cheapest solution.

RED CROSS SOCIETY MEET

The regular meeting of the Red Cross Society was held Tuesday, May 10th, at the home of Mrs. David Jamieson. Mrs. Seymour presided. A vote of thanks was tendered to those who assisted with the Home Nursing Courses which was begun eight weeks ago and are now drawing to a close. It was decided to hold a tea and bazaar, Sat. May 28th, in the Town Hall. Tea was served by the hostess at the close.

George H. Gilkes of Hopeville has planted out 1400 nursery trees in the clearance at the back of his fifty acres in an effort at reforestation.

Under Hospital Care.

Three local young people are at present in Durham hospital recuperating after critical operations. Donald, the little four year old son of Mr. and Mrs. Eldon Weppeler, underwent an appendectomy operation by Dr. D. B. Jamieson. As the appendix was ruptured, it was a serious case, but the little lad is rallying under nurse McLeod's care. On Monday Gordon Trafford underwent a similar operation, and Mary Burns, daughter of Mr. and Mrs. David Burns, one for mastoid.
