Mr. Welsh, teacher at No 10, is to-day, Monday, at Fenelon Falls attending the funeral of his grandmother.

Miss Grace Gray of North Mornington was a weekend guest with Mrs. A. Haas.

Good Crop Prospects throughout Canada

The first crop report of the season dated May 5th, covering the whole Dominion, and compiled by the Bank of Montreal, gives encouragement for splendid crops in most parts. It reads in part:

"As operations on the land come into their full swing throughout the Dominion conditions appear more generally favourable than for several years past. Reports from every Province tell of ample moisture for the time being in most districts. Everywhere fall-sown crops and meadows have wintered well, and winter damage to fruit trees and small fruits has been negligible. In the Prairie Provinces present moisture conditions on the whole are sufficient to ensure germination and give the crops a good start. Widespread rainfall during the past few days has been beneficial, particularly in Southwestern Saskatchewan and parts of Eastern Alberta, where subsoil moisture reserves are low. While Spring operations have been retarded by snow and rains, wheat seeding has begun, and in Manitoba and in some parts of Alberta and Saskatchewan it is well under way. In Ontario land operations are well advanced, weather conditions having been favourable and the season about one week early, with moisture conditions excellent. In British Columbia the season is early, following a mild winter, and field operations are well advanced, with moisture conditions satisfactory. The bloom in orchards is heavy and the present outlook is for a heavy crop of all tree fruits.

ALBERTA — Seeding operations which are one to two weeks behind last year, have been further delayed by general precipitation over weekend. Moisture conditions are generally satisfactory. In the Peace River District 75% of the wheat is seeded. In other districts seeding is nicely started. The acreage of all grain is expected to be about the same as a year ago. Infestation by grasshoppers is threatened in a large portion of the South and East Central areas.

SASKATCHEWAN — Wheat seeding is under way, but progress has been delayed by fairly general rains. The land is in good condition for cultivation, with sufficient surface moisture to ensure germination of seed. In some districts subsoil moisture reserves are inadequate and good rains will be required throughout the growing season. Indications are that the wheat acreage will be smaller than it was last year.

MANITOBA — Good rains have fallen over the Province and, while wheat seeding has been delayed, operations are well advanced. Soil moisture conditions are satisfactory and present prospects are favorable. In soft districts precipitation to date is above normal. It is estimated that there will be a reduction in

the Durham acreage this year. PROVINCE OF ONTARIO — Fall wheat, clovers and meadows wintered well and are in healthy condition. Pastures have shown rapid growth and cattle have been turned out earlier than usual. Sowing of oats and barley nears completion, germination has been satisfactory. Preparation of land for roots and corn is proceeding and planting of roots has been commenced in the Southern sections. Fruit trees and small fruits show minimum frost damage, and prospects are favourable.

Annual Meeting of Durham Women's Inst.

The Durham Women's Institute held their annual meeting at the home of Mrs. R. Ledingham on May 5th. Letters were read from the sick, telling how much our kindly thoughts and gifts of fruit had cheered them. The district annual is to be held June 15.

Miss Renwick, president, made a few remarks on the year's work, thanking all for help and co-operation which had made the year 1937 a success. She hoped that all would give the new president the same loyal support.

Milk was supplied children of Durham Public School valued at \$24.59; Christmas gifts to Children's Shelter at \$8.40; Donation to Red Cross for Flood Relief at London, \$5. 21 Cheer boxes were sent to sick and shut-ins, and 4 quilts were sent to the dried-out area in the West.

Roll call was answered by telling registered name in full and payment of fees. Mrs. John Petty was chosen to conduct the election of officers, which was done by ballot, Mrs. W. J. Ritchie and Mrs. Miles being the scrutineers. They brought in the following reports: President—Miss Renwick; 1st Vice—Mrs. Geo. Sharp; 2nd Vice—Mrs. Moon; Sec'y—Mrs. Wm. Giles; District director—Mrs. T. Young; Pianist—Miss L. McComb; Directors—Mrs. Bailey, Mrs. Milne, Mrs. Mortley; Auditors—Mrs. Nichol; Mrs. McDonald; Programme Com.—Mrs. McIlraith, Miss Margaret McGirr; Mrs. Erwin, Mrs. John Sharp, Mrs. Lloyd, Mrs. Campbell. Visiting Com.—Mrs. Mather, Miss McComb, Mrs. R. Ledingham, Mrs. T. C. Ritchie.

Mrs. Moon and her group were the winners of the year's contest "for attendance, answering roll call and securing of new members." Mrs. Reay and her group are to entertain the winners at the next meeting, to be held at the home of Mrs. George Campbell on June 2nd. The National Anthem closed an interesting meeting, after which a pleasant half hour was spent over the tea cups.

AMONG THE CHURCHES PRESBYTERIAN Y. W. A.

The regular monthly meeting of the Young Women's Auxiliary was held at the home of Mrs. J. C. Howell on Thursday evening, May 5th.

In the absence of the president, Mrs. Clarence Barfoot, Mrs. C. H. Darling, 1st vice president, occupied the chair. Mrs. E. S. McArthur and Miss Dorothy Pickering had charge of the devotional exercises. Miss Pickering also had the topic, "Our Indian Residential Schools."

Following the closing exercises, Mrs. Howell and assistants served refreshments and a social hour followed.

DURHAM BAPTIST MISSION CIRCLE AND LADIES' AID

A large number of Baptist ladies availed themselves of the opportunity of attending the interesting joint meeting of Mission Circle and Ladies Aid at the home of Mrs. Wm. Moffet. Miss E. A. Redford, the Circle president, presided, and several ladies joined in the circle of prayer. Mrs. C. P. Kinnee read the scripture. The roll call was answered with a favorite bible verse. The report of the treasurer showed that the Circle had raised considerably more money than in previous years. Mrs. Giles favored with a pleasing vocal solo. The topic on "World Missions" was interesting and instructive. It dealt with the Mission work in India, Bolivia, China and South Africa and was taken by Mrs. Kinley, Mrs. Wm. Erwin and Mrs. Priest.

The next meeting will be held June 1st at Mrs. Chas. Ritchie's and will be a special social to which all the ladies are invited. The topic is in charge of Mrs. Wm. Erwin and the program in charge of Mrs. Ries. Roll call will be answered by a scripture verse containing the word "joy" or "happiness."

The Ladies' Aid president, Mrs. Giles, took charge. Mrs. Priest led in prayer. A social half hour was spent and many thanks were tendered to Mr. and Mrs. Moffet for their kindness and hospitality.

Half Holidays in Near-by Centres

Days When Towns of District Observe Half-Holidays

Towns and villages throughout this district have nearly all adopted the policy of observing a weekly half-holiday. These mid-week holidays enable the citizens who are employed in stores and other business concerns to enjoy a few hours of leisure every week and the plan has met general approval. Generally speaking, half-holidays are observed only during the summer, although stores in some towns now take the weekly half holidays for eleven months of the year. The half-holiday season starts at various dates in the different towns, but the majority of centres have now started the observance of these half-holidays.

The towns and villages have not all selected the same day for their half-holidays. The following list will be found helpful for those citizens who have occasion to do business in neighboring centres.

Table listing towns and their half-holiday days: Owen Sound (Wednesday), Hanover (Wednesday), Chatsworth (Wednesday), Chesley (Wednesday), Markdale (Wednesday), Warton (Wednesday), Southampton (Wednesday), Thornbury (Wednesday), Meaford (Wednesday), Arthur (Wednesday), Harriston (Wednesday), Palmerston (Wednesday), Durham (Thursday), Mount Forest (Thursday), Flesherton (Thursday), Dundalk (Thursday), Shelburne (Thursday), Alliston (Thursday), Port Elgin (Thursday), Paisley (Thursday), Tara (Thursday).
