## S. S. No. 10, Egremont, Will Hold Reunion

Mr Donald McInnis, Yeovil, son of the late well-known Chas. McInnis, early pioneer teacher, paid the Review a pleasant call on Monday. He tells us his section August 1, when they look for a big return of its former sons and daughters. To his knowledge, the earliest teacher of No. 10 still living is his aunt, Mrs. Ray, of Toronto, now in her eighties. Mrs. C. Ramage, Durham, is another of the early teachers. This is the first reunion the section has had, and no thought or attention is being spared in order to make the event go over strong.

### KNOX CORNERS

Rev. Mr. McKenzie had charge of the services at Amos and Knox on Sunday, and Mrs. McKenzie accompanied him. He gave a good message on "Nicodemus" and his visit to Jesus. Rev. Mr. Knox preached from the same portion of scripture quite recently. Nicodemus has been often criticized, and yet, had we been in his place, would we have done any better? It meant something to follow Jesus, the Stranger of Galilee, in those days and it will take courage today to be out and out for Him and we are ashamed of Him now, there will be a day when He will be ashamed of us. We hear little of Nicodemus after this until they crucified Jesus, and His disciples had forsaken Him, yet we find Nicodemus there, and he provided the spices to anoint the body of Jesus for burial.

## Trip to Toronto Fair for South Grey Rural Pupils

Inspector Pentland has arranged the trip to Toronto exhibition again this year, for rural pupils which was cancelled last year. Part of his letter to the teachers reads:

The Children's Excursion to Toronto Exhibition postponed last year owing to the outbreak of Infantile Paralysis, will be held this year, as promised, on August 29th. The children invited are those from 84 rural schools only, hence those from the towns and incorporated villages (Durham, Hanover, Neustadt, Markdale, Flesherton and Dundak) are not invited.

Children may go either by train or by car, and the assembling point will be at the front of the Union Station, on Front Street, Toronto, at noon, precisely, Standard time, on Monday, August 29th. From there the party will visit the rotunda of the Royal York Hotel, thence by the elevators to the observation tower of the Bank of Commerce, the highest building in the British Empire, from which the children will be able to see the City, Lake Ontario, and the shore of the United States across the lake. From the Bank the party will proceed to the Star Printing Office, then to the Metropolitan Church, where the carillon will play a number for the children on the famous chimes.

From the Church the party will walk to the Allen Gardens, then to the Zoological Gardens, where lions, tigers, bears, snakes, monkeys, and dozens of other forms of wild life will be on exhibition. The next point of interest will be the Parliament Buildings, which will be open for inspection, and in the Legislative Chamber the children will be addressed briefly by The Honourable Mitchell Hepburn, Premier of Ontario, by the Honourable Dr. Simpson, who is Minister of Education, and by Mr. V. K. Greer, M. A. Chief Inspector of Ontario Schools.

The children will be introduced to those gentlemen by Mr. Farquhar Oliver, M. P. for South Grey.

Children will not be left alone for a moment, night or day, from the time they come to the station to take the train for Toronto. The following teachers have been invited to assist me as chaperons, and will be on the train at the start: Mr. Jackson Stewart, Miss Irene Martin, Mr. Irwin Matthews, Miss Norma Gagnon, and Miss Beulah Klages. The chaperons will be with their respective sexes over night at the Queen Victoria School, Close Avenue.

As arranged last year, there will be a special C. N. R. train from Durham to Palmerston, which will join up there with the C. N. R. from Owen Sound. The rates will be as follows, for children under twelve, Durham, \$1.50; Varney \$1.50; Holstein, \$1.45; Mt. Forest, \$1.35.

Teachers are requested to send me, before June 15th, (earlier greatly appreciated) the names of children likely to go.

### FAIR SEEKS NEW EXHIBITS

Last week's Thornbury Review, Herald reports some changes made in Prize List of Collingwood Tp. Agricultural Society. Due to their short "keeping" qualities, lemon and custard pies, and creations with whipped cream on top, have been ruled "out." The stress is on new exhibits. The new prize list will contain needlepoint entries, tailored and bound button holes, felt mats, hand-painted greeting cards, and hobbies. One is "example of a woman's hobby" (men excluded as exhibits). Young people are asked to show their competitive skill in a non-dying scale model airplane, or a model sail boat and also in "best collection of six snapshots in own community."
