HITCH-HIKING A PUNISHABLE OFFENSE

Fines of \$10, or in Default, Imprisonment May Be Imposed on Persons Thumbing Their Way on Public Highways.

That hitch-hiking, which is one of the greatest nuisances that the motorist of today is faced with and which is especially prevalent on the Walkerton-Durham highway, has been made a punishable offence under the Ontario Highways' Act.

Under the caption "Soliciting, Rides Prohibited," sub sec. 2 of sec. 44 of the Highways' Traffic Act says: "No person shall while on the travelling portion of a highway solicit a ride from the driver or operator of a motor vehicle, other than a public vehicle," and the latter is taken to include a motor bus or a taxi-cab, where there is a fee attached.

For an infraction of this Act a penalty of not less than \$5.00 and costs not more than \$10 and costs may be imposed, or in default a term of jail is provided for the offence.

If the measure is strictly enforced in this district there promises to be a prompt let-up in the practice of hitch-hiking and thumbing, or a big influx into the provincial or municipal coffers in the way of fines, not to mention how the jail population may grow if all the footloose transients who thumb motorists are gathered to their reward.

IN DAYS OF YORE

25 YEARS AGO

(from the Review file June 5, 1913)

To-day, Wednesday, Mr. Alex. Al-Joe of the 2nd of Glenelg, is to be married to Miss Donnelly, of Bentinck. We wish them much happiness in their new life.

While staying at the Presbyterian manse, Rev. Geo. Kendall of Dro-more, indulged in several games of lawn tennis and surprised his youthful opponents with the skill he displayed in volleys and serving the disc. He was an easy winner in the games he played.

Two or three weeks more will see the reconstruction of the William McGowan dam. Repair work has been going on for some time and replacing the work of the ruinous spring freshets is proving to be an arduous task.

To ward off future disasters the new structure will be strengthened by three new piers which are to be 12 feet long and 4 feet wide and placed at right angles to the main embankment.

While returning home from Durham on Tuesday Mr. and Mrs. Geo. Binnie had an unpleasant experience. They met an auto which was safely passed, though the horse was a bit nervous, and this may have led him to take fright at a log on the side of the road, for he wheeled around, upsetting the buggy and occupants.

Mrs. Binnie's collar bone is injured and Mr. Binnie got a bruise on the face, but fortunately nothing more serious resulted.

Mrs. Henry Metcalfe, wife of Deputy Reeve Metcalfe of the township of Bentinck, passed away on Saturday at the age of 50 years, 6 months.

Holstein Corr: In writing about large eggs two weeks ago it brought out Master Campbell Watson, a young chappie who takes a lively interest in poultry, with three whoppers, 8 1/2 inches by 6 3/4 in.

At a recent trustee meeting Mr. Burnet, the principal of our public school, was again engaged at an advance in salary. Miss Bride is leaving at midsummer.

When the \$20,000,000 loan of the Dominion Government at a 2% interest rate, was licked up within a few hours, Canada's finances are not in bad shape. The trouble is too few hold it.
