ROBERT MCKINNEY

Sympathy is expressed to Mr. and Mrs. William McKinney in the death of his father, Mr. Robert McKinney on Friday, July 15, at his home on con. s. Proton, having reached his 90th year, with intellect bright and keen and physically active to within a few days of his passing, when his last illness overtook him. Kind hands ministered to his every need but nothing could be done to prolong life.

He was well and favorably known in Proton township, where in the early days he had remarkable skill as a hunter and trapper. He had a quiet, kindly disposition, by word or deed giving offense to no one. He made many friends, both old and young who will miss him. He was very fond of music and spent many, many happy hours playing his violin and singing.

Wherever Mr. and Mrs. Robert McKinney have resided, the surroundings were soon made beautiful with floral bloom.

Surviving are his widow, formerly Miss L. Armstrong, Proton; son William, Hopeville; Mrs. W. P. Ellis, Holstein; May, Mrs. Mary Phelps, Toronto; Robert, Northern Ontario; James of Goderich.

The funeral service held at the residence Sunday was largely attended. Mr. R. Elliott, student pastor of Hopeville United, gave a comforting discourse. Mr. and Mrs. Elmer Monroe, Misses Annie Mae and Francis Jack saog. Interment was made at Ventry.

SWINTON PARK

The sun still shines and it is reasonably warm. We were thankful to have a nice rain Sunday morning in this vicinity. Crops have suffered for lack of moisture and straw will be shorter than usual, as even the fertilizer fails to stimulate growth without the rain. Hay is a fair crop and is being gathered in nice and green.

Some are through, still there are many fields to cut.

Roots and rape also are backward, and waiting for rain.

Sorry to say that Ross Hill is still a very sick boy, and Mrs. Roy Williams is suffering with those injured hands as a result of the car accident.

Little Irene Harrison had her tonsils removed in Orangeville hospital last week and suffered considerably but everyone is sympathizing with these suffering ones and praying that soon they may be well.

There is little new under the sun, but there is some of the old still in this Park. We were out to church on Sunday and we met six of the girls and boys we went to school with 70 years ago. These have lived here all these years and have done their part to make it pleasant for others. They have had both joy and sorrow, still they carry on with a smile. Though grown old and feeble and tremble at the knee, life is just the same today as then it used to be. And so we hope to travel on till the time appointed, and we also try to keep in touch with another generation.

We have been invited to a great reception in the pavilion at Black's Beach on August 1st, in honor of the son, Bobby Black and bride, Miss Dell Scott, who are going to start a new home. We wish them patience and perseverance, and a long and happy wedded life.

Mr. and Mrs. William Aldcorn of Priceville, are at present out at the old home at the Park.

Jack Kennedy of Shelburne is holidaying this week with his cousins, the Ed. Heard family here.

Some of the buildings are being wired for hydro around the Park. Soon we will be all lit up!

IN MEMORIAM

HINCKS — In loving memory of our dear mother, Mrs. David Hincks, who departed from this life July 22, 1926.

No one knows how we have missed you—

Many times we have felt blue; We lost our best and dearest friend, Dear mother when we lost you.

What would we give her hand to clasp,

Her patient face to see,

To hear her voice, and see her smile As in the days that used to be!

But some sweet day we'll meet again, Beyond the toll and strife, And clasp each others hands once more,

In Heaven, that happy life. —Sadly missed by husband and family
