TORONTO TEAM TOOK GAME AND ROUND Owen Sound—Durham Junior lacrosse team, the last local team in the running, lost out Monday night in second round playoffs here to Toronto Beches by 10 to 7, the visitors winning the round 15 to 14. At end of 3rd frame O. S.—Durham led 7 to 5, and were 4 up on round, but a startling comeback, and loose local defensive play, gave the Beches 5 goals to 0, just enough to give them the round, half a minute before full time.

OWEN SOUND — DURHAM JUNIORS DEFEATED TORONTO BEACHES Playing in Toronto Saturday afternoon, Owen Sound—Durham combines won a 7-5 decision over Toronto Beches in the Junior lacrosse semi-finals. It was a splendid game between evenly-balanced clubs. The visitors won by making the most of their scoring opportunities, and by steadier defensive play. The Durham players were Joe Noble on defence, Gordon McDonald and Clyde McCullum, forwards.

Big bundle of old papers, only 5c, at Review Office. Just the thing for fighting free, laying under carpets.

The tulips which have been stored away should be examined and cleaned now so as to provide information about how many will be usable this fall. Only sound, bright, full-sized bulbs are worth saving and these should be kept in a warm, dry place in well-ventilated containers.

HYMENEAAL

MCARTHUR—HOPPS A quiet, but pretty wedding took place on Saturday, Sept. 10 at Presbyterian Manse, Markdale, when Rev. Mr. Taylor united in marriage Miss Grace Hopps daughter of Mr. and Mrs. Jas Hopps, Portlaw, to Mr. Frank Allister McArthur, son of Mrs. Irene and the late Mr. A. B. McArthur of the Glen. The bride looked lovely in beige triple sheer, with Parisian accessories and carried a gold compact, the gift of the groom. Her flowers were gladioli and maiden hair fern.

Mrs Wilfred Watson, sister of the groom as maid of honor, wore mass green marquisette with black accessories and wore the gift of the groom a yellow gold dragon fly, Mr. Herbert Hopps, brother of bride, acted as best man. His gift was a black morocco pocket book.

A dainty luncheon was served at the home of the bride's parents at 4 p. m. when only the immediate relatives were present. The bride wore a going away suit, of dark tawn wool with matching accessories. The happy couple left on a honeymoon trip to North Bay and Haliburton. On their return they will reside on the groom's farm in the Glen.

SWINTON PARK

We were just a little sorry that it rained Saturday on account of Durham fair, but it did not come in time to spoil the exhibits and in this district it was much needed. Rain again on Sunday night will help some, as we have been in the dry belt this summer.

Many of our people spent a day or two at the Toronto Ex. the last two weeks, but the eleven kids from Swinton Park who took in Inspector Pentland's organized trip are the most enthusiastic narrators, many of them never being in the city before.

General health is very good. Some have colds and of course there are a few chronic sufferers. I think Ross Hill is in the minds of everyone. Ross is said to be improving but oh, so slowly.

Mervin Little of Portlaw is the new teacher at Swinton Park. There are about 35 pupils on the roll, so with good health throughout the year, much learning may be imparted. There is quite a large class of those who passed entrance.

Last Sunday communion services were conducted in the church here by Rev. Mr Taylor and on Sunday, 25th Sept. anniversary services will be held. Although wiring for hydro is pretty well completed in the Park, something like 20 homes having it in, the date the current is to be turned on is not yet known.

Planting is rapidly going on, although the land has been very dry; also corn cutting, and some have been at the potatoes. They report not a bumper crop, yet enough to go around of good quality

No threshing has yet been done in this locality. Last year the machines were plentiful around the Park, almost every farmer having a different one, and often they caused a scarcity of hands. The probability is that the same thing will occur again in a week or two.

We are wondering a wee bit, what the next few days will bring forth in the war situation!
