Main Bouts will be Thrilling Battles

"The best card yet" is what is promised for Friday night's third boxing tournament in Durham arena.

The winners last month in two main bouts, Jack O'Sullivan and Glenna will have all they can handle this time, perhaps more, while the preliminaries, with local boys participating against Buffalo boxers will be tidy battles.

When Mel Glonna heard who he was boxing on the night of Sept. 23, he immediately went into serious training, saying that he couldn't afford to lose this one, because the busy season is coming on, and every fight he wins now will mean bigger purses.

Jack O'Sullivan is working like a "Trojan" these days getting into the pink for his bout with Ollie Smith of Syracuse, N.Y., who holds a split decision over our Jack.

Saugeen Presbytery Met in Presbyterian Church

Saugeen Presbytery met in regular session in Durham Presbyterian Church on Tuesday last, with full attendance of ministers and representative elders.

The missionary givings of the different congregations were compared with the previous year and discussed. The amount contributed so far is the same as previous year.

There was a full discussion on the needs of the work of the young people. It was noted that there was a good interest shown by boys and girls in Bible truths.

Rev. J. R. Waldie of Arthur having completed his term of Moderator of Presbytery, Rev. T. L. Williams, B.A., B.D. of Harriston, was elected Moderator for the ensuing year.

The Saugeen Presbytery previously overtook the General Assembly to place Rev. Robert Honeyman's name on the constituent roll and this was granted by the Assembly.

HAY—YOUNG
A quiet September wedding was solemnized Saturday, Sept 17th in Trinity United Church, Toronto when the bride's pastor, Rev. Mr. Falls, united in marriage George Murray Hay, only son of Mr. and Mrs. Alex Hay, Durham, to Mildred Allecia Young, daughter of Mrs. Harriet Young, Sydenham, Ont. The ceremony was witnessed by the immediate friends of contracting parties.

Attending the bride was her cousin, Miss Edith Young, while Mr. Stewart McIlraith performed the duties of groomsmen. The bride was attractively attired in a travelling suit of tea rose shade tweed, with navy accessories, while that of the bridesmaid was of royal blue.

Bishop Farthing to Retire from Ministry

Right Rev. John Cragg Farthing, Lord Bishop of Montreal, on Sunday from the pulpit of Christ Church Cathedral announced his retirement from his Lordship, who will have been Bishop of Montreal thirty years next January, gave old age as the reason for his resignation from the Bishopric.

He is 77 in November, and at the end of that month will have served the ministry fifty-three years, many of them in Ontario.

A native of Cincinnati, Ohio, Bishop Farthing moved with his parents to Liverpool, Eng., at an early age. Educated in England, he came out to Ontario, where he held a number of church posts before being elected Bishop of Montreal Nov. 24th 1908.

Bishop Farthing took his first charge at Durham. Three years later he went to Woodstock to become curate, and shortly afterward was made rector of the parish. He was in Woodstock seventeen years, and then was made Canon of St. Paul's Cathedral, London. He served as Prætor of the Lower House of the General Synod from 1905 to 1908. In 1906 he went to Kingston to become Dean of the Diocese of Ontario and rector of St. George's Cathedral, from where he was called to the Montreal Bishopric.

Mr. Wilfred Thompson was in Toronto attending the Prudential leaders' conference at the Royal York last week.

Held Weiner Roast.
An enjoyable time was spent on Wednesday evening when some 30 members of the Presbyterian Young Peoples' Societies held a "weiner roast" at the home of Tom Milligan.

"THE BIG TOMATO"
The year 1938 appears to be a year for record growth in the tomato family, if one were to judge from comments on the various sizes reported in nearby weeklies. But they will all have to go some to compete with the one Mrs. Thos. Young brought in to the "Review" Monday. It is five or six ordinary tomatoes in one, carries a weight of two and a half pounds, and while its profile is not so smooth, nevertheless it is a healthy specimen.

I. O. D. E. BOOK AWARDS PRESENTED TO PUPILS
