CADMIUM

The entire Canadian production of the metal cadmium is obtained at Trail, British Columbia, in the treatment of zinc-bearing ores. The cadmium plant is a by product works and is only operated on occasion demands. Cadmium precipitate is obtained in the electrolytic zinc refining operations at Flin Flon, Manitoba. One of the principal industrial uses at present for cadmium is as a plating metal in automobile and aeroplane manufacture; it is also utilized in the preparation of pigments. Excellent results have been claimed for cadmium base alloys. It is reported that a cadmium-silver-copper has been found to be more efficient than rabbit metal for bearings. A cadmium-nickel bearing is now being tested in the automobile industry. Mexico and the United States are the largest producers of cadmium, it is produced in France, Russia, Australia, South West Africa and other countries. The Canadian output has gone as high as about 324,000 pounds, exclusive of cadmium sponge produced at Flin Flon. A recent price was 85 cents per pound. NO. 33 Page 17.

MRS W. H. HUNTER LAID TO REST

A very large funeral cortege followed the remains of the late Mrs. W. H. Hunter to their resting place in Amos cemetery, Dromore. The services at the house and grave were conducted by a relative of the deceased, Rev. Leslie Mott of Barrie, Ontario, assisted by the Rev. Robert Honeyman of Durham. Mr Mott took his text from the second chapter of Hebrews, 14-15 verses where it tells of Jesus destroying "him that had the power of death." Two of the favorite hymns of Mrs. Hunter's were sung, "Abide With Me" and "Nearer My God to Thee." Many beautiful floral gifts expressed the high respect given to the departed and sympathy to the family. One of these came from the County of Grey and one from the Ladies' Aid of Amos Church, Dromore. The floral tributes were carried by William and Edgar Patterson, Wallace and Ray Adams, Lloyd Brown, Wallace Matthews. The pall-bearers were neighbors, Arthur Lee, Samuel Patterson, Joseph Lawrence, Matthew Hooper, John Brown, Milford Matthews. Those present from a distance were Mrs. Foote, John Rappold and son, Mr. and Mrs. G. A. Wight, Mr. and Mrs. Reg. Wight, Galt; Mr. and Mrs. Daniel Brantford; Mr and Mrs. Hugh Wight Arthur Wight and son Arthur, Mr. and Mrs. Harry Wight Burford, Mrs. Munn, Paris; Mr. and Mrs. Harry Storne, Brampton; Mr. Fred Rutherford and son, Owen Sound; Dr. and Mrs. Mountain, Chatsworth; Mr and Mrs. F. Davis, Markdale; Miss A. C. Macphail, M. P., and Farquhar Oliver, M. P. P., Caylon; Mrs. Mott and Glen, Berrie; Mrs. Gilmour, Burgessville. Spring flowering bulbs which are to be planted this fall should be selected and ordered now while the impressions of last spring's display are fresh in mind, and the dealers' stocks compete, especially if the newer and better sorts are desired.

KNOX CORNERS

Mr James Petty, son Elgin and Mrs. Irene visited recently with the former's brother, Mr Samuel Petty near Rockwood, who has been ill for some time. The Y.W. Aux. had charge of the programme for the meeting in the church Friday night. There was a good attendance. Mr Pentland gave an interesting and instructive talk on his trip, and especially of those parts of Palestine where Jesus lived while on earth, he having visited the tomb where they claim the Body was laid. The choir sang two selections and the Mission Band a chorus. A collection was taken in aid of the funds of the Y. Aux. Mr Bert Watson was chairman. Mr and Mrs Hubert McDougall and children of Holstein and Miss Mary Ford were visitors on Sunday with Mr and Mrs Bert Watson; also Mr. and Mrs Harold and Melville Watson. Our sincere sympathy is extended to Mrs Caldwell and family in the death of husband and father, the late Wm. Caldwell, who passed away at his home early Monday morning. The deceased was a kind husband and father, a lover of home, and a good neighbor. He will be sorely missed in the home. Mrs James Picken visited Thursday with Miss T. E. Byers. Mr and Mrs Stanley Mountain and daughters Doleen and Myrtle attended Owen Sound fair on Monday.

Mr and Mrs Oren Peart and Lorna with Mr and Mrs Barfoot of Townsends Lake, visited Sunday with Mr and Mrs Bill Wardell and Mr and Mrs Marshall, sister and parents of Mrs. Barfoot at Killyth. Last Tuesday Mrs James McVally's house took fire and when noticed, the roof was burning, but it was lucky some men were working at the barn, and with buckets, the fire was soon put out. Mr Angus McIntosh and sisters, Margaret and Susie, were Sunday visitors with Mr and Mrs J. H. Robson and W. J. Greenwoods'. Mrs Geo. Peart of near Durham, spent a few days with her sons Emerson and James (Beart) last week and attended Markdale fair. Mr Oren Peart found one of his 2-year-old cattle which was pasturing at Wm. McFarlane's, dead, and on examination, found it had been shot through the neck with a stray bullet from the gun of some hunters. It is too bad that people trespassing on other people's property, couldn't be more careful.

IN DAYS OF YORE

25 YEARS AGO (from Review file, October 2, 1913) At the recent election to appoint officers for the Literary Society in connection with the Model School at Hanover, Mr. Ernest McGillivray and Miss Bell Petty, both of Durham, were elected president and vice-president respectively. The first meeting of the High school Literary Society for this term was successfully held on Friday afternoon. The executive for this year is as follows: Hon. Pres. Mr Allan; Pres. Bessie Saunders; Vice-Pres., Marguerite Hutton; Sec.-Treas., Vivian Harvey; Editors, Alx Edge; and Murray Findlay; pianist, May Cliff; Glee Club leader, Theodore Fallaise. At a pumpkin pie social held by the Epworth League of the Methodist Church, the following talent took part in the program of merit: Mrs. Kuschel, Mrs. Prudham, H. McCrae, and W. Glass in a quartette, Miss Mabel Latimer a solo, a musical trio by Miss Rita Irwin, H. McCrae, and daughter Stella, four little girls, Emily and Annie Smith, Stella and Clara McCrae appeared in a quartette and Miss Florence Barclay contributed a couple of fine readings. The High School Board at the last meeting decided to wait upon the council at its next meeting to press upon it the necessity of securing \$15,000 to purchase site, build and equip a new High School. This matter has dragged on for years. Something will have to be done now as need is urgent. The new armoury building in Markdale is to be opened on Oct. 10th. To celebrate this event a grand ball is to be held and 700 invitations will be issued. While an elder brother was searching the neighborhood for his whereabouts in vain, Stewart, the two-year-old son of Mr and Mrs. J. S. McIlraith, was on his way to church, which he considered was the proper place to be on the Sabbath. This incident occurred a week ago Sunday when the rest of the family with exception of himself and guardian brother, were at church. Durham's 1913 fall show was held in perfectly ideal weather bringing a crowd that broke all records and also helping the treasury of the Society which during several bad seasons in succession was badly strained. Over \$440.00 was the gate proceeds the largest ever at a fall fair. Mr Lynn Grant left on Wednesday to continue his dental course at the Dental College in the city. Priceville Corr: The hotel is changing hands this week. Mr. McGrath, the present occupant, being succeeded by Joe Black, of Pomona. Dromore Corr: Miss Nellie Atchison has gone to Mt. Forest to attend the Business College.
