Where The Reign of Winter Ends

Air-conditioned travel on a de luxe Canadian Pacific train brings the holiday seeker to Victoria. He has passed through all the rigors of winter, subzero temperatures, blizzards and a whole continent swathed in white, but when the Rockies are behind him and he has traversed the eighty-odd miles of the San Juan de Fuca straits, he enters, at the conclusion of his trip, a new land—Canada's Evergreen Playground—Vancouver Island with Victoria—its southern tip, and he has exchanged winter at its peak for summer. Fourth largest in the chain of great Canadian Pacific hotels across the Dominion, the Empress Hotel at Victoria offers him all facilities. Located in a beautiful

garden fronting the placid waters of Victoria's inner harbor, the Empress Hotel covers such unique features as its Conservatory with fountains playing amid masses of flowers and the nearby Crystal Garden with glass-enclosed swimming pool, palm bordered promenades and warm salt-water bathing. The traveller steps into summer at once with new sights, brilliant sunshine and the tang of Pacific breezes, minimum rainfall and ideal temperature variations. Golf is at hand on the championship Royal Colwood Club course where, March 7-12, there will be held the Annual Winter Golf Tournament for the Sir Edward Beatty Challenge Cup, the Chamber of Commerce Trophy, Victoria Rotary Club Rose Bowl, the Matson Inter-District Team Cup and other valuable prizes. Fishing, yachting, riding, motoring, tennis are available for all, while the environs of Victoria have for major attractions, the Malahat Drive with its ever-changing incomparable views; the Butchart Gardens, famous on two continents; and the Dominion Astro-Physical Observatory. An evergreen playground in the depth of winter is Victoria's gift to Canadians on their own soil. Layout shows upper left a scene in the Crystal Gardens; upper right, the yacht harbor and the parliament buildings; lower left, a view of the Empress Hotel; and lower right a tennis moment on one of Victoria's golf courses.
