with a clean record will secure highest grading and lowest rates.

THE CHRISTMAS SPIRIT

With the advent of December, the school pupils, especially those of the rural sections, become inoculated with the Santa Claus serum, that spreads as the great event of the month approaches. Teacher and pupils commence a Christmas program that is an event of importance to the whole section, when parents turn our the last school day of the month, to Somehow or other, the irksome school classes are transformed into pleasant tasks, for at the close room these December days.
