After the program all the children were called to the platform and each one received a bag of candy. It was indeed an enjoyable afternoon.

On Thursday, Dec. 15th the Women's Institute held their meeting at the home of Mrs Dyer with a good R. C. A. SOUND attendance of ladies present. After Two Complete Shows Nightly: the business period, Mrs. Hostetter gave a splendid paper on "books." She stated that Gladstone, one of England's great statesmen, once said "books are delightful society: they seem to tell you they have something that will be good for you and that THURS, FRI., SAT., DEC. 22, 23, 24 they are willing and desirous to impart it to you." There are books on the lives of people, books of travel ADMISSION TO EVERYONE in practically every country in the world. There are books for giving pleasure in our quiet moments, or in our social life with others, and there is the bible, a library in itself of history, prophecy, poetry, biogra- Peter Lorre phy, letters to friends, and accounts

of travels in many lands. Mention was made of the following Plus: The Three Musquiteers authors: Marian Keith, L. M. Montgomery and M. B. McKinley. These were busy housewives who found time to study lives of other women. Archer Wallace has written many worthy books, such as: "Stories of SUNDAY MIDNITE, MON., grit", "Herces of Peace", "Mothers of Men" and "Overcoming handicaps' Then in the realm of Nature books, duce us to the little folk of the forests and meadows. Other writers were mentioned. One great man has said "Only three things are necessary to make life happy: the blessing of Gcd, books and a friend. David Grayson says: "The best partners of solitude are books." The COMING! THURS, DEC. 29th: members exchanged zifts, and boxes were racked and sent to the sick and shut-ins. Lunch was served by the
