

ANCIENT CAPITAL GOES SKI MAD

Quebec City, Lac Beauport and the immediate surrounding areas are rapidly becoming the outstanding ski centres of Eastern Canada.

Visitors from Canadian and United States cities are making their headquarters at the world famous Chateau Frontenac in ever increasing numbers and are thoroughly enjoying winter sports under the most favourable circumstances.

The Lac Beauport area, with its mountains, Saint Castin and Four-billon, is rapidly achieving a well deserved reputation, so much so in fact that for the past two years the area has been selected as the locale of the International Inter-collegiate Ski Meet.

Frontenac, one of the most comfortable large hotels in Canada is the social centre of this typical French Canadian city and provides an ideal headquarters for visitors whether they wish to ski, to explore the interesting city and surrounding country or just spend a different sort of holiday during the gay winter season.

The picture layout shows the famous tower of the Chateau Frontenac against a typical ski scene. The skiers shown in the lower part of the picture are about to take off on a jaunt along one of the many beautiful and thrilling trails.

OBITUARY

WM. MARSHALL BURROWS

The death of Wm. Marshall Burrows on Monday, December 19th, marked the passing of one of the oldest and most highly respected residents. He was 83 years of age, the second eldest son of the late Mr and Mrs Wm. Burrows; born at Clappan's Corners in 1855, where he spent his boyhood days. Later, with his parents, he moved to Egremont township, where fifty-eight years ago he was married to Hester Jane Johnson of Waterloo County. She predeceased him sixteen years on Christmas day.

The early part of their married life was spent in North Dakota. Then in 1890 they moved back to Ontario and settled at Riverview, where he pursued his trade as carpenter.

Twenty three years ago they moved to the farm on the 2nd concession of Egremont, where he passed the remaining years of his life.

Of a quiet, sincere, unassuming nature, he endeared himself to the hearts of those who knew him. A loyal, devoted member of the Holstein United Church, he was happy to enjoy the 60th anniversary of the opening of the church the past year being one of the eight originals present.

He is survived by four children: Wm. S., Oshawa; Mrs R. Andrew (May E.) of Corbetton; Mrs. A. W. Punston (Emma E.) of Corbetton, and George E. at home. A daughter, Mary, died in infancy. One sister, Mrs R. O. Hoffman of Kitchener, survives.

The funeral service took place on Wednesday afternoon from his late home, conducted by his pastor, Rev. R. F. Mercer. The pallbearers were Nichol McDougall, Robert Sim, Orme Hunt, Clarence Fenton, Norman Koch Harry Clarke.

Among friends and relatives from a distance were Mr and Mrs. Wm. Burrows, Oshawa; Mrs Albert Woods of Markham; Mr. and Mrs. Robert Hoffman, Kitchener; Miss Elsie Andrew, Toronto; also a number of friends from Riverview, where he formerly resided.

YEOVIL.

CANADIAN HONEY CROP LARGEST ON RECORD

The 1938 honey crop was the largest on record in the Dominion. A preliminary estimate places total production at approximately 34,000,000 pounds, which is 12,000,000 pounds, or 56 per cent. more than the short crop of 1937.

Weather conditions during the fall of 1937 and throughout the 1938 season were favourable for the growth of nectar-secreting plants, and, although the prolonged wet weather during the summer curtailed the gathering of nectar, increases over production of 1937 were recorded in nearly all the provinces. The crop generally was of good quality.

In order of largest production by provinces, the estimated figures are: Ontario, 12,648,000 pounds; Manitoba, 9,599,000 pounds; Quebec, 5,214,000 pounds; Saskatchewan, 2,794,000 pounds; Alberta, 2,000,000 pounds; British Columbia, 1,584,000 pounds; Nova Scotia, 65,000 pounds; New Brunswick, 60,000 pounds; and Prince Edward Island 11,000 pounds.
