## Council Committees Unchanged; Geo. McKay now Bd. of Works Chairman

Not even one ratepayer was present to witness the opening of Durham Council sessions for 1939 on Monday night. Rev. M. H. Farr was present to ask for Divine guidance over the year's proceedings, after which Mayor Bell made a brief inaugural address. He urged that the least possible expense be incurred, to promote a lowered tax rate and a revival of building activities, and hoped each Dept. would try to live within its allocation for the year. He looked for another slight reduction in the mill rate, and trusted all would work in harmony for the advancement of the town.

The Standing Committees were struck the same as last year. A change has been made in Chairman of Board of Works. Coun. Don McQueen desired to retire after two years, and Coun. G. McKay succeeds him. These are as follows (first named being chairman): Board of Works—Geo. McKay, D. McQueen, Geo. McKechnie. Finance—J. B. Duffield, W. S. Hunter, B. Stonehouse. Fire and Light—W. R. McGowan, G. McKay, D. McQueen. Property—B. Stonehouse, W. S. Hunter, A. Bell. Court of Revision—Whole Council, Reeve Hunter, Chairman. Board of Health—A. Bell, Dr. Burnett, W. A. Glass, B. H. Willis, Sec'y. Welfare—Whole Council, Geo. McKechnie, chairman. Industrial—Art McGowan, W. S. Hunter, A. Bell, W. H. Kress, C. McGirr, B. H. Willis, Sec'y.

First four teams will play off. A winner must be decided by Feb. 13th

ture is \$39,018.04 which allows for a maximum loan to Sinking Fund of \$2000. If this is necessary, overdraft should approximate \$200. A complete list of the arrears of taxes is to be presented at next meeting. The Council afterwards went into session on Relief matters there being several new applications presented by chairman McKechnie, some of which were granted.

## 50th Anniversary of Well known Ayton Couple

Friday will mark the 50th wedding anniversary of Mr and Mrs Andrew Schenk, well-known and highly esteemed citizens of Ayton district. Mr Schenk, while in his 78th year, is still very active and keenly interested in municipal affairs and in the welfare of the village. He was reeve of the township for seven years and about 29 years ago was warden of the county. Mrs Schenk, who is in her 74th year, is also enjoying good health. Nine members of the family are rejoicing that they have been spared for so many years. The family consists of three daughters, Mrs Elgin Gerbraht, Waterloo, Mrs George Widmeyer and Mrs Allister Damm, Ayton, and six sons, Norman and Ezra of Durham, Aaron of Waterloo and Dave, Theodore and Isadore, Ayton. The two eldest daughters passed away a number of years ago. There are 31 grandchildren and five great grandchildren.

## SEVEN SIMPLE RULES FOR GOOD HEALTH

During the past 21 years the Bell Telephone Company of Canada has paid out over \$3,600,000 in the form of sick benefits to its employees. A study of the more than 40,000 cases of illness involved has revealed that ailments of the respiratory system—such as colds, laryngitis, influenza, bronchitis, and tonsillitis—were responsible for, by far, the greater part of this expenditure.

If the experience of this company is to be taken as a criterion, the seven simple rules for good health during wintertime—about which Bell employees were reminded recently—should be of general interest. They follow:

1. Keep room temperature a round 72 degrees.
2. Keep air moist—fill radiator pans with water regularly.
3. Sleep with windows open, but keep out of drafts.
4. Keep fresh fruits and vegetables on your daily menu.
5. Wear enough clothing when out of doors—not too much when inside.
6. Avoid going out into the cold when you are perspiring.
7. If you have a coal fire, be sure gases are burned off before closing dampers for the night.

Mr William McNally, Lumsden, Sask., accompanied his nephew and niece, Mr and Mrs. James Crutchley, to Elmwood to visit his sister, Mrs William Cook. It is 19 years since Mr McNally was home to Ontario. Mrs G. Tracey left for Toronto last week and is a patient in Women's College Hospital.

## Durham Teams Lost to Walkerton and Hanover

A 5 to 4 victory for Walkerton here Wednesday night in Int. O. H. A. hockey was the visitors first win, Durham's first loss. It was rather a loosely played struggle with only a few splashes of smart team play, and the locals missed Hap. McGirr, their shifty play-making centre on first line. Bert Lawrence was out on second line while O. McDonald was placed on first, and both turned in good games.

Goals by Bruder and Wallace gave Walkerton a 2-0 lead in 1st, then early in 2nd Durham couldn't score with 6 to 4 men on the ice. Johnston made it 3-0 for the Capitals with a lift from the blue line, then O. McDonald Moses' pass for Durham's first goal. Doughty made it 4-1 for Walkerton before second period was over.

In third frame with G. McGirr off, Durham tallied No. 2, when Norman Tucker fought his way through, then passed out to Orval McDonald who beat Benninger. Gordon McGirr from Lawrence was No. 3, only 1 behind, but Johnston made it 5-3 for Walkerton when he broke through the defence. Orval McDonald got Durham's final counter unassisted, but Durham hadn't the punch to bang in the equalizer, though they dominated the play throughout. Tucker, O. McDonald and G. McGirr looked best for Durham, while Johnston Doughty and Bruder were outstanding for the Capitals. Durham flashed the red light for two other goals, which referee, Jimmy Auld of Palmerston refused to allow, claiming the puck had not entered nets.

Durham: Goal—E. McDonald; defence—Wilson, Noble; centre—Moses; wings—Tucker, O. McDonald; Alt.—Kress, G. McGirr, Lawrence, Lloyd. Walkerton: Goal—Benninger; defence—Johnston, Schurr; centre—Doughty wings—Bruder, Richardson, Alt.—Schmaltz, Wallace, Schmidt, Girodat.

Hanover Juniors had an edge, though not so decisive as their 4-0 win over Durham would indicate, here on Thursday night of last week. On slushy ice the going was tough, and the main idea behind both teams' play was to slam the puck around the opposing net's, then swarm in and battle for it. At this the heavier and stronger Hanover team proved more adept, and their scores usually came when a man was left uncovered in front of nets. Larry Schenk, in his first tryout in the nets proved a smart goalie, and gave him credit the score wasn't twice 4. Durham's co-goalie, Ronny Watt, now working in Hanover, was invincible in Hanover nets.

1st period  
1 Hanover — Patterson  
2 Hanover — Hoffman  
2nd period — No Score  
3rd period  
3 Hanover — Klemmer  
4 Hanover — Moore  
It was Durham Juniors' third loss, while Hanover is out on top. However the local boys will yet find their bearings and expect to make the playoffs. The Paisley vs Durham game scheduled here for Monday was postponed owing to mild weather and poor ice.

## Quick Work by Police Finds Stolen Car

Parked on the street in front of the Ford Garage, Wilfred Thompson's new Ford sedan mysteriously disappeared about 9.00 o'clock last Monday evening. He promptly notified Chief Scott, who wired to points on No. 6 and No. 4 highways the particulars of the car and its theft. About 10.35, approximately one and a half hours later, Guelph police phoned that they had seized the car at the north end of the city, with its occupants, who proved to be three local youths, Ray Innes, Lorne Long, and Jas. Wells. The young men claimed they were going to London to look for work, and had charged some gas bought at a Fergus garage en route.

Mr Thompson went down to Guelph with Chief Scott and brought his car home, while the latter took the three direct to Owen Sound, where the youths pleaded guilty on Tuesday morning to the charge of theft of the car. Sentence will be imposed at Owen Sound next Wednesday morning.
