"I wonder if Jim will call tonight?"

Do you day-dream in the evenings? When somebody like Jim is in a distant town and seems ten times as far away as he really is? And then the telephone bell rings—and there's Jim!

"Hello Jim, I was hoping you'd call!"

Is there ever a time when a cheery voice from far away is not welcome? When the telephone bell announces it you feel grateful that there are still people who think about you—and prove it by Long Distance.

And Jim says: "Only 65¢?"

People who use Long Distance service are always surprised how little it really costs. Banking with smaller budget items like movies, cigarettes, laundry and shoe repairs, Long Distance telephone calls don't touch your pocketbook seriously—but do always touch your heart.

LONG DISTANCE costs so little! Jim's call cost only 65¢ and it travelled more than 200 miles. By using low Night Rates applying, as well, all day Sunday—and placing "Anyone" calls—you can talk a long, long way—for just a very little.

Forbid that I judge others lest I condemn myself. Let me not follow the clamour of the world, but walk calmly in my path. Give me a few friends who will love me for what I am and keep ever burning before my vagrant steps the kindly light of hope.

Though age and infirmity overtake me and I come not within sight of the castle of my dreams, teach me yet to be thankful for life, for olden memories that are good and sweet and may evening's twilight find me gentle still.

—Marjorie Everist, Toronto.

Big Conservation Dam To Be Built Near Fergus

Construction to be underway this year—Will cost approximately one and a half million dollars.

Ontario is to have built this summer a huge conservation dam on the Grand River, three miles from Fergus, at a big financial outlay. On the other hand it is conceded this dam will save for this province, millions of dollars in valuation of property from water ravages each spring.

This action was decided upon a week ago by the Grand River Conservation Committee, and the chosen site was made by H. G. Acres, Niagara Falls, chief engineer of the committee. The site was first suggested a year ago by Hugh Templin, editor of the Fergus News-Record and another member of the committee.

Mr. Acres thinks so highly of the Shand site that he is going ahead with the actual plans for a dam at that location, at his own risk, before his final report is read in mid-February. He fully believes that it may be possible to build a dam 61 feet high within the price limit of a million and a half dollars. That would store 40,000 acre-feet of water, which is four times the capacity of the Waldemar dam and twice as much as the former proposal of two dams, one at Waldemar and one at Hollen, and at about the same cost. The foundations of a 61-foot dam would be built ten feet into the rock and the crest of the dam would be about 1800 feet long. About half the structure, at the east end, would be of concrete, and the other half, at the west end, of earth and clay.

An invitation has been extended by St. Andrew's Y.P.S. to St. Columba Y.P.S. to join with them in a social night on Tuesday; to "hobnob" with them, so to speak. A good turn-out is assured.

Mr. Alex. Weir has now completed his term and is at home. Anyone in need of a strapping, healthy 'callant' knows where to apply.

We are glad to hear that Mr. Lauchlin McArthur is recovering, though slowly.

The beautiful Christmas tree erected on the public triangle of the town is now laid low, having beautified the festive season with a flood of beauty.

An error occurred in last week's issue. The 16th was meant for the closing of the books, instead of for the congregational meeting, which will be held on the 23rd.

The Women's Institute held the first meeting of the New Year at the home of Miss Elizabeth Mather on Thursday, with a good attendance of members and friends. Mrs. Jas. McDougall gave a paper on the motto for the day. The roll call was answered by "grandparents' nationality." The speaker was Rev. A. R. Muir who gave an interesting talk on "Health." A group of ladies sang a chorus and Mrs. J. C. Harrison gave a piano solo. Lunch was served by the hostess. The next meeting will be on Feb. 2nd at the home of Miss Belle Weir.

An enjoyable community euchre party was held at the home of Mr. and Mrs. Jack Whyte.

Good Work Boys! The Priceville hockey boys and the fans, naturally feel elated, if not proud, of their prowess.

Last week they won over Ceylon by a score of 5 to 3. The week before by a score of 5 to 1 over Proton, and the week before that again by a score of 8 to 4 over Dundalk. Keep it up boys, ours is the enjoyment, your's the hard work. A fund has been started to help pay for sticks and other articles, and it met with a good reception.

On Friday night the annual congregational meeting was held in St. Andrew's Presbyterian Church and Rev. Mr. Taylor presided over the meetings. Three new members were added to the Managing Board, namely, Messrs Dave Nichol, Wm. J. Hincks and Neilburd McKenzie. Mr. Wm. Brown was appointed Chairman of the Managers, in place of Andrew Hincks who retired. Mrs. Wilfred Watson was re-appointed Congregational Sec'y and Rev. A. Sutherland, Envelope Sec'y and Treas. It was decided for each member to bring a lead of wood to the church. Considerable other business was transacted and the meeting closed with prayer.

Mr. F. McKinnon who has been a patient in Durham hospital returned home and ill with pneumonia. Misses Mary and Florence McEwen have gone to Toronto for the winter and spent the weekend at their parental home.

Mr. and Mrs. Jim Sturrock, spent the weekend with friends at Swinton park.

Mr. Stuart Carson, spent a couple of days at his sister's, Mrs. Art Richardson.

Mrs. D. Campbell and Miss Nellie McLean spent Monday in Durham and visited with Mrs. McCannell, and Mrs. McPherson.

Mr. Elmore Neun, visited Sunday at A. L. Hincks.

Mr. Alex. McKinnon, of Toronto spent the weekend at his home.

PRICEVILLE AND VICINITY

PRICEVILLE

The funeral of the late Mrs. A. Stonehouse who died on Thursday last, took place from her late residence on the Durham Road on Saturday at 1.30 p. m. Rev. Taylor of Markdale, conducted the service at the house, to a large turn out of relatives, friends and neighbors, who had turned out to show the last tribute of respect to one so well known. Relatives and near neighbors were pall bearers and Mr. W. G. Watson funeral director.

Several cars were freely given to convey the Public School scholars on Saturday night for a night's skating at Fleisherton rink. Were they tired Sunday morning!

Sunday evening services are well attended in St. Columba United Church. Yesterday, Miss Marjorie Muir and Mr. John Ritchie were appointed representatives to a young people's convention to be held this week in Brampton, of Grey, Dufferin, Peel Counties and others. Rev. Mr. Service of Fleisherton, will convey delegates from there, Ceylon and Priceville.

An invitation has been extended by St. Andrew's Y.P.S. to St. Columba Y.P.S. to join with them in a social night on Tuesday; to "hobnob" with them, so to speak. A good turn-out is assured.

Golden Wedding of Former Egremont Couple

Much interest was centred in Shallow Lake in the golden wedding of Mr. and Mrs. John Henry, who celebrated their fiftieth wedding anniversary on Monday. The bride of 50 years ago was Ellen McMeekin, daughter of Mr. and Mrs. James Henry, pioneers of Egremont. She was one of eleven children, five of whom are living, including Mrs. Henry's twin sister, Mrs. Daniel McAuliffe of Glenelg.

In the pioneer home Mrs. Henry as a girl learned all the household crafts. For instance she wove hats by hand from cat straw. In the early days both men and women wore these hats for every occasion. She also learned to spin the wool into cloth and make garments for the different members of the household. In those days the women used the maple sap not only to make syrup but to be turned into maple sugar as well. Sugar making was a jolly spring time event.

Mr. and Mrs. McMeekin's marriage took place January 15th, 1888. Rev. John E. Moyle, pastor of Durham Baptist Church, officiated. The bridesmaid was Miss Alma Henry, sister of the groom, and Robert McMeekin, brother of the bride, was groomsmen. Both have since passed away. After their marriage Mr. and Mrs. Henry resided at Durham for five years, 45 years ago moving to Amabel Township, where the former was employed by Reid Brothers sawmill and lumber manufacturing plant at Zion. Later Mr. Henry was nightwatchman at the Hepworth manufacturing plant. In 1905 the family moved to Shallow Lake where they have made their home ever since. Mr. Henry has carried His Majesty's mail to and from the local post office to the Canadian National depot for the past 13 years, besides maintaining a farm which he purchased from the Canada Cement plant. He retired three years ago and they moved to the village where the Golden Wedding was celebrated Monday.

Mr. Henry is a native of Galt but came with his parents to Egremont at the age of five years. He was a member of a family of ten children, the four surviving including his brothers, William of Durham and George of Amabel.

Mr. and Mrs. Henry had a family of eleven children, nine whom joined them in the celebration Monday. They are as follows: Roy, Detroit; Walter, Shallow Lake, Mrs. Cecil, Dods (Eva); Mrs. Edward Hyde (Florence); Misses Edith and Beatrice, all of Toronto; Percy, Owen Sound; Mrs. Clarence Woods (Evelyn) and Ernest, both of the home community. A son, John and daughter, Mae are deceased.

Mr. Henry is an active member of the United Church Women's Association and Shallow Lake Branch of the Women's Institute.

HOME PACKED WITH GOODS The executors of Edgar A. Bogart's estate, after weeks of hard work, still don't know the value of the property left by the 75-year-old retired bank employee of Newmarket, Ontario, who lived the life of a recluse.

When the executors entered Bogart's home after his recent death they found the house jammed with furniture, coins, weapons, china, clothing, newspapers and other oddities collected over a period of years. A staff of men has been attempting to catalogue the assorted objects for weeks.

Each room in the house, which no one but Bogart had entered in the 10 years prior to his death, was piled with his belongings to such an extent that only narrow passages from door to door were left open. Hundreds of dollars worth of furniture and clothing, bought years ago and never unwrapped or uncrated, was strewn through the house.—Ex.

HE WOULDN'T HAVE COME (Niagara Falls Review) Apt comment of the New York World-Telegram is that if Anthony Eden had been a German, Russian or Italian he never would have arrived in America. He would have either been under the sod or in a concentration camp for differing with his government.

CARD OF THANKS We wish to express to our many friends and neighbors our deep appreciation for the floral tokens, the many acts of kindness and sympathy extended during our recent bereavement in the death of our dear wife and mother.

IN DAYS OF YORE

25 YEARS AGO (from Review file, January, 15, 1914)

We extend congratulations to Mr. William Rabb, the well-known partner of "Cox and Robb" proprietors of the Frost & Wood agency and the pool room, and Miss Nellie McLean, youngest daughter of Mr. and Mrs. Hugh McLean of town, who joined heart and hand Monday evening.

Rev. Geo. Kendall of Dromore, has signified his intention to accept the unanimous call extended him by the Presbyterian congregations of Dundalk and Ventry. The Presbyteries of Orangeville and Sauguen will meet within the next few days and the call will go through the regular channels.

The remarkably fine weather of November, December and first 9 days of January has passed, and for some days Ontario has been having temperature ranging from 8 to 20 degrees below zero.

We have just received word that on Tuesday afternoon about 4 p. m. Mr. Robt. Dingwall, of the 12th Con. Proton, had his life crushed out by a falling tree. Deceased has four brothers: Andrew near Ceylon, Jas., east of Hopeville William on town-line Egremont and Proton, Thos. in Holstein on old Swanston farm. The distressing death has cast a gloom over the community. Deceased was 40 years of age.

Principal Allan made a discovery about a week ago that roused all the sanitary blood in him. The ventilating system of the school has provision made to allow fresh air into the rooms from outside. What was his horror to discover that the eight ventilating openings had been carefully plastered up, sealing up the rooms to fresh air except what was admitted at doors and windows. He has not yet discovered who was trying to poison the lungs of the little ones.

The most spectacular incident of the recent elections in this neighborhood was the return to the municipal arena of Mr. W. H. Ryan, the veteran publicist of Normanby, the "Czar of Normanby" if you like it. He is 83 years of age, but his mental equipment is not dimmed by the years, and he will add another chapter to the book of good deeds that has done for his township—in Blythe's and Gleneden wards he polled every vote. Our congratulation to Mr. Ryan and to the township that recognizes true worth.

Holstein corr.: Mr. John Swanston's dam has again given way to the forces of the waters. The breaking on this occasion appears in a different place to where the former damage was done, the opening this time appearing in the wall on the far side from the mill. The aperture is said to be about 10 feet wide.

On Friday night at the home of Mr. and Mrs. Wm. Groat, a reception and social celebration was held to honor Reeve John McArthur. About 40 gathered for the occasion and a gala evening was spent by all.

THEOLOGICAL, NOT MEDICAL "Well Bill," asked a neighbor, "hear the boss has had a fever. How's his temperature today?" The hired man scratched his head and decided not to commit himself "Tain't for me to say," he finally replied. "He died last night."

WALSH — MORRISON On Saturday morning in St. Marys church, Collingwood, Elizabeth Loretta Morrison, eldest daughter of Mr. T. J. Morrison and the late Mrs. Morrison, and Mr. John Charles Leo Walsh, only son of Mrs. Walsh and the late John Chas. Walsh, were united in marriage with the bride's brother Rev. Father W. Ray Morrison, officiating. Given in marriage by her father, the bride wore a street length ensemble of brown crepe with bodice of tea rose gorgette. She wore a wide picture hat, with matching accessories, and a corsage of sweetheart roses. She carried a pearl rosary, the gift of the bridegroom. She was attended by her sister, Miss Mary Morrison, who chose a frock of rust crepe with white brown accessories, and a corsage of sunset roses. The groom was supported by Mr. Vincent Noonan
