**PRICEVILLE**  
 Under the auspices of the Women's Institute, a popular community euchre party will be held on Friday evening, February 10th at the home of Mr. and Mrs. James Oliver. It is expected two sleighs will go from the village. All who enjoy cards are cordially invited to join a merry party going to this hospitable home. St. Columba W.M.S. and W. A. will hold their regular meeting on Feb. 15th at the home of Miss Elizabeth Mather.

Congratulations to Mr and Mrs Arthur Bell on the birth of a little daughter on Jan. 30th.  
 Miss Margaret Ferguson of Yeovil spent a week at the home of her aunt, Mrs F. McKinnon.

The Women's Institute of this town and neighborhood held a large successful euchre party on Tuesday night at the home of Lizzie Mather. It was to have been held on the Monday evening but the storm prevented. Even the 43 who were present from distances out knew of the change,— search me! Ten tables were in constant operation, with three onlookers.

First prize was won by Jas Oliver who graciously made the old remark, "He had carried home the bacon" (a good sized chunk of pork). Mrs J. P. McMillan was first in ladies. Consolation prizes were won by Miss Margaret Nichol, and her cousin Donald Nichol. Had we been playing the latter would never have got the "booby" prize! In acknowledgment and appreciation of their society, and its public beneficial work, we attended by way of encouragement. The play (euchre) itself is as great a mystery to us as ever. A vote of thanks was given to Miss Mather for the open house given. An appetizing lunch was served at the close by the hostess, and her many assistants.

Mr Arthur Bell, Principal here, got a very sore optic, by running against the puck at a recent game! but a cure for sore eyes arrived on the 28th when Mrs Bell presented him which a brand new baby girl. All's well we hear. Congratulations and best wishes.

Very discouraging to the hockey boys, one storm after another, with the formation of ice. Then a blanket of snow on top, no chance to practice, yet they are doing well.

Mrs Sarah McLean, colloquially, known as (Sarah Dougal) (to better distinguish her from the many other McLeans here) celebrated her 91st birthday on Friday 28th January. She is diligent in knitting and other work of the house, and all without glasses. Congratulations!

Priceville and Proton hockeyists hooked up in the first half of a double bill played in Flesherston arena on Monday night and Priceville came out on the long end on a 5-2 count. The game was a postponed Semi-Pro affair.

Hulliday counted for Proton on a pass from Blackburn in the first period. In the second period Priceville tied the count, Bell scoring on a pass from E. Turnbull. The final period saw both teams going full out. Priceville's goals were scored by McLean, E. Turnbull, D. Turnbull and Bell. Proton's goal came from the stick of Hodgins.

Proton: Goal, Elgin Blackburn; defence, Hodgins and White; centre, Earl Blackburn; wings, K. Sims and L. Sims; alternates, H. Sims, Lockhart, Hergott and Halliday.

Priceville: Goal, McMeekin; defence, Frooks and McLean; centre, Bell; wings, D Turnbull and E Turnbull; alternates, Odell and Burnett.

**BRIDE AND GROOM HONORED**  
 A surprise party was held at the home of Mr. and Mrs. Alex. McEachern, 229 Garden Ave, Toronto, in honor of the bride and groom, Mr and Mrs. Bert Irvin who were married recently. Mr Murdoch McLeod played the bagpipes as Mr and Mrs Irvin entered the house, accompanied by Caleb Marshall and Miss Jean McLean. About seventy guests awaited to welcome them. Soon the music started and all were happy, and the evening was spent in old-time dancing. Before lunch was served, D J Gillies, a past president spoke a few words. An address was read by the president, Alex. Dobson and Alex. McEachern, honorary pres., presented the bride and groom with a lovely Aladdin lamp, a gift from the Priceville Old Boys and Girls. Mr and Mrs Irvin expressed their appreciation.

**PRICEVILLE WOMEN'S INST. HOLD MONTHLY MEETING**

Miss Margaret McArthur gave a review of current events and also told of incidents of the convention in Toronto, which she attended as a delegate. The program was brightened up by the presence of school girls—Misses Betty Watson, Sarah McMillan, Isabelle, Sheila, and Marie Weir, who sang a group of songs. A social time was spent and tea was served by the hostess assisted by Mrs McLean and Mrs Mather.

**IN DAYS OF YORE**  
 25 YEARS AGO  
 (from Review file Feb. 5th, 1914)  
 The secretary of the High School Board has been notified by the County Clerk that C. L. Grant is appointed for three years. S. Hughes for two years, C. Ramage for one year. The latter fills up Rev. Dr. Farquharson's period.  
 En route home from Ottawa over the week end, R. J. Ball, M. P. stopped over in Durham Saturday, and reports no exciting and strenuous sittings such as occurred last year over the navy bill and closure act. Work on our new post-office Mr Ball states, is to start in the spring.  
 We were pleased to see in a recent Wilkie paper that Mr. Dan McKinnon of town, son of Mr Allan McKinnon, was elected Vice-President of Bd. of Trade in that growing town.  
 Mr Jas R. Gun left on Tuesday for Hamilton where he hopes that in the ambitious city he will find more room for expansion than is possible in his native town. Mrs Gun follows in a few days.  
 Mrs R. MacFarlane and Mrs Arthur Jackson went to hear the Mendelssohn choir in Toronto.  
 Durham in the Dominion estimates presented in the House last week, is down for \$25,000.00 for a Post Office. The amount is creeping up... "Which is the more beneficial, Travel or Literature" was argued pro and con by High School boys and girls Wednesday and Literature upheld by the boys' side, won out. These were Norman Lenahan, Theodore Fallaise and Earl Meade, while the girls were Mary Findlay, Edith Edie and May Cliff.  
 Priceville corr.:  
 Henry Hooper of Top Cliff, sold a steer to cur general buyer at this place which netted him the sum of \$116.00. So it pays to raise good steers.  
 The Presbyterian congregation in this town is in good standing as was shown at the annual meeting held lately. It will soon be sixteen years since the present pastor, Rev. Mr. Matheson, was inducted as minister of this charge and during this time he saw many old and young to his great sorrow, laid in their resting places in different graveyards in this locality. Mr. Matheson's charge is 18 miles from one end to the other.  
 An interesting social event took place in the home of Mr and Mrs John McNulty, 16th con. Proton when their daughter, Edith Mae, was united in matrimony to Mr Neil S. Campbell of Eastway, Alberta, formerly of Swinton Park.  
 Holstein corr.:  
 Mr R. M. Tribe recently bought a steer from Mr Henry McDougall that was a top-notch. The animal which was a year and nine months old, weighed 1190 lbs and at \$16.00 lb. netted the owner more than \$100.

**Why don't I call them up?**  
 Yes, why not? Haven't you often started a letter when your thoughts went wandering—made you want to talk rather than write... and, then, within a minute, you heard "Dear Mary"—her own familiar voice.

**And here's Johnny!**  
 Watch a child's face when he hears Daddy's voice. You wish Daddy himself could see it—then he'd really know how much it means to his family, when he calls from a distance.

**...now I call them every evening!**  
 Somehow you are attracted to a man who says this. In those few words he tells you much about himself and his family. He sets an example by "Going home" every evening—  
**by LONG DISTANCE**

By using Low Night Rates (which apply every evening after 7 and all day Sunday), and placing "Anyone" calls—you can talk a long way for very little.
