An honorable defeat is to be preferred to a mean victory. The grace of the rich jewel, knowledge, is lost in concealment. A sunny disposition glides the edges of life's blackest clouds.

PRICEVILLE AND VICINITY

PRICEVILLE

The concert put on by the Swiss Bell Ringers proved a decided success in the various branches of entertainment provided. Music with the bells, with glasses partly filled with water, on bottles ditto, on a hand saw, on a broom handle, and above all, on a violin held in outrageous unaccustomed position. The acoustics too, were really marvellous. All this was preceded by a movie picture of the Coronation.

The Y.P.S. of St. Columba are presenting their play on Thursday evening, June 15th, at the hall.

The representative of the Bible Society will hold his meeting on the 20th in St. Andrew's church. His address will be illustrated by lantern views.

Then on the 22nd, St. Columba are holding their garden party, with strawberries and cream. Eome a program will thereafter be given by comedian McDuff, and another McDuff, a violinist, both held in good repute. The usual sports, races, ball games and other events will be called off.

Hay has every promise of being a bumper crop. All crops are looking well. What a contrast to two mos. ago!

IN DAYS OF YORE

25 YEARS AGO

(from Review file, June 11, 1914)

We note the success of Chas. F. Lawrence of Vickers, at Toronto University. He leaves it, having secured his B. A. with honors, being a Specialist in Mathematics and Physics. Congratulations.

The Communion on Sunday last in the Presbyterian church was a record in attendance, we are told, 314 having sat down to the observance, eighteen new members joining, seven by profession of faith. Pastor Whaley preached an impressive and searching sermon from the text "Do this in remembrance of Me".

Smith Bros., local Ford agents have recently sold three more model T 5 passenger touring cars, the buyers being Dr. Smith, of Dornoch, H. W. Hunt of Vickers and R. E. English, of Glascott. Mr Hunt is the first farmer to break the ice in securing an auto and now doubtless more will fall in line.

Along with the bowling, lawn tennis will be a popular sport among young Durhmites this summer, a tennis club having been organized with a membership of about 50. A regular schedule of games will be played on six of the town lawns. Officers are: President—P. Ramage; Vice President, A. W. H. Lauder; Secy.—Miss Margaret Hunter; Treas.—Sid Ferguson; Committee—Miss M. Harris, Jim McLachlan.

For participating in, or being present at the charivari at Mr J. Pilkey's home Tuesday of last week, about twenty boys and young men of the town received summons to appear in court Monday night. Three or four of the number had evidence to prove that their names were entered by mistake, not being present, while the remainder, all settled privately by each paying \$1.00 and costs, amounting to \$3.50, which included damages.

Dornoch Corr: Mr Don Campbell of the 2nd concession of Bentinck, raised his new barn on Thursday of last week. The frame work fitted together with an exactness which proves Harry Heft to be a competent mechanic. The sides were captured by two experienced hands, J. H. Alexander and Chas Mortley, the latter winning by a substantial margin.

Priceville Corr: A large turnout was in attendance at the pulling down the old sheds at the Presbyterian Church last Monday and now the way is clear for the contractor to go to work at the foundation for the new sheds.

Amid a profusion of nature's richest blooms in flowers and evergreens on the lawn at the home of the bride's parents, Mr and Mrs Walter Ferguson, Egremont, the marriage of a well known and popular Egremont couple was solemnized on Wednesday. The bride was Miss Isabelle Amos Ferguson and her chosen partner is Mr. Alex. Aitken.

Holstein Corr: Glendenen football team aided by the superior kicking of Tracey McLuhan, an imported Mount Forest player, was able to tie the score in an exciting game played last Friday night. The local line up was: Goal—H. Drumm; backs—B. Eccles, B. Hunt; half-backs—J. Brown, C. Ramago, C. Calder; centre—S. Smith; forwards, H. Main, W. Coburn, R. Dickson, P. Coburn.

SCHOOLS CLOSE JUNE 29TH

All the schools in this inspectorate will close for the summer vacation period of two months on Thursday, June 29th, and will reopen for the fall term on Tuesday, September, the 5th, the day following labor day. The Entrance will be held on Wednesday and Thursday, June 28th and 29th, and these with all other examinations will be concluded before closing day.

On February 25th last Robert Franklin-throw an empty bottle, containing his name and address, into the Georgian Bay just east of the Meaford breakwater and forgot all about it. This week he received a letter from a girl residing in Forest Hill, Toronto, stating that she had picked up the bottle at Oshawa on Sunday last, thus the correspondence. Bobbie advises us that he slipped the bottle in a crack in the ice east of the breakwater, and to be picked up at Oshawa. It must have drifted out into Lake Huron and floated through the chain of lakes to Lake Ontario taking an all-Canadian route in making the trip. The wind and waters do some funny capers sometimes, and this appears to be one of them.—Meaford Express.

Blue Sunoco challenged every leading gasoline in Ontario

...and won!

920 out of 1069 motorists reported better performance than 30 other gasolines, including 13 premium priced fuels!

Does your motor KNOCK?

BLAME YOUR OIL!

... because most cars are built to run smoothly on a good regular-priced gas

If your car did not knock when new—but knocks now on the same grade of gasoline—blame it on the motor oil. Many oils form hard carbon inside the motor after only a few thousand miles. The result is knocking and lost power. In the long run, the best and most economical cure for knocking is to have the carbon removed—then use Sunoco, the Knock-Proof Motor Oil, exclusively. It's your safest protection against knocks and lost power.

SUNOCO Knock-proof MOTOR OIL keeps the head on your motor longer

Independent and unprejudiced motorists invited more than a thousand motorists in six different cities to test an unbranded uncolored gasoline in their own cars. The gasoline was the same Blue Sunoco you can buy from any Sunoco dealer. These motorists road-tested this motor fuel compared it to 30 other gasolines they had been using, AND MORE THAN 920 OF EVERY 10 DEFINITELY STATED IT GAVE THEM BETTER PERFORMANCE.

Tests conducted by Night Directories, Ltd., during 1938. Gasoline used in tests certified to be regular Sunoco (with blue color omitted) by Donald-Turner Co.
