Mr Pentland, the Inspector of Schools for South Grey, sends us the following information about the recent Entrance Examination, which may be interesting to our readers.

In the entire Inspectorate of South Grey, there were 311 candidates in all, of whom 112 were allowed their standing on their year's work. Of the other 199, all of whom had to write, 142 passed, or 71.3 per cent.

Of those who wrote 49 passed, or 81.16 per cent., and 33 candidate won honours, partly on their year's work and partly on the written examination, or 26.2 per cent.

From the six townships, Arternesia, Bentinck, Egremont, Glenelg, Normandy, Protan, a total of 185 were prepared. Of this number 46 were given their standing on their year's work, and the other 139 wrote. Of those who wrote 66.8 per cent passed and 31 won honours, partly on their year's work and partly on the written examination, or 16.7 per cent.

The highest standing in the entire Inspectorate was Phyllis Vaughan, a little thirteen year old girl from No. 5 Glenelg, (taught by Miss Elva Horn), who heads the Honour List, beats the Inspectorate, and wins the Dr. Jamieson Gold Medal. A close runner-up was Phyllis Roberts, a twelve year old girl from No. 5 Osprey, who was taught by Miss Jeanette McNeil. (For examination purposes Osprey comes in with South Grey).

The best spellers were Hubert Hay, of the Durham Public School, taught by Mr Noble Gordon Weiser, of U. S. S. No. 3, Normandy, taught by Miss Irma Dingwall, and Elva Wylie, of No. 18 Euphrasia, (who wrote at Markdale, and was taught by Miss V. Murray). All of the above obtained full marks.

The best at Grammar are, Gordon Wieser, and Eugene Wells, the latter of Hanover, taught by Mr Magee, both equal and both high. The best at Literature was Matthew O'Farrell, of Separate School Section No. 10 Normandy, taught by Miss Agnes Quinlan, and the best Mathematician in the Inspectorate was Phyllis Vaughan, the gold medalist and champion pupil of the Inspectorate.

Some 12,000 people, and 59 lodges parading, with several bands also, thronged Owen Sound Streets on Wednesday for the celebration of "the glorious 12th." Tobermory Lodge won the prize for coming greatest distance—74 miles. Allan Park, Glenelg, Louise, Swinton Park and part of Durham Lodge were there, while others from Durham, also Varney and North Egremont lodges paraded in Arthur. A vast crowd also packed Arthur's streets, where 33 lodges marched. The parade lasted 2½ hrs.

Orange Service Held at Baptist Church

The Pastor of the Durham Baptist Church, Rev. J. T. Priest, B. A. preached to a capacity Church last Sunday morning. The occasion was the visit of the Orangemen of Durham and vicinity. An excellent Pipe and Drum Band from Mount Forest with their beautiful banner and brilliant uniforms, led the procession to the Church.

After welcoming the Orangemen and briefly sketching the history and reason for the founding, and for the continuance of the Order, Mr Priest announced that his topic was "The True Protestant," and chose for his text Ephesians 6:10-12, "Finally, my brethren, be strong in the Lord, and in the power of his might, put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against rulers of the darkness of this world, against spiritual wickedness in high places."

The preacher distinguished between hating and fighting people who were friendly and neighborly fellow citizens, loyal Canadians, and fellow humans throughout the world, and hating and fighting error. In the latter warfare the soldier's equipment must be spiritual; and he recommended the armour of Truth, Right Living, Peace on earth, goodwill among men; the shield of Faith to stop all doubts; the helmet of Salvation; and the sword of the Spirit, the word of God. The preacher said, "I have recommended old fashioned fighting gear, as old fashioned as the Gospel of Jesus Christ, as antiquated as His sermon on the Mount; but as effective as Faith, and as invincible as Truth. This is the 'True Protestantism—a protest against error, and a demonstration of Truth, by consistent Godly lives."

The preacher closed with the exhortation of Peter: "Sanctify the Lord God in your heart; and be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness"

Miss Iona Cluche has been successful in passing with honors her grade five piano examination, Toronto Conservatory of Music. Miss Cluche is a pupil of Mrs. G. R. Padfield.

Girls' Ball Club Gives up. Durham Girls' Ball Club has decided to drop out of Tri-County League competition, after playing one game only. The team was never really entered, as no organization had been effected, or officers elected. Several of the experienced players retired, and for a new team to continue against experienced clubs, was out of the question.

Tax Rate for 1939 Lowered 1½ Mills

Striking the 1939 tax rate was the main item of business before Durham Council on Monday evening. After considerable discussion, 49½ mills was decided upon, which is 1½ mills below 1938 rate. Of this the Government subsidy this year is 1¼ mills, leaving a 48 mill rate for the town. As the assessment at \$660,543 is down somewhat, due to the drastic cut allowed the Stone & Sand Co., all by-law and fixed rates are up slightly. The County Levy (\$3900) is somewhat lower, requiring a 5.90 rate, Public School estimate (\$6,900) have a 9.08 rate and High School (\$3500) a 5.32 rate. The General rate is 11.47 mills.

The reduced rate may be credited to the High School; estimates are \$1000 lower than in 1938, and a denture for the school building was on June 1st all paid up, saving a payment of \$1173.40 annually. The two items mean 3 mills less on the rate.

Residents of Albert and Elgin Sts. south, petitioned the Council to have a stop sign erected at corner of Albert and Sandler Sts. (one block east of Ford Garage.) It was referred to the Board of Works, with the recommendation that the stop sign be erected there for east and west traffic, making Albert St. the through street.

Robt. Mighton applied for refund of his dog tax, the dog dying three days after he had paid it. However payment had been a couple months overdue, and Clerk is to advise him taxes cannot be refunded.

Mr E. Fingold, manager of Roxy Theatre, Mt. Forest, wrote Council that is he giving up Durham theatre on Wed nights, as it is not a paying venture. As the year's lease is not up until Nov. 30th, Council requested Clerk to notify him that he would have to comply with it and pay hall rent for the term.

The Clerk was authorized to order copies of 1938 and 1939 statutes. M. G. Calder, pres. of the Business Men's Ass'n., asked permission to hold a street dance on July 26, which was granted. The Fire & Light Commission are to arrange with Utilities Com. re lighting, at no expense to Council.

General accounts of \$610.60 were passed, including \$101.50 hospital accounts, also Relief accounts totaling \$90.08.

Chairman G. McKay of Bd. of Works said the grass cutting on the streets had been a heavy problem, with so much rain. Complaints were made about sand on laneway leading back to Murdock's barn being washed down on to sidewalk and pavement.

Dustlayer applied on unpaved County link streets was another problem, some ratepayers asking for it. It costs 2c per foot to apply same. Council voted to cooperate with property owners who want it on their street, by paying 1c per foot of cost, and property owners on each side of street to pay 1c per foot, with minimum charge of \$1.00.

Dep-reeve Hopkins of Bentinck had enquired what Durham was going to do about keeping up its share of road on south line Bentinck, which borders the southerly limit of the town. Council agreed it would have to be gravelled.

Council instructed the clerk to write Mr. Longworth of the Longworth Milling Co. and ask what he intends to do to abate the smoke and smell nuisance to the south end of the town, which he had promised to remedy.

Angus Hooper of Glenelg suffered a serious loss last week. On Tuesday in a thunder storm early in the evening one of his horses grazing in a field not far from the barn was killed by lightning. Friday, when working in the hay, just as they got to the barn with a load one of the team dropped dead. Death was caused by the very great heat of the day. The loss is more serious owing to the busy season of the year.

'Bob' Moorhead will Entertain at Amateur Hour

If you've heard him before, you'll not miss next Saturday night. Other amateur performers will compete as usual.

Last Saturday night saw the largest crowd yet for the amateur performance. From far and near they thronged until parking space within a half mile was at a premium. Art and Mrs McGowan drove over in their car, but finding no parking place near, or on main or adjacent side streets, drove back home to Albert St., parked in his own garage, and walked back.

The Judges Saturday were Mrs W. B. Patterson, Glenelg; Mrs C. M. Leeson, Varney; Mrs J. J. Bowden (nee Bessie Smith), Petrolia. They awarded first to the Highland pipers—Mr. Cameron and Grant Muir of Coylen; second to Norman Dunsmore solo; third to Ted LaBlanc, solo.

Suffered Fractured Hip in Head-on Crash

Returning from a visit to his daughter in North Bay, Mr John Scott of North Egremont had his hip fractured; Angus McLachlan of Prievalle, his brother-in-law, his left leg fractured; while his sister, Mrs J. M. Findlay of Toronto, is suffering from shock and bruises, as the result of a head-on crash at Egremont, north of Huntsville, on Tuesday. Three Toronto youths, aged 18, 17, and 16, in the other car, escaped with a fractured wrist and bruises. All were taken to Bracebridge hospital for treatment. According to hospital officials Mrs Findlay's condition is not serious, but Mr Scott, who was driving his car, will be an invalid for weeks.

The Findlay garage man said the collision jammed the cars together so strongly that wrecking crews had a hard job to separate them. Although a police report was not immediately available, the garage man said the collision occurred when one car got out of control, struck a guard rail, and bounced back into the highway in the path of the other.

New Equipment for High Sch. Being Installed

Beginning in September, the two new Courses, Shop Work and Domestic Science will be taught in Durham High School, thus giving students the benefit of practical work and experience along lines that will probably be much more useful to them in after life, than some of the subjects which have been taught on the curriculum.

The High School Board has given the contract to the Jas. T. Donnelly Co. of Toronto, to supply the necessary machinery and equipment for the Shop Work, install, and service it after it has been set up. Mr. Donnelly is a specialist in High School work, who is in close touch with the Dept. of Education, and knows what is required. All will be in readiness before school reopens. Some new wiring connecting the main part with the new addition, will also be completed during the next month.

Rev. C. D. Farquharson, B. A., B. D., nephew of the late Rev Dr. Farquharson, was formally inducted the pastorate of Meaford United Church last Thursday evening.

Commerce Manager Will Retire

The news that Mr G. C. Webster, local manager of the Canadian Bank of Commerce, is retiring from business life at the end of July, comes as a surprise to the citizens. Mr. Webster is yet a comparatively young man, but his eyes have been failing somewhat, and when offered retirement now with a comfortable pension for the balance of his life, he accepted it, believing that a rest from perusing books, papers and ledgers should benefit his eyes. He will still reside in Durham, however, as he owns his home here. As secretary-treasurer of the Library Board, and also of Trinity Church, he will still have local interests and opportunity to acquire others. The change also affords him more time to enjoy his summer home at Bruce Beach, near Kincardine.

Succeeding Mr Webster here will be Mr. M. A. Innes, of Market Branch of the Bank of Commerce, Toronto, who comes highly recommended as a banker of experience, and an ideal type of citizen.

Mr Webster was transferred to Durham from Teeswater eight years ago. During his term here, he has been active in promoting the bank's business and has been a public-spirited citizen, serving on High School Board, and identifying himself with any community welfare movement. The citizens in general will congratulate him on a well-earned rest with security.

O'Sullivan Won in 6th Round

Boxing in Toronto last Thursday evening, Durham's white hope in the heavyweight ranks, Jack O'Sullivan won his bout by a technical knockout in the sixth round, against Tommy Osborne, British Empire Champion. Osborne had had a slight margin in previous rounds, but Jack proved the better finisher. O'Sullivan is climbing high in pugilistic ranks, and is at present one of the best boxers in the game. At present rate of progress, he will in a year or two be up among the top-notchers. He may cross over to England this fall and meet some doughty European boxers.

Refereeing the bout was Tony Galento, who recently lost out to champion Joe Louis in a bout for the heavyweight title. Three carloads of Durham boxing fans went to Toronto to witness Jack's victory.

The Durham branch Women's Institute met on the lawn at the home of Mrs Alex. Smith Thursday. Mrs. T. H. Sneath, president conducted a quiz on "Household Science," which was very interesting. Miss Charlton gave a humorous reading.
